Reference thresholds shown at 4 days and 90 days.

The Human Cost: Individual Case Stories

The following cases illustrate the real impact on individuals held well beyond legal thresholds — without timely counsel.

Person A

241 days in custody

$15,614 excess cost (211 days excess days)

Person A was held for 241 days — 211 days beyond the 30-day misdemeanor threshold. His case represents the highest over-detention period in the misdemeanor dataset and one of the highest individual costs in the analysis.

Person B

230 days in custody

$14,800 excess cost (200 days excess days)

Person B was held for 230 days — 200 days beyond the 30-day misdemeanor threshold. His case illustrates the compounding harm of delayed counsel: extended detention, disrupted employment, and family separation.

These individual cases are representative of a broader pattern affecting 45 detainees across 23 MIS and 22 FEL cases reviewed in this analysis.

Maverick County's Annual Jail Expenditures

$4,000,000+

in annual jail costs · nearly 20% of Maverick County's total annual budget

Category	Annual Cost
Personnel	$2,886,700
Medical	$450,000
Food	$400,000
Total Annual Jail Budget	**$4,000,000+**

Inmate housing contracts brought in $745,000 last year in revenue — down from $1,266,204 the prior year. Every bed occupied by an illegally over-detained individual is a bed unavailable to house paying detainees from other counties or the federal government.

TRGPD's FY 2027 Cost to Maverick County

$141,000

Maverick's maximum match under TIDC's approved FY 2027 grant

Item	Amount
TIDC FY'27 grant (Maverick, Dimmit & Zavala)	$1,600,000+
Maverick's current indigent defense spend	$81,000 / yr
Additional investment to reach the match	$60,000 / yr
Maverick's FY'27 match (maximum)	**$141,000 / yr**

The additional $60,000 funds a physical office location, six full-time attorneys, two paralegals, two investigators, and a holistic caseworker — dedicated representation that continues to reduce overdetention and its costs.

Cost Savings: The Match Pays for Itself

Cost Category	Current	New Plan (TRGPD)
Indigent defense costs	$81,000	$141,000
Jail overdetention costs	$218,596	**$0 (eliminated)**
Total annual cost to Maverick	**$299,596**	**$141,000**

$158,596

estimated net annual savings to Maverick County taxpayers

TRGPD's $218,596 in identified jail cost savings from ending overdetention covers the full $141,000 FY'27 match — with over $150,000 left over. Timely appointed counsel does not cost Maverick County money. It saves it.

Conclusion

$218,596

in avoidable excess incarceration costs from 45 cases — real public dollars with no added public safety benefit.

55–89 days

beyond the TIDC mandate before detainees received appointed counsel, impairing Sixth Amendment rights.

Timely Counsel

is both a legal obligation and a fiscally responsible solution — it shortens detention, reduces costs, and protects rights.

Timely appointment of counsel is not only a constitutional mandate — it is a critical component of fiscally responsible criminal justice administration.

Redefining Justice: Where Every Story Deserves a Defender

Maverick County Costs for Over-Incarceration

Tom Bowles Facility

On May 28, 2026, Texas RioGrande Public Defender was finally able to secure Juan Castillo[1] release. He had been sitting in a cold jail cell in Maverick County since December 28, 2025—three days after Christmas—for a misdemeanor charge that the prosecutor had rejected four months earlier. Unfortunately, without an attorney to advocate for his interest, neither the jail nor the Sheriff's Department knew that his charges were dropped. Instead, Mr. Castillo sat in jail for five more months, waiting for news that would never arrive. As far as the courts knew, the cases were finished. And yet, the jail only saw his charges. He had no way out.

Mr. Castillo would have kept on waiting in the Maverick County jail if not for the public defender's office. In May, TRGPD conducted an audit of the Tom Bowles facility to ensure that nobody had slipped through the cracks. That's when we found Mr. Castillo, learned his story, investigated the circumstances, and speedily secured his release.

Mr. Castillo spent five months in jail for a non-existent charge. The County spent over $11,000 on food, housing, clothing, and other expenses to keep him in custody. That is not only wasted money from Maverick County taxpayers, but, more importantly, time through the hourglass that Mr. Barrientos cannot get back.

Mr. Castillo's story does not need to repeat itself. TRGPD's promise of effective, zealous representation for all people accused of crimes who cannot afford lawyers has already and will continue to ensure that nobody gets left behind, that nobody is forgotten.

Introduction

The data below represents unindicted detainees of the Tom Bowles Detention Center with whom Texas RioGrande Public Defender or its contracted attorney, Gavriella Roisman, were appointed between May 2025 and June 2026. There were a total of 23 misdemeanor and 28 felony cases reviewed.

[1] Juan Castillo is a pseudonym to protect privacy.

The purpose of this review was to demonstrate the fiscal and human cost to the county for the over detention of detainees. The data is separated by misdemeanors and felonies in order to accurately depict the eligible release times when complaints (n=30 days) and indictments (n=90 days) were not filed.

The data is **underinclusive** of the total time and cost of over detention because it does not include cases that were not appointed to either (1) Ms. Roisman or (2) TRGPD. First, TRGPD did not begin taking appointments until February 9, 2026, nine months into the reported period. From May 2025 through January 2026, TRGPD took no appointments nor could it collect any data. Moreover, Ms. Roisman could not accept the remainder of every unindicted case as her case-carrying capacity was insufficient as a part-time, solo practitioner. Put simply, Maverick has undoubtedly borne greater fiscal costs than discussed here, and individuals arrested in the County have over-served more time. Indeed, the same attorney shortage causing overdetention prevents capturing the full fiscal picture. Without lawyers to track unrepresented clients, the County pays without knowing the full bill.

Over-Detention

Exhibit A reflects the time misdemeanor detainees spent in custody before release. The average number of days a detainee spent in custody pre-complaint was slightly over 100 days (n=100.4), which is equivalent to an average of 70 days of over-detention.

Exhibit B reflects the time felony detainees spent in custody before release. The average number of days a detainee spent in custody pre-complaint was slightly over 150 days (n=150.7), which is equivalent to an average of 60 days of over-detention.

