To Whom It May Concern:

On behalf of Quemado Public Library, I am pleased to provide this letter of support for Bright Nutrition and its Summer Food Service Program.

For the past three years, Bright Nutrition has partnered with our community by providing grab-and-go summer meals for adolescents and children in Quemado. Their commitment to ensuring that children and teens have access to nutritious meals during the summer months has made a meaningful difference in our community.

Our community has many low-income families who depend on programs like this. For many children and adolescents, these meals provide essential nutrition and, in some cases, may be the only meal available on the table during these difficult times. The availability of Bright Nutrition's meal program helps reduce food insecurity and provides much-needed support to families throughout the summer.

We have witnessed firsthand the positive impact this program has had on the children, adolescents, and families we serve. Bright Nutrition has consistently been professional, dependable, and committed to meeting the needs of our community.

Quemado Public Library fully supports Bright Nutrition and the valuable work they do. We strongly encourage the continuation of their Summer Food Service Program and appreciate their dedication to ensuring that no child goes hungry during the summer months. We look forward to continuing our partnership with Bright Nutrition for many years to come.

Sincerely,

Beatriz Perez

EAGLE PASS, TX

PURPOSE:

Maverick County - Economic Stimulus Initiative provides support to retain, attract and expand growing industries. Commissioners Court intends to invest county resources to grow trade, talent and infrastructure in order to become leaders in border commerce while placing a high emphasis on industry jobs.

It is the intent of Maverick County, hereon after referred to as "County", and all municipalities found within its boundaries, to facilitate business activity aimed at achieving the following goals:

- Diversify the tax base
- Attract new quality jobs
- Retain and grow existing local industries
- Develop the existing workforce

Within the Texas Local Government Code, Chapter 381, counties have the authority to create and provide economic development programs using loans and grants. Commissioners Court authorized the use of Chapter 381 to create the County's Economic Development Policy via **Resolution No. 2020-6-15.**

In exchange for the County's financial assistance provided by means stated herein, a business must commit to a minimum investment and job creation over a defined timeframe. These guidelines shall be implemented through Chapter 381 Agreements (also referred to as "agreements" or "agreement") between Maverick County and eligible business owners and/or developers. The framework to create incentives may be done so in the form of grants, loans, and other initiatives. Projects must provide proof that investment will make a measurable difference in achieving economic growth to be awarded assistance.

In furtherance of the overarching goals, these guidelines define the financial incentives and establishes standards for implementation. Incentives cannot be transferred as a result of a change in the majority ownership of a business without the expressed written consent of the County.

The County is under no obligation to approve any requested incentive and no right to these incentives is neither intended nor implied. Applicants that meet the criteria stated in this policy are not guaranteed receipt of incentives.

The County discourages potential applicants from announcing their projects publicly, if the project is contingent upon an incentive. Economic Development Agreements will not be granted for any projects in which a building permit application has been filed with the Planning Department.

Through a strategic partnership with the City of Eagle Pass, the City's Economic Development staff will routinely monitor and document all recipient's progress to ensure the criteria set in the agreement is met and assist if any issues arise that would hinder the business from meeting such conditions. The County shall periodically evaluate the need to update the Economic Stimulus Initiative Policy at least once every two years, and the City's Economic Development Department shall provide proposed amendments to the policy as needed during this time.

MEMORANDUM

To: Maverick County Commissioners' Court
From: Maverick County Sheriff's Office
Date: July 23, 2026
Subject: Creation of a Dedicated Account for the 287(g) Program

Purpose
The Maverick County Sheriff's Office requests discussion and consideration for the creation of a dedicated financial account exclusively for the 287(g) Program administered in partnership with U.S. Immigration and Customs Enforcement (ICE).

Background
Creating a dedicated account will allow all revenues, reimbursements, and expenditures associated with the program to be tracked separately from the Sheriff's Office general operating budget.

Justification
Establishing a separate account will:

- Improve financial transparency and accountability.
- Facilitate grant and program auditing.
- Ensure all program-related expenditures are properly identified.
- Restrict the use of program funds exclusively to law enforcement-related purposes consistent with the Memorandum of Agreement (MOA) and applicable federal and county requirements.
- Simplify financial reporting and reconciliation for both County and federal oversight.

Fiscal Impact
The creation of a dedicated account does not create a new expenditure or require additional County funding. It is an accounting measure intended to improve financial management and oversight of the 287(g) Program.