Estimated Cost of Detention Beyond Established Thresholds

After excluding the first 30 days of pre-indictment custody for misdemeanor cases and the first 90 days for felony cases, the remaining excess detention totaled 2,954 days. At a detention cost of $74 per day[2], those excess days represent approximately $218,596 in additional incarceration expenditures, including $119,806 attributable to misdemeanor cases and $98,790 attributable to felony cases.

Category	Threshold	Cases Exceeding Threshold	Excess Days Only	Excess Cost @ $74/day
MIS	30 days	23 cases	1,619 days	$119,806
FEL	90 days	22 cases	1,335 days	$98,790

[2]$74 daily cost based on testimony given by the Honorable Amado Abascal III at the May 6, 2026, Commissioner's Court Special Session.

Category	Threshold	Cases Exceeding Threshold	Excess Days Only	Excess Cost @ $74/day
Combined	—	45 cases	2,954 days	$218,596

Annual Costs of Jail

Maverick County spends over four million dollars a year on jail costs. That represents almost 20% of the County's annual expenditure. The major categories break down into:

- **Personnel costs**: $2,886,700.00
- **Medical**: $450,000.00.00
- **Food**: $400,000.00

Equally as important, the jail has been able to make generate revenue by housing individuals for other counties or the federal government. Last year, the County brought in approximately $745,000.00 in inmate contracts, which represented a decrease from the prior fiscal year, $1,266,204.00

Thus, unlawful, unjustified detentions cost Maverick County doubly. First, the County must pay $74 a day to house people who should not be in custody, contributing to the $4,000,000+ jail costs. And second, every bed taken by an illegally detained individual represents a lost opportunity to house a pretrial detainee from a neighboring county or the federal government.

The public defender's office will easily recoup its budgeted amount, and then some for the County by following a simple mandate: the law. Adherence to proper bail procedures will net the County over $200,000 in jail costs alone, not including the availability to contract with other entities to house their detainees.

TRGPD FY' 2027 Maverick Cost

TIDC's approved FY' 2027 grant will award over 1.6 million dollars to Maverick, Dimmit, and Zavala counties for public defense operations. Maverick's match is less than 10% of that amount, $141,000. The $141,000 represents the maximum Maverick may owe if TRGPD fully expends its budget.

Currently, Maverick pays over $80,000 a year in indigent defense costs. The additional $60,000 provides a physical office location, six full-time attorneys, two paralegals, two investigators, and a holistic caseworker to advocate for client needs. Most importantly, TRGPD ensures dedicated, zealous representation that will

continue to reduce overdetention in Maverick and the attendant costs. In just the past year, we have identified well over $200,000 in jail cost savings, which fully pay for Maverick's match.

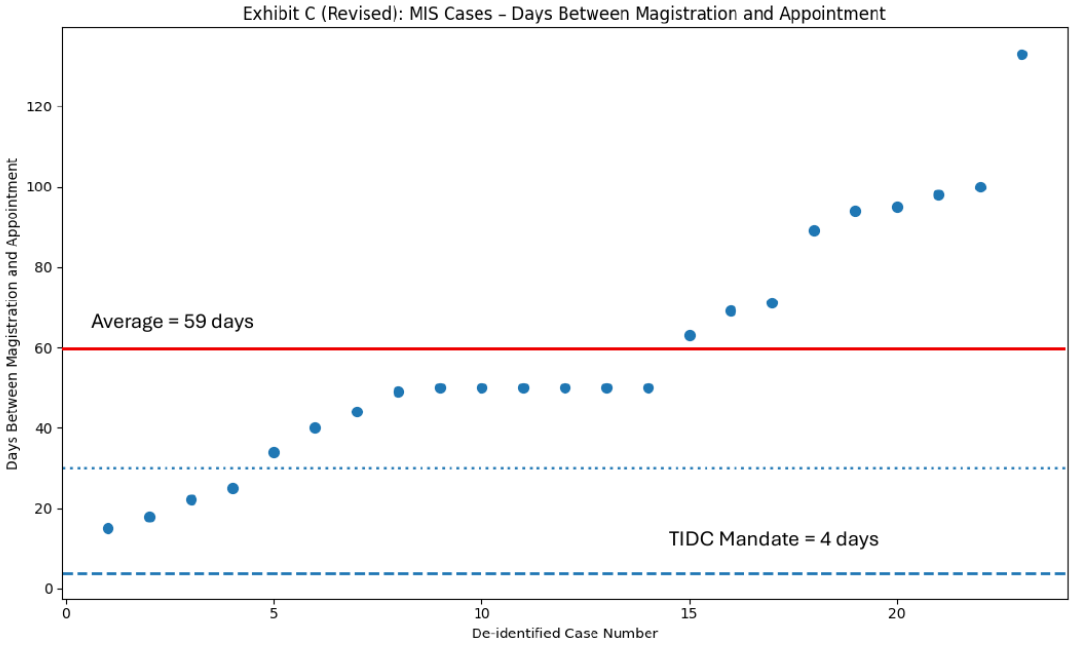

Simply put, the math checks out.

Appointment of Counsel as a Mitigator

Misdemeanor Overdetention

Exhibit C reflects the time misdemeanors detainees spent in custody without representation. The average number of days a detainee spent in custody waiting for representation is 59 days, 29 days in excess of their eligibility for release when no complaint is filed, and 55 days in excess of TIDC's requirements.

Average = 59 days
TIDC Mandate = 4 days

Reference thresholds shown at 4 days and 30 days.

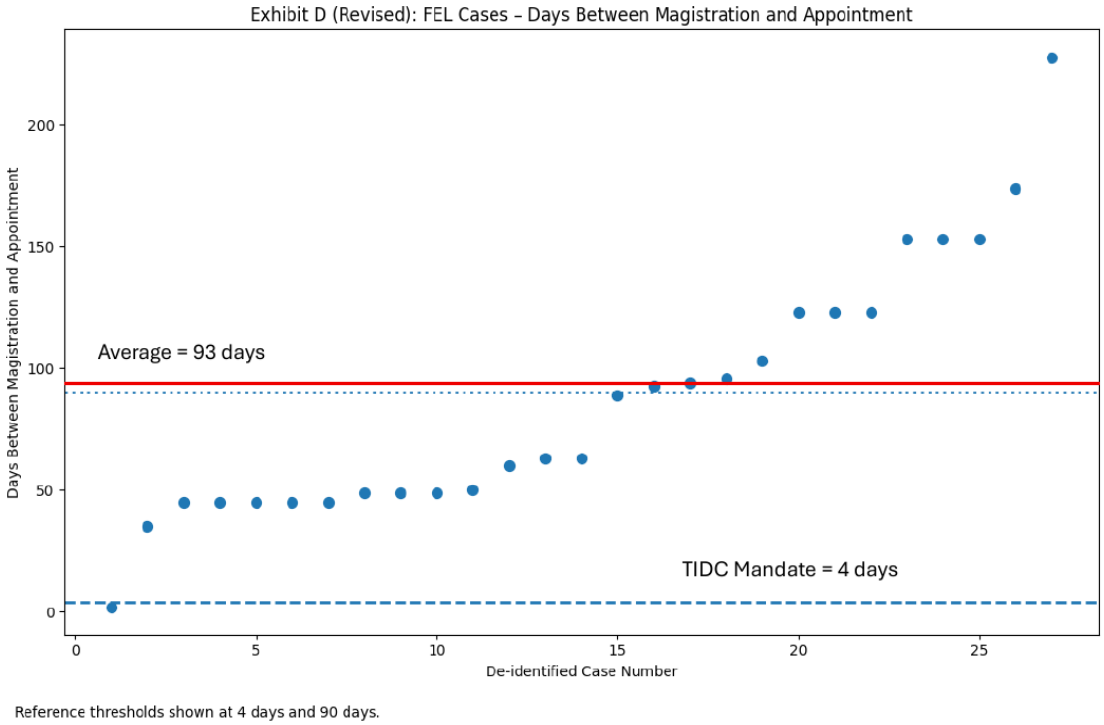

Human Cost: Michael Jackson[3] spent 241 days in custody on two misdemeanors without charges filed against him. During his eight months in jail—September 2, 2025 to May 1, 2026—he did not speak with an attorney once. He was finally released on May 1, with the assistance of TRGPD. His 241 days in custody cost Maverick County $17,834.

[3] Michael Jackson is a pseudonym to protect privacy.

Felony Overdetention

Exhibit D reflects the time felony detainees spent in custody without representation. The average number of days a detainee spent in custody waiting for representation is 93 days, 3 days in excess of their eligibility for release when no indictment is filed, and 89 days in excess of TIDC's requirements.

Average = 93 days
TIDC Mandate = 4 days

Reference thresholds shown at 4 days and 90 days.

Human Cost: Robert Sanchez[4] was arrested on August 29, 2025. He did not speak to an attorney for six months, until he called our office because he heard a public defender's office had begun. TRGPD helped get him released on April 16, 2026, after 230 days in custody (**$17,020 cost**). During that time, the State did not bring any charges against him, nor was he scheduled for a court date. He simply waited.

Conclusion

Prolonged delays in the appointment of counsel and extended pre-indictment and pre-complaint detention impose significant constitutional, statutory, and fiscal costs on local governments. Specifically, Maverick County has spent well over $218,000 to detain people it legally had no authority to.

[4] Robert Sanchez is a pseudonym to protect privacy.

Constitutionally, delayed access to counsel undermines the protections guaranteed by the Sixth and Fourteenth Amendments, depriving individuals of meaningful assistance during critical stages of criminal proceedings and increasing the risk of unnecessary incarceration. Statutorily, Texas law requires the timely appointment of counsel for indigent defendants, reflecting the Legislature's recognition that early representation is essential to safeguarding due process and ensuring the fair administration of justice. Delayed appointment of counsel can contribute to prolonged detention, slower case resolution, and increased pressure on defendants to make decisions without adequate legal guidance.

The fiscal consequences are equally substantial. As demonstrated by the data analyzed here, extended detention beyond established benchmarks results in hundreds of thousands of dollars in avoidable incarceration costs, consuming public resources without advancing public safety, and in violation of the law.

The public defender's office not only saves the County money, it ensures the County does not break the law and upholds every person's dignity. TRGPD is pleased to have worked to secure release for dozens of people who should not have been in jail—saving Maverick County taxpayers' money and protecting everyone's right to justice.

Texas Laws

Relating to Mental Health and Intellectual Disabilities

Reflecting changes in law passed by the 88th Legislature, Regular Session – 2023

The laws reflected in this edition include both substantive and non-substantive revisions to laws passed by the 88th Legislature. Most of the revisions in law take effect on September 1, 2023. Among the changes are references to agencies, such as the Health and Human Services Commission, that have been updated to reflect the governance of the state hospitals and state supported living centers by the Commission. However, not all laws have been substantively changed to fully reconcile the duties, functions and powers of the Health and Human Service agencies and may still reflect an entity, such as the Department of State Health Services, which is no longer performing those duties, functions or powers.

To: Honorable County Judge and Members of the Maverick County Commissioners Court
From: Pablo Garcia, Jr., Chief of Staff
Date: August 5, 2026
Subject: Agenda Backup: Establishment of Rental Rates and Facility Use Agreements for County Parks and Facilities

The purpose of this agenda item is to request that the Commissioners Court consider and take appropriate action to establish and approve standardized rental rates, fees, and facility use agreements for all Maverick County parks and county-owned facilities available for public use.

As county facilities continue to be utilized for community events, meetings, recreational activities, and private rentals, it is important to maintain a consistent fee structure and standardized facility use agreements. Establishing uniform rates and policies will promote fairness, improve administrative efficiency, provide clear expectations for renters, and assist the County in recovering operational and maintenance costs associated with the use of its facilities.

Approval of this item will authorize the implementation of the adopted rental schedule and facility use agreements, effective on the date established by the Commissioners Court. County staff will administer the approved rates and agreements in accordance with all applicable county policies and procedures.