Requested Action
Discussion and consideration of the creation of a dedicated financial account for the Maverick County Sheriff's Office 287(g) Program to be used exclusively for program-related revenues and law enforcement expenditures.

Sincerely,

Tom Schermer

Memorandum

To: Honorable County Judge and Members of the Maverick County Commissioners Court

Subject: Agenda Backup: Increase of Market Day Vendor Fee

The purpose of this agenda item is to request that the Commissioners Court consider and take appropriate action to increase the Market Day vendor participation fee from $15.00 to $25.00**,** effective October 1, 2026**.**

The current Market Day vendor fee has remained unchanged despite increases in the costs associated with hosting the event. Expenses related to event operations, including site preparation, maintenance, utilities, sanitation, waste disposal, security, and event support services, have continued to rise. The proposed fee adjustment is intended to help offset these operational costs while ensuring that Maverick County can continue to provide a safe, organized, and enjoyable Market Day experience for vendors and the public.

The proposed increase remains competitive with similar community markets and special events in the surrounding region while continuing to provide an affordable opportunity for local businesses, artisans, food vendors, and community organizations to participate.

If approved, the new vendor fee of $25.00 will become effective October 1, 2026, and will apply to all Market Day vendor registrations submitted on or after that date. County staff will update all applicable registration forms, promotional materials, and administrative procedures to reflect the approved fee.

Recommended Action:
Approve the increase of the Market Day vendor participation fee from $15.00 to $25.00**,** effective October 1, 2026, and authorize County staff to implement the revised fee schedule for all future Market Day events.

To: Honorable County Judge and Members of the Maverick County Commissioners Court
From: Pablo Garcia, Jr., Chief of Staff
Date: August 5, 2026
Subject: Agenda Backup: Establishment of Rental Rates and Facility Use Agreements for County Parks and Facilities

The purpose of this agenda item is to request that the Commissioners Court consider and take appropriate action to establish and approve standardized rental rates, fees, and facility use agreements for all Maverick County parks and county-owned facilities available for public use.

As county facilities continue to be utilized for community events, meetings, recreational activities, and private rentals, it is important to maintain a consistent fee structure and standardized facility use agreements. Establishing uniform rates and policies will promote fairness, improve administrative efficiency, provide clear expectations for renters, and assist the County in recovering operational and maintenance costs associated with the use of its facilities.

Approval of this item will authorize the implementation of the adopted rental schedule and facility use agreements, effective on the date established by the Commissioners Court. County staff will administer the approved rates and agreements in accordance with all applicable county policies and procedures.

Texas Department of Agriculture
Community Development Block Grant Program

Re: Termination of TxCDBG Agreement #CFC24-0100 – Venesa Street Improvement Project

To whom it may concern,

Maverick County regrets to inform the Texas Department of Agriculture that Maverick County must terminate TxCDBG Agreement #CFC24-0100 for the Venesa Street Improvement Project.

Since the grant was awarded, the county has faced a series of unforeseen financial pressures that we did not anticipate at the time of acceptance. Maverick County is self-funded with respect to insurance, and as a result, we have had to absorb a significant amount of insurance claim costs directly through our own budget rather than through a third-party carrier. In addition, the cost of fire and EMS services, which are provided to our residents through an arrangement with the City of Eagle Pass since the county does not operate its own fire or EMS department, has increased substantially. Taken together, these two factors have placed considerable and unanticipated strain on the county's finances.

Given these circumstances, the county is currently operating under a constrained budget and is in the process of evaluating cuts across multiple departments in order to remain financially stable. As a result, we are not in a position to front project expenditures and await reimbursement, as doing so would risk compromising payroll and other essential county obligations.

We want to be fully transparent with your office about these circumstances, and we are happy to provide any additional documentation or information that would assist in your review of this matter. Thank you for your understanding and continued support. Please do not hesitate to contact us with any questions.

Hello Isaak,

In order to request termination for this agreement a formal letter from the county will need to be submitted to TDA. In the letter, please include the circumstances mentioned previously and state clearly that due to these circumstances the county would like to request the agreement be terminated.

You may submit the letter to me in pdf format and please ensure it is written on county letter head and is signed by the judge. Since no funds were disbursed for this agreement no other action aside from this formal letter is needed.