Recommended Action:
Approve and adopt the proposed rental rates, fees, and facility use agreements for all Maverick County parks and county-owned facilities, and authorize staff to implement and administer the approved schedule.

COMMISSIONER'S COURT COMMUNICATION

MEETING DATE:	AGENDA ITEM / SUBJECT OF DELIBERATION:
Next Upcoming	Discussion and possible action regarding a resolution authorizing discussions and negotiations with the City of Eagle Pass, the Joint Emergency Operations Center, and Maverick County Water Control and Improvement District No. 1 concerning interlocal and cooperative agreements for the implementation, operation, and maintenance of the Maverick County Flood Warning System under Senate Bill 3.

SPONSORED BY:	DEPARTMENT HEAD REQUESTING:
Maverick County Judge	Isaak Ruiz - Grants

BACKGROUND/PREVIOUS ACTION:

Enacted by the 89th Texas Legislature, Second Called Session, Senate Bill 3 establishes requirements for installing, operating, and maintaining outdoor warning siren systems in designated flash flood-prone areas through the Texas Water Development Board (TWDB). Maverick County is actively advancing a comprehensive countywide flood warning system that incorporates outdoor warning sirens, flood and rainfall gauges, communications infrastructure, and emergency notification capabilities. To ensure a sustainable, coordinated regional approach, formal collaboration is required with key local partners—specifically the City of Eagle Pass, the Joint Emergency Operations Center (JEOC), and Maverick County Water Control and Improvement District No. 1 (MCWCID #1). This resolution grants authorization to initiate formal interlocal negotiations pursuant to Chapter 791 of the Texas Government Code. These discussions will establish clear responsibilities regarding ownership, site access, monitoring thresholds, activation protocols, maintenance, data sharing, and long-term cost allocations without binding the County to a final agreement at this stage.

COST:	BUDGETED LINE ITEM:

RECOMMENDATION FROM DEPARTMENT DIRECTOR:

Recommend approval of the resolution authorizing discussions and negotiations with the City of Eagle Pass, the Joint Emergency Operations Center, and Maverick County Water Control and Improvement District No. 1. Establishing these formal interlocal frameworks is a vital prerequisite to securing and implementing state flood warning grants under Senate Bill 3 while ensuring shared operational clarity across local agencies.

A RESOLUTION OF THE COMMISSIONERS COURT OF MAVERICK COUNTY, TEXAS, AUTHORIZING DISCUSSIONS AND NEGOTIATIONS WITH THE CITY OF EAGLE PASS, THE JOINT EMERGENCY OPERATIONS CENTER, AND MAVERICK COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1 REGARDING INTERLOCAL AND COOPERATIVE AGREEMENTS FOR IMPLEMENTATION, OPERATION, AND MAINTENANCE OF THE MAVERICK COUNTY FLOOD WARNING SYSTEM UNDER SENATE BILL 3

WHEREAS, Senate Bill 3, enacted by the 89th Texas Legislature, Second Called Session, establishes requirements related to the installation, operation, and maintenance of outdoor warning siren systems in designated flash flood-prone areas and provides for implementation through the Texas Water Development Board ("TWDB"); and

WHEREAS, the City of Eagle Pass, the Joint Emergency Operations Center, and Maverick County Water Control and Improvement District No. 1 are important partners in the implementation and long-term operation of the proposed system; and

WHEREAS, the Commissioners Court finds that establishing clear responsibilities for ownership, installation, access, communications, monitoring, activation, testing, maintenance, repair, data sharing, emergency response, and long-term operation of the system is necessary to provide a reliable and sustainable flood warning program; and

WHEREAS, Chapter 791 of the Texas Government Code authorizes local governments to enter into interlocal agreements to improve the efficiency and effectiveness of governmental functions and services;

Texas Department of Agriculture
Community Development Block Grant Program

Re: Termination of TxCDBG Agreement #CFC24-0100 – Venesa Street Improvement Project

To whom it may concern,

Maverick County regrets to inform the Texas Department of Agriculture that Maverick County must terminate TxCDBG Agreement #CFC24-0100 for the Venesa Street Improvement Project.

Since the grant was awarded, the county has faced a series of unforeseen financial pressures that we did not anticipate at the time of acceptance. Maverick County is self-funded with respect to insurance, and as a result, we have had to absorb a significant amount of insurance claim costs directly through our own budget rather than through a third-party carrier. In addition, the cost of fire and EMS services, which are provided to our residents through an arrangement with the City of Eagle Pass since the county does not operate its own fire or EMS department, has increased substantially. Taken together, these two factors have placed considerable and unanticipated strain on the county's finances.

Given these circumstances, the county is currently operating under a constrained budget and is in the process of evaluating cuts across multiple departments in order to remain financially stable. As a result, we are not in a position to front project expenditures and await reimbursement, as doing so would risk compromising payroll and other essential county obligations.

We want to be fully transparent with your office about these circumstances, and we are happy to provide any additional documentation or information that would assist in your review of this matter. Thank you for your understanding and continued support. Please do not hesitate to contact us with any questions.

Hello Isaak,

In order to request termination for this agreement a formal letter from the county will need to be submitted to TDA. In the letter, please include the circumstances mentioned previously and state clearly that due to these circumstances the county would like to request the agreement be terminated.

You may submit the letter to me in pdf format and please ensure it is written on county letter head and is signed by the judge. Since no funds were disbursed for this agreement no other action aside from this formal letter is needed.

Subject: Re: Maverick County CFC24-0100 Mid-Point Progress Report

Good morning Krystal,

Since this grant was awarded, Maverick County has faced a series of unforeseen financial pressures that have significantly impacted our budget. The county incurred insurance claim costs of nearly $900,000, along with an increase of over $1 million in fire and EMS service costs billed by the City of Eagle Pass. These combined expenses have created a substantial and unanticipated strain on county finances.

As a result, the county is currently operating under a tight budget and is in the process of proposing cuts across departments simply to remain financially stable. Given these constraints, the county does not have the available cash flow to front project expenditures and wait for reimbursement. As doing so would risk impacting payroll and other essential county obligations.

We wanted to be transparent about these circumstances and are happy to provide any additional documentation or information that would be helpful in reviewing this matter further.