Subject: Re: Maverick County CFC24-0100 Mid-Point Progress Report

Good morning Krystal,

Since this grant was awarded, Maverick County has faced a series of unforeseen financial pressures that have significantly impacted our budget. The county incurred insurance claim costs of nearly $900,000, along with an increase of over $1 million in fire and EMS service costs billed by the City of Eagle Pass. These combined expenses have created a substantial and unanticipated strain on county finances.

As a result, the county is currently operating under a tight budget and is in the process of proposing cuts across departments simply to remain financially stable. Given these constraints, the county does not have the available cash flow to front project expenditures and wait for reimbursement. As doing so would risk impacting payroll and other essential county obligations.

We wanted to be transparent about these circumstances and are happy to provide any additional documentation or information that would be helpful in reviewing this matter further.

Thank you for your understanding, and please don't hesitate to reach out with any questions.

Thank you for the follow up Krystal,

The item did go before commissioner court in our last meeting. We were directed by commissioner court to discuss the situation with our legal counsel and the auditors office but it seems that we may be leaning towards not completing the project due to lack of funding. I will further discuss the situation with them in these next few days and follow up with you on formal process either to move forward or move towards terminating the project.

Again thank you for the follow up and I will reach out soon.

Federal Highway Administration
Safe Streets and Roads for All (SS4A) Grant Program

Re: Termination of Safe Streets For All - Federal Award #693JJ32640199 FHA

To whom it may concern,

Maverick County regrets to inform the Federal Highway Administration that Maverick County must terminate Federal Award #693JJ326640199 for the Safe Streets For All Grant Program.

Since the grant was awarded, the county has faced a series of unforeseen financial pressures that we did not anticipate at the time of acceptance. Maverick County is self-funded with respect to insurance, and as a result, we have had to absorb a significant amount of insurance claim costs directly through our own budget rather than through a third-party carrier. In addition, the cost of fire and EMS services, which are provided to our residents through an arrangement with the City of Eagle Pass since the county does not operate its own fire or EMS department, has increased substantially. Taken together, these two factors have placed considerable and unanticipated strain on the county's finances.

Given these circumstances, the county is currently operating under a constrained budget and is in the process of evaluating cuts across multiple departments in order to remain financially stable. As a result, we are not in a position to front project expenditures and await reimbursement, as doing so would risk compromising payroll and other essential county obligations.

We want to be fully transparent with your office about these circumstances, and we are happy to provide any additional documentation or information that would assist in your review of this matter. Thank you for your understanding and continued support. Please do not hesitate to contact us with any questions.

Subject: Pretrial Diversion Bank Account – County Attorney's Office

The County Attorney's Office respectfully submits this letter in support of the agenda item requesting authorization to establish a Pretrial Diversion Bank Account for the County Attorney's Office.

Due to budgetary restraints affecting all of Maverick County we are exploring other avenues to help fund county operations that does not impact the local taxpayers, while continuing to provide essential prosecutorial services.

The establishment of a Pretrial Diversion Account is authorized by statute and is a common practice utilized by prosecuting offices throughout the State of Texas. Funds generated through the Pretrial Diversion Program would be used in accordance with applicable laws and regulations to support the operations of the office and enhance services provided to the community.

Your consideration and approval of this request are respectfully appreciated.

Respectfully,

Jaime A Iracheta

THIS AGREEMENT ("Agreement") is made and entered into by and between Maverick County, ("County"), a body corporate and politic under the laws of the State of Texas, and Vadel Funeral Home ("Vadel"), a company authorized to conduct business in the State of Texas.

WITNESSETH

WHEREAS, County desires that Vadel provide transportation services for decedents located in the County in accordance with RFP FY26-05 ("Services"); and

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth below, the parties agree as follows:

AGREEMENT

1. Scope of Services.

1.1. Vadel shall render Services to County as described in RFP FY26-05 (attached hereto as "Exhibit A" and incorporated by reference).

2. Personnel.

2.1. Vadel represents that it presently has, or is able to obtain, adequate qualified personnel in its employment for the timely performance of the Scope of Services required under this Agreement and that Vadel shall furnish and maintain, at its own expense, adequate and sufficient personnel, in the opinion of County, to perform the Scope of Services when and as required and without delays. All employees of Vadel shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of Vadel who, in the opinion of County, is incompetent or by their conduct becomes detrimental to the project shall, upon request of County, immediately be removed from association with the project.

3. Compensation and Payment.

3.1. Vadel fees shall be calculated at the rates set forth in the attached Exhibit A. The Maximum Compensation for the performance of Services within the Statement of Work described in Exhibit A is FIVE HUNDRED DOLARS and 000/100 ($500.00) per transport. In no case shall the amount paid by County under this Agreement or the rates for Services as described in Exhibit A exceed the Maximum Compensation without an approved change order.

3.2. All performance of the Scope of Services by Vadel including any changes in the Scope of Services and revision of work satisfactorily performed will be performed only when approved in advance and authorized by County.

3.3. County will pay Vadel based on the following procedures:

(a) Upon completion of the tasks identified in the Scope of Services, Vadel shall submit to County an original copy of each invoice showing the amounts due for services performed in a form acceptable to County to the following address:

(b) Chapter 2251, Texas Government Code. All payment terms, time for payments, and interest charged for late payments made in accordance with the Agreement are subject to Chapter 2251, Texas Government Code.

4. Term.

4.1. The Term of this Agreement shall commence upon the date of execution by County ("Effective Date") and terminate on the _____ year anniversary of the Effective Date ("Termination Date"). This Agreement shall not automatically renew, and may only be renewed by signed agreement of both Parties.

5. Modifications and Waivers.

5.1. The parties may not amend or waive this Agreement, except by a written agreement executed by both parties. No failure or delay in exercising any right or remedy or requiring the satisfaction of any condition under this Agreement, and no course of dealing between the parties, operates as a waiver or estoppel of any right, remedy, or condition. The rights and remedies of the parties set forth in this Agreement are not exclusive of, but are cumulative to, any rights or remedies now or subsequently existing at law, in equity, or by statute.

6. Termination.

6.1. Termination for Convenience. County may terminate this Agreement at any time upon thirty (30) days written notice.

6.2. Termination for Default. County may terminate the whole or any part of this Agreement for cause in the following circumstances:

(a) If Vadel fails to perform services within the time specified in the Scope of Services or any extension thereof granted by the County in writing;

(b) If Vadel materially breaches any of the covenants or terms and conditions set forth in this Agreement or fails to perform any of the other provisions of this Agreement or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in any of these circumstances does not cure such breach or failure to County's reasonable satisfaction within a period of ten (10) calendar days after receipt of notice from County specifying such breach or failure.

6.3. If, after termination, it is determined for any reason whatsoever that Vadel was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the County in accordance with Section 6.1 above.

6.4. Upon termination of this Agreement, County shall compensate Vadel in accordance with Section 3, above, for those services which were provided under this Agreement prior to its termination and which have not been previously invoiced to County. Vadel final invoice for said services will be presented to and paid by County in the same manner set forth in Section 3 above.

6.5. If County terminates this Agreement as provided in this Section 6, no fees of any type, other than fees due and payable at the Termination Date, shall thereafter be paid to Vadel.

6.6. If County terminates this Agreement prior to the termination date, County shall not be subject to any early termination fee or other penalty.

7. Inspection of Books and Records.

7.1. Vadel will permit County, or any duly authorized agent of County, to inspect and examine the books and records of Vadel for the purpose of verifying the amount of work performed under the Scope of Services. County's right to inspect survives the termination of this

Agreement for a period of four (4) years.

8. Insurance.

8.1. Prior to commencement of the Services, Vadel shall furnish County with properly executed certificates of insurance which shall evidence all insurance required and provide that such insurance shall not be canceled, except on thirty (30) days' prior written notice to County. Vadel shall provide certified copies of insurance endorsements and/or policies if requested by County. Vadel shall maintain such insurance coverage from the time Services commence until Services are completed and provide replacement certificates, policies and/or endorsements for any such insurance expiring prior to completion of Services. Vadel shall obtain such insurance written on an Occurrence form from such companies having Bests' rating of A/VII or better, licensed or approved to transact business in the State of Texas, and shall obtain such insurance of the following types and minimum limits:

(d) Professional Liability insurance with limits not less than $1,000,000.

All Liability policies including Workers' Compensation written on behalf of Vadel shall contain a waiver of subrogation in favor of County and members of Commissioners Court.

8.2. If required coverage is written on a claims-made basis, Vadel warrants that any retroactive date applicable to coverage under the policy precedes the effective date of the contract; and that continuous coverage will be maintained or an extended discovery period will be exercised for a period of two (2) years beginning from the time that work under the Agreement is completed.