Thank you for your understanding, and please don't hesitate to reach out with any questions.

Thank you for the follow up Krystal,

The item did go before commissioner court in our last meeting. We were directed by commissioner court to discuss the situation with our legal counsel and the auditors office but it seems that we may be leaning towards not completing the project due to lack of funding. I will further discuss the situation with them in these next few days and follow up with you on formal process either to move forward or move towards terminating the project.

Again thank you for the follow up and I will reach out soon.

Maverick County, Texas ("the County") and Texas RioGrande Public Defender ("TRGPD") hereby enter into this agreement under which TRGPD agrees to perform legal services for persons accused of crimes in Maverick County and other counties that have agreed to participate in the Regional Public Defender ("RPD") Program that is established pursuant to this contract. The counties participating in the Maverick RPD are Maverick, Dimmit, and Zavala. Maverick County is the designated administrative county, and the other participating counties have executed interlocal agreements with Maverick County with respect to the terms of their participation that incorporate the terms of this agreement.

1. Parties.

a. Maverick County, Texas is a political subdivision of the State of Texas and is authorized by the laws of the State to execute this agreement.

b. Texas RioGrande Public Defender is a non-profit corporation organized and operating under the laws of the State of Texas for the purpose of providing legal services to persons who are financially unable to pay for the services of attorneys engaged in the private practice of law. TRGPD has full authority to provide the services required under the terms of this agreement.

c. Dimmit and Zavala Counties are each political subdivisions of the State of Texas and shall contribute each county's share of funding to the program to Maverick County as outlined in the interlocal agreements between Maverick County and Dimmit County and between Maverick County and Zavala County.

d. During the term of this contract, if other counties elect to participate in the regional public defender program with the contract of Maverick County, the other currently participating counties, and TRGPD, an amendment will be executed detailing the terms of their participation, the county or counties being added, the percentage and type(s) of cases for which TRGPD will provide representation, and the necessary staffing and budget adjustments.

2. Term of the Agreement. This agreement will be in effect from May 27, 2026, until March 31, 2027 (previously extended to February 28, 2027; originally set to expire September 30, 2026). This Agreement may be renewed on the same terms or mutually agreeable terms by signed agreement of both parties. It is specifically understood and agreed that in the event no funds or insufficient funds are appropriated by County under this Agreement, County shall notify all necessary parties that this Agreement shall thereafter terminate and be null and void on the last day of the fiscal period for which appropriations were made without penalty, liability or expense to County.

a. It is mutually understood that the services provided under this agreement are funded by grant funds from the Texas Indigent Defense Commission (TIDC) and revenues from the counties participating in the Maverick County Regional Public Defender's Office, and that the use of those funds is subject to and governed by the Texas Grant Management Standard statutes, administrative regulations, the specific conditions and requirements as outlined in the FY2025 Statement of Grant Award-Grant Number SG-26-017, the Texas Code of Criminal Procedure, the Texas Family Code, and the Texas Local Government Code. TRGPD understands

and acknowledges that the funds available under this agreement are contingent upon grant funds provided by the TIDC. If grant funds are not provided by the TIDC or other grantor, this Agreement will immediately terminate on the denial of funding and there shall be no further obligations or liability of the County.

The Judicial Appointment of Counsel Plans for each participating county authorize the appointment of the Maverick County Regional Public Defender's Office for defendants in non-capital adult cases and give priority to the appointment of the Maverick County Regional Public Defender's Office in those cases. The program allows the Courts of each participating county to appoint TRGPD for all cases in which appointment of counsel is appropriate.

i. The program covers adult defendants in Class A and B misdemeanor and non-capital felonies.

ii. TRGPD shall not be appointed to capital murder cases.

iii. Some appointments may occur outside of this agreement due to conflicts of interest (e.g., multiple defendants in a case), other situations described in Tex. Code Crim. Proc. Art. 26.04(j), or capital cases, which are not included in this agreement. Absent such a situation, the parties agree that, consistent with filled staff attorney positions, all eligible appointments shall be directed to TRGPD, subject to the maximum caseload capacity of the office based on TIDC caseload guidelines.

b. During TRGPD's launch and hiring legal staff ("ramp up period"), the participating counties agree to coordinate case appointments with the Chief Public Defender, or designee, so that the number of cases appointed by the participating counties to TRGPD will not either as an individual county, or the participating counties collectively, exceed the caseload capacity of the legal staff actively working in the office.

c. During the ramp up period, TRGPD will work diligently to accept appointments proportionately across County and District Courts.

d. At the time that this contract is executed, sufficient funds either are available within the counties' current grants and/or appropriations or are expected to become available to finance the costs of this contract for the term of the contract.

e. The parties may modify or terminate this contract by mutual agreement at any time. If a party desires to modify or terminate this agreement before the effective date of an annual term, it shall provide the other party written notice of its intent to do so no less than ninety (90) days before the effective date of the modification or termination. If termination of the contract is based upon termination or non-award of TIDC grant funding which occurs less than ninety (90) days before the end of the contract year, the party seeking termination shall provide notice of termination not less than twenty (20) days before the end of the contract year.

f. Unless otherwise agreed in writing, termination of this contract does not affect any existing obligation or liability of any party.

g. Any party's failure to enforce any provision of this contract shall not constitute a waiver by the party of that or any other provision.

h. This contract may be modified or terminated only by the means defined in Section 2. Any "suspension" or "expiration" of this agreement must conform to the subsections in Section 14.