9. Confidential Information.

9.1. Vadel acknowledges that it and its employees or agents may, in the course of performing their responsibilities under this Agreement, be exposed to or acquire information that is confidential to County. Any and all information of any form obtained by Vadel or its employees or agents from County in the performance of this Agreement shall be deemed to be confidential information of County ("Confidential Information"). Any reports or other documents or items (including software) that result from the use of the Confidential Information by Vadel shall be treated with respect to confidentiality in the same manner as the Confidential Information. Confidential Information shall be deemed not to include information that (a) is or becomes (other than by disclosure by Vadel) publicly known or is contained in a publicly available document; (b) is rightfully in Vadel's possession without the obligation of nondisclosure prior to the time of its disclosure under this Agreement; or (c) is independently developed by employees or agents of Vadel who can be shown to have had no access to the Confidential Information.

9.2. Vadel agrees to hold Confidential Information in strict confidence, using at least the same degree of care that Vadel uses in maintaining the confidentiality of its own confidential information, and not to copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give, or disclose Confidential Information to third parties or use Confidential Information for any purposes whatsoever other than the provision of Services to County hereunder, and to advise each of its employees and agents of their obligations to keep Confidential Information confidential. Vadel shall use its best efforts to assist County in

Without limitation of the foregoing, Vadel shall advise County immediately in the event Vadel learns or has reason to believe that any person who has had access to Confidential Information has violated or intends to violate the terms of this Agreement and Vadel will at its expense cooperate with County in seeking injunctive or other equitable relief in the name of County or Vadel against any such person. Vadel agrees that, except as directed by County, Vadel will not at any time during or after the term of this Agreement disclose, directly or indirectly, any Confidential Information to any person, and that upon termination of this Agreement or at County's request, Vadel will promptly turn over to County all documents, papers, and other matter in Vadel's possession which embody Confidential Information.

9.3. Accordingly, County may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Vadel acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interest of County and are reasonable in scope and content.

The terms and conditions of the Agreement are not proprietary or confidential information.

11. Independent Contractor.

11.1. In the performance of work or services hereunder, Vadel shall be deemed an independent contractor, and any of its agents, employees, officers, or volunteers performing work required hereunder shall be deemed solely as employees of Vadel or, where permitted, of its subcontractors. Vadel and its agents, employees, officers, or volunteers shall not, by performing work pursuant to this Agreement, be deemed to be employees, agents, or servants of County and shall not be entitled to any of the privileges or benefits of County employment.

DISCLOSURE OF CONFLICT OF INTEREST

By law, the CIQ must be filed with the Maverick County Clerk's Office no later than the seventh business day after the Legal Notice date the person becomes aware of facts that require that statement to be filed.

The disclosure requirement applies to a person or business that contracts or seeks to contract with Maverick County for the sale or purchase of property, goods or service. Any purchase order or contract resulting from this process shall be considered null and void if the successful participant fails to comply with Texas Local Government Code Chapter 176. Vendors, consultants, contractors and others who desire to conduct business with Maverick County are encouraged to refer to Texas Local Government Code Chapter 176 for the details of this law. An offense under Texas Local Government Code Chapter 176 is a Class C Misdemeanor.

DISCLOSURE OF INTERESTED PARTIES

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of The Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency.

The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least $1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

Dear Quemando Library

Congratulations! On behalf of Texas Book Festival (TBF) and Texas Library Association (TLA), I am delighted to share that your library has been selected as a 2026 Texas Library Grant recipient. This year, we had the privilege of awarding $175,000 in grants to 70 libraries, bringing our total contribution to Texas libraries to more than $3.9 million since the start of our grant program.

After July 1, we encourage you to share the good news with your community! Some publicity suggestions include:

- Publishing a story and photos in your library, social media, or newsletter
- Displaying signage/information about your Texas Library Grant award in your library for patrons and staff to see

Please email photos of your promotion to Jose@texasbookfestival.org. If you have a quote from a library representative on what it means to receive the award, how it feels to receive the award, or about the impact the award will have on patrons, I would love for you to share that as well.

Don't forget: To satisfy the grant requirements, **you must complete and submit a final report by Friday, February 26, 2027**, outlining how the grant was used as well as how the impact was measured. Please mark this date on your calendar and provide documentation about the grant with your colleagues in case there is a change in staffing. We will email the final report details to you in the spring.

We're proud to support the work you are doing to foster a love of reading in your community and to best serve your library patrons with books that meet their needs and interests. We hope this gift will enhance your invaluable services.

Congratulations again!