3. Services Provided. TRGPD agrees to provide criminal defense services to indigent residents of the participating counties who are charged with crimes as follows:

a. Each participating county shall maintain language in its Judicial Appointment of Counsel Plan for appointment of counsel in Class A and B misdemeanors and non-capital felonies:

i. Designating the authorities therein authorized to determinate eligibility for appointed counsel and to authorize the appointment of counsel.

ii. Authorizing the appointment of the Maverick County Regional Public Defender's Office for defendants in non-capital adult cases who qualify for appointed counsel.

iii. Giving priority to the appointment of the Maverick County Regional Public Defender's Office in those cases.

b. After the appointment of a case to TRGPD, by an authorized appointing authority within each county, TRGPD will determine whether to accept the case, or decline it for a conflict of interest, whether the appointment exceeds the caseloads limitations for the county or court, or other reason that would be a barrier to representation. TRGPD will make the determination whether to accept an appointment within 2 business days.

c. After the ramp up period has concluded, TRGPD will accept up to the maximum number of cases per year according to EXHIBIT A, attached hereto, in accordance with TIDC caseload guidelines. TRGPD has sole authority to determine whether to accept a case for representation and will exercise that authority consistent with its internal policies and procedures, and in compliance with the Texas Code of Criminal Procedure, Texas Rules of Disciplinary Procedure for Attorneys, and TIDC caseload guidelines. If TRGPD does not believe it will be able to accept the expected number of cases, either due to staff vacancies or other factors, TRGPD must notify the Maverick RPD Oversight Committee and all Judges within the Maverick RPD, in writing, within seven (7) business days of the notice of vacancy and the extent to which such staffing shortages or caseload limits will reduce the number of cases TRGPD can accept.

d. When TRGPD accepts an appointment of a case under the terms of this agreement, TRGPD shall provide representation to the client as it determines is needed to assist that client resolve the issues related to the case.

e. TRGPD in its sole discretion determines the assistance needed. Multiple activities may be undertaken to assist a client including, but not limited to: bond reduction, habeas or examining trial prior to Information or Indictment; pre-trial motions and discovery; trial to judge or jury; appeal; original actions; administrative matters; other matters intertwined with the client's case that could impact the outcome of the case; and all activities consistent with professional responsibility, but such additional activities do not count as more than one case for purposes of this agreement. In no event shall TIDC funding be used for an appeal on an Operation Lone Star case per the 89th Texas Legislature's funding limitation.

4. Caseload Calculations.

TIDC grants require TIDC case guidelines are maintained and not exceeded. TRGPD will ensure that TIDC guidelines are adhered to and will be enforced according to EXHIBIT A, for each county. During the time that the case is not filed or indicted, for purposes of caseload calculations, a case shall count as one half (½) of a full case. Once charges are filed or indicted, the case shall count as one (1) full case. Indicted first degree felonies shall count as two (2) full cases. Indicted sex assault cases and non-capital murder cases shall count as four (4) full cases. In the event TRGPD withdraws or rejects a case due to conflict of interest, that case shall not count towards the caseload calculation, unless TRGPD has provided substantial representation prior to discovering the conflict. If any such case is claimed by TRGPD under substantial representation, such determination may be accepted or rejected by the oversight board for this agreement.

For purposes of this agreement a case is defined as adopted by the Texas Office of Court Administration, and is either a misdemeanor or a felony as defined below:

a. Misdemeanors: A "misdemeanor" under the terms of this agreement shall include any offense punishable under sections 12.21 and 12.22 of the Texas Penal Code but shall not include Class C misdemeanors punishable under section 12.23 Texas Penal Code, or any case that does not provide for the loss of liberty as a potential sanction.

b. Felonies: A "felony" under the terms of this agreement shall include any offense punishable under sections 12.32, 12.33, 12.34, and 12.35 of the Texas Penal Code. It shall not include "capital felonies" punishable under section 12.31.

c. Motions to Revoke: A motion to revoke or a motion to adjudicate in a case shall be considered as one half (1/2) a separate "case" for purposes of this agreement.

d. Appeals: An "appeal" shall be considered to be any action in an appellate court, including interlocutory or direct appeals, habeas corpus actions pursuant to Tex. Code Crim. Proc. §11.07, mandamus or other

extraordinary writs. Action taken in an appellate court subsequent to disposition of a case in trial court by judgment or deferred adjudication shall be considered as a separate "case". Any action involving the same defendant under a different cause number shall be considered a separate appeal for purposes of this agreement, with the exception of cases where the different cause numbers were tried together, and sentence was imposed by the court in the same hearing. Pursuant to TIDC guidelines, these cases shall count for four times a case for TRGPD caseload calculations. In no event shall TIDC funding be used for an appeal on an Operation Lone Star case per the 89th Texas Legislature's funding limitation.

If an indictment or information contains more than one count (Section 21.24 CCP), report this as one case under the category for the most serious offense alleged. If all counts are the same degree, report the case under the category for the first offense alleged.

e. Pretrial Diversion Status Appointments. Once a client has agreed to and has been accepted into a Pretrial Diversion program, the case will be deemed "disposed" for purposes of TRGPD case calculations. Should a previous client, currently on Pretrial Diversion, need representation in court in any subsequent status or admonishment proceedings, relating to that Pretrial Diversion case, the Court shall provide a new Order of Appointment for the Client, and this shall be considered a separate case.

f. After assignment, TRGPD shall provide representation and other legal services to its clients in all pre-trial, and trial matters and until such time as TRGPD withdraws from representation in accordance with the provisions of Tex. R. Prof. Conduct §1.15, the client retains private counsel, the case is disposed on the court's docket, or the client becomes ineligible for representation under this contract. TRGPD may provide representation and other legal services to existing or prior clients for post-trial matters, other than appeals, at its sole discretion. Post-trial or post-conviction services other than appeals, modifications, status hearings, admonishments, or other representation requested by the Court, shall not be deemed additional or separate cases for purposes of TRGPD caseload calculations.

g. TRGPD will contract, hire or employ all personnel necessary to perform the services that this contract requires including those with criminal defense, investigatory, and immigration expertise, and shall maintain an appropriate and reasonable number of attorneys and support staff to perform its contract obligations. Any funding from TIDC used for immigration attorney advice shall be limited to advisals related to the immigration consequences of the criminal case and related matters and shall not extend to representation in the immigration case. TRGPD will use due diligence to hire, assign, associate and train attorneys who are qualified to provide competent and effective services to the clients served hereunder.

h. If an attorney position is vacant, TRGPD may, in its sole discretion, utilize funds designated for the vacant attorney position to contract attorneys on a time limited basis to serve as lead counsel on cases assigned to TRGPD pursuant to this contract. Upon hire of the attorney positions, TRGPD must revert appropriations designated for the attorney positions back to the designated line items in EXHIBIT A. Once the attorney position(s) is/are hired, TRGPD will assess whether to have the contract attorney complete the representation or have staff attorneys complete the representation. In the event that the contract attorney is to continue representation, sufficient funds will be earmarked from the vacant position budget line items to complete the representation.

i. Contract attorneys are not employees of TRGPD and therefore will not receive fringe benefits.

i. TRGPD will ensure that each attorney who represents a client pursuant to this agreement provides competent, zealous legal services to each client in accordance with the attorney's responsibilities under the Texas Disciplinary Rules of Professional Conduct, the Texas Code of Criminal Procedure, and the federal and Texas Constitutions. All TRGPD attorneys agree to strive to provide constitutionally effective assistance of counsel to the client regardless of what business relationships or funding sources result in their work for indigent criminal defendants. All TRGPD attorneys understand that failure to zealously represent each client's interests and each client's interests alone may carry legal and license consequences.

j. TRGPD shall provide adequate supervision of less experienced attorneys by more experienced attorneys and shall conduct periodic performance reviews and evaluations of the attorneys assigned to cases.

k. Services of Experts and Other Consultants.

i. TRGPD may engage expert witnesses, stenographers and technical consultants to perform reasonable and necessary services under this contract, utilizing the designated expert and litigation budget as outlined in EXHIBIT A. Should TRGPD need additional expert funds, in excess of the amounts budgeted for this contract, TRGPD may seek additional county funding from the court before which each case is pending by proper motion.

ii. For cases in which a competency evaluation is necessary under the Code of Criminal Procedure 46B or 46C, the county shall pay for the court ordered evaluation services as provided under the Code of Criminal Procedure.

5. Appointment of Cases.

TRGPD shall begin accepting case assignments under this agreement on May 27, 2026, subject to its capacity limitations during the ramp up period.

a. During the period of this agreement TRGPD shall notify the participating counties immediately upon determining that:

i. One or more courts are not assigning cases to the Maverick RPD for which the program has capacity for accepting additional assignments; or,

ii. TRGPD will reach its total contract quota of cases before the expiration of a term of this contract, requiring it to pause accepting appointments until the rate of appointments returns to that assumed by this contract's quota. TRGPD will rely on the monthly appointment rates as shown in EXHIBIT A in determining whether it must pause appointments for the RPD, a specific attorney employed by the RPD, or both.

iii. In either circumstance described in Sections 5(a)(i) or 5(a)(ii), the Maverick RPD Oversight Committee, within 30 days of receiving written notice from TRGPD, shall convene a meeting of representatives of TRGPD, the counties and applicable courts to develop a plan for effective utilization of the Maverick RPD resources or adjustment of the contract.

b. Orders of appointment will be sent to TRGPD within the timeframes specified in Article 1.051 of the Texas Code of Criminal Procedure along with all documents related to the case then in existence, including, but not limited to, the following:

i. Complaint, Information and/or Indictment;

ii. Order appointing counsel;

iii. Magistrate's Warning;

iv. Defendant's Affidavit of Indigence;

v. Inmate Mental Condition Report to Magistrate;

vi. Affidavit and Complaint for Warrant of Arrest; and

vii. All other documents in the Justice of the Peace, County and/or District Court file.

6. Contract Amount and Payments. The total contract amount of this agreement is **One Million, Five Hundred Twenty-Two Thousand, Forty-Six Dollars ($1,522,046)** for the contract term (**May 27, 2026 – March 31, 2027***), reflecting the FY '26 Extension Budget (Director of Operations Reallocation, as further revised for the March 31, 2027 extension) set out in EXHIBIT A. [Original contract amount: $1,522,045 for fiscal year 2026 (May 27, 2026 – September 30, 2026); the contract was subsequently extended to February 28, 2027 and is now further extended to March 31, 2027. Total cost remains materially unchanged across each revision — funds are reallocated among line items rather than increased.]*

a. Maverick shall advance TRGPD an amount equal to the anticipated operating expenses for the first fiscal quarter (three months) based on the annual contract value upon Maverick receiving funds for this purpose from TIDC. For the first quarter of the second and subsequent fiscal years of program operations, Maverick shall advance TRGPD an amount equal to the projected actuals less cash on hand. TRGPD must provide supporting documentation and the basis for the projected costs.

b. TRGPD will report to Maverick, at least quarterly, actual eligible expenses incurred, which will be deducted from the amount advanced. Additional advance requests may be submitted after two months of actual expenses incurred and reported. Balance of cash on hand (income received less expenses reported) and program income (income generated or earned as a result of program activities) will be required for processing any advance request. To be considered for an advance payment, TRGPD must be current with all required reports.

c. When submitting a request for an advance payment, TRGPD must submit an up-to-date (1) financial report including the required TIDC reporting data; (2) cash on hand report using the Cash on Hand Analysis form; and (3) Statement of Activities for the fund. Requests for an advance of contract funds may be denied, and an expense reimbursement system may be implemented, if required reports are not submitted. Maverick will not advance funds to TRGPD if it would result in TRGPD having an advanced fund balance of more than three months, or the contract term balance if less than three months, of the contract's budgeted costs.

d. Maverick agrees to review all reports received from TRGPD and will notify TRGPD in writing if there are any issues to resolve, including if additional information is needed, to process either an advance or reimbursement for actual expenses incurred. Maverick must process payment to TRGPD within seven (7) business days of receiving reimbursement from TIDC.

e. TRGPD must use any program income to offset eligible program costs. Program income shall not increase the total program budget. Program income will reduce advance payments by an equivalent amount.

f. EXHIBIT A, attached hereto, reflects TRGPD's staffing budgets per county for this contract. Staffing changes or budget adjustments, which consist of reallocations of funds among or within budget categories in excess of $10,000 or ten percent of the original approved budget category, whichever is less, are considered budget adjustments and must be agreed to in writing by both parties. Title changes in attorney line-item positions do not require approval by the counties provided that the line item does not result in a reallocation of funds among or within budget categories in excess of $10,000 or ten percent of the original approved attorney line-item position.