TEXAS ASSOCIATION of COUNTIES
HEALTH AND EMPLOYEE BENEFITS POOL

Tips to Begin a Request for Quote (RFQ)

Counties and county-related districts can obtain a quote from Texas Association of Counties Health and Employee Benefits Pool (TAC HEBP) for group health, dental, vision and life products without the hassle of a formal Request for Proposal (RFP). Said counties and county-related districts can enter into a contract with TAC HEBP via an **Interlocal Agreement** established by the **Texas Local Government Code Chapter 262**.

A letter from the County Judge or District Director should be prepared indicating the entity has voted to request a quote from TAC HEBP in accordance with the Texas Local Government Code Chapter 262. This correspondence must come from the entity itself and not an agent or broker.

RECOMMENDED SCHEDULE FOR AN RFQ PROCESS WITH TAC HEBP

- 5 months prior to Anniversary Date (AD), deliver a letter requesting a quote.
- TAC HEBP to provide a targeted due date of when to expect the requested quote.
- Discussion (or workshop), insurance committee presentations and/or decision dates should be set within 3 weeks following receipt of the quote.
- Enrollment meetings should take place at least 1.5 months prior to the effective date in order to ensure proper group set-up and for timely delivery of identification cards to employees.

The following is a timeline for RFQs for an October 1 anniversary date.

Schedule	Date
Submit Request for Quote (RFQ) letter to TAC HEBP	May 15
Underwriting Information due to TAC	**June 1**
Quote Delivered to Group	July 1
Targeted Contract Award Date	July 21
Contract Paperwork Signed and Due to TAC	No later than July 28
Key Dates (Recommended 60-Day Implementation)	
Finalize Contracts	No later than July 28
Last Day to Receive Elections	August 26
ID Card Generation	September 8
Go Live	October 1

Examples – legal language

Here's the legal authority for your questions regarding appointment of board members and funding. The language is 'may' and not 'shall'. Also, perhaps, the Texas Council of Child Welfare Boards could assist the counties that need it. This link should take you right to it. I realize you may have already tried this route as well so disregard if you have. REGION 8 | Texas Council of CWB (tccwb.org)

Sec. 264.005. COUNTY CHILD WELFARE BOARDS. (a) The commissioners court of a county may appoint a child welfare board for the county. The commissioners court and the department shall determine the size of the board and the qualifications of its members. However, a board must have not less than seven and not more than 15 members, and the members must be residents of the county. The members shall serve at the pleasure of the commissioners court and may be removed by the court for just cause. The members serve without compensation.

(b) With the approval of the department, two or more counties may establish a joint child welfare board if that action is found to be more practical in accomplishing the purposes of this chapter. A board representing more than one county has the same powers as a board representing a single county and is subject to the same conditions and liabilities.

(c) The members of a county child welfare board shall select a presiding officer and shall perform the duties required by the commissioners court and the department to accomplish the purposes of this chapter.

(d) A county child welfare board is an entity of the department for purposes of providing coordinated state and local public welfare services for children and their families and for the coordinated use of federal, state, and local funds for these services. The child welfare board shall work with the commissioners court.

(e) A county child welfare board is a governmental unit for the purposes of Chapter 101, Civil Practice and Remedies Code.

Examples - Legal Language

(f) A county child protective services board member may receive information that is confidential under Section 40.005, Human Resources Code, or Section 261.201 when the board member is acting in the member's official capacity.

(g) A child welfare board may conduct a closed meeting under Section 551.101, Government Code, to discuss, consider, or act on a matter that is confidential under Section 40.005, Human Resources Code, or Section 261.201.

Added by Acts 1995, 74th Leg., ch. 20, Sec. 1, eff. April 20, 1995. Amended by Acts 1997, 75th Leg., ch. 575, Sec. 24, eff. Sept. 1, 1997.

Sec. 264.006. COUNTY FUNDS. The commissioners court of a county may appropriate funds from its general fund or any other fund for the administration of its county child welfare board. The court may provide for services to and support of children in need of protection and care without regard to the immigration status of the child or the child's family.

Added by Acts 1995, 74th Leg., ch. 20, Sec. 1, eff. April 20, 1995. Amended by Acts 1997, 75th Leg., ch. 575, Sec. 25, eff. Sept. 1, 1997.

Sec. 264.008. CHILD WELFARE SERVICE FUND. The child welfare service fund is a special fund in the state treasury. The fund shall be used to administer the child welfare services provided by the department.