7. Carry-Over.

If on March 31, 2027, or at the conclusion of any twelve-month period thereafter, there is a surplus of funds, TRGPD shall deduct any surplus from its next invoice after the close of the contract year, and from invoices for subsequent months if necessary. In the event the contract is not renewed, TRGPD will return any surplus to the County pursuant to the wind-down procedure described herein.

8. Reporting, Accounting and Recordkeeping.

a. Within one month of the execution of this Agreement, TRGPD must provide Maverick County and the Maverick RPD Oversight Committee, with its policies and procedures related to representation covered by this agreement.

b. TRGPD will provide a quarterly report to Maverick County, TIDC, and the Maverick RPD Oversight Committee, according to the schedule below, and on or before the 15th day of the month, following the conclusion of a quarter, if this agreement is auto-renewed or extended. The quarterly reporting shall include:

i. Financial reporting showing budgeted vs. actual expenditures, and the status of funds not expended,

ii. Programmatic reporting based on metrics identified by TIDC, and

iii. Staffing reporting that documents job title, hire dates, separation dates, transfers, vacancies, percentage of time dedicated to the Maverick RPD, and actual salaries and fringe benefits for each funded and filled position, or projected salaries for vacant positions.

c. TRGPD staff shall maintain current information, including pleadings and other case-related documents, on each case. That information shall be made available to the Maverick RPD Oversight Committee, under circumstances and in a format that does not require a client to waive the attorney-client privilege, or the attorney to violate the confidentiality standards of the profession, Tex. R. Prof. Conduct 1.05, or any other provision of law.

d. TRGPD will provide a monthly report to the Maverick RPD Oversight Committee, with updates on the number of cases that have been accepted, the number of cases that have been disposed, and the status of the pending accepted cases.

e. TRGPD will record attorney and support staff work time in a manner that allows for accurate completion of the Indigent Defense Expenditure Report (IDER) and Public Defender Addendum (PD Addendum) as the County is required to submit to TIDC. The records must contain sufficient detail to allocate time and salary across the categories of offenses and to document the number of cases disposed by each attorney funded under this contract. Data covering each fiscal year (October 1 to September 30) for the IDER and PD Addendum shall be submitted to Maverick County no later than the 22nd day of October in the following fiscal year.

f. TRGPD shall designate a single point of contact with at least read-only access and general knowledge of the organizational finances regarding contract management, monitoring, and financial data reporting and to respond to the contract terms and deliverables.

g. TRGPD shall maintain financial records on an accrual basis and shall make such records pertaining to this agreement available to the County's representatives upon reasonable request.

h. TRGPD shall preserve all assignment, financial and case service records for a period of seven years from the date the case is closed.

i. TRGPD shall ensure that all attorneys hired under this contract will submit their annual percentage of practice reporting to TIDC no later than the 15th day of October for the preceding fiscal year.

9. Independent Contractor.

a. TRGPD is an independent contractor that shall complete the requirements of this contract according to its own means and methods of work, including individual case assignments, which shall be in the exclusive charge and control of TRGPD and which shall not be subject to control or supervision by the County or any judge, except as required by a Court's statutory, constitutional and inherent powers associated with the hearing and disposition of criminal cases, or as otherwise specified in this contract.

b. The Maverick RPD Oversight Committee, created by county officials and judges, may recommend to the Commissioners Court what modifications should be sought as to this contract, may monitor the caseload of TRGPD, may determine whether this contract has been violated, and may recommend removal of the public defender program to the Commissioners Court.

c. Neither the Maverick RPD Oversight Board, the Commissioners Court, the judges, nor the local defense bar may interfere with the administration or management of TRGPD, nor require TRGPD to hire, discipline or fire employees, or otherwise interfere with office operations or policies.

d. A judge may have authority to remove an attorney in a specific case if the court finds that the attorney has failed to provide representation that meets constitutional and professional standards; in such circumstances, TRGPD retains the authority to assign a replacement attorney for the client.

10. Non-discrimination.

a. TRGPD will not engage in employment practices which have the effect of discriminating against employees or prospective employees because of age, race, color, national origin, sex, sexual preference, disability, or religion.

11. Impossibility of Performance.

a. Neither party shall be responsible for delay or default caused by theft, fire, flood, riot, war or other casualty, if the delay or default was beyond the party's reasonable control.

b. In the event of circumstances beyond a party's control that may render timely performance by that party impossible under Sec. 11.a, either party may terminate this contract, or the affected party, by written notice.

12. Wind-Down Procedures.

a. Effective Date of Termination. Unless otherwise agreed upon in writing by the parties, if this agreement is terminated by written notice under Sec. 2, the "effective date" of termination is March 31, 2027.

b. Unless otherwise agreed upon in writing by the parties, if this agreement is terminated by mutual agreement under Sec. 2, the "effective date" of termination is ninety (90) days after such mutual agreement is memorialized in writing, or twenty (20) days if termination of the contract is based upon non-award of TIDC grant funding.

c. Unless otherwise agreed upon in writing by the parties, if this agreement is terminated by a party under Sec. 2, the "effective date" of termination is ninety (90) days after written notice is received by the non-terminating party, or twenty (20) days if termination of the contract is based upon non-award of TIDC grant funding.

d. Upon receipt by a party of a notice of intent to terminate this agreement, no further cases shall be assigned or accepted as of the date such notice is received, or as otherwise agreed in writing between the parties.

e. TRGPD shall act in good faith to complete timely and adequate legal services on all existing cases assigned before the effective date of termination of this contract.

f. TRGPD shall promptly notify all clients with pending cases of the notice of termination.

g. TRGPD will file appropriate motions to withdraw with the court in which the case is pending and seek the appointment of private counsel for the defendant.

h. Payment after the Effective Date of Termination.

> i. In the event that this agreement is not auto-renewed or upon termination of this contract and there are cases in which TRGPD is not permitted to withdraw by the court before whom the case is pending, Maverick County shall continue to reimburse TRGPD for all actual personnel and non-personnel expenses incurred to resolve all cases still pending after the conclusion of the agreement, or upon conclusion of the final extension or renewal of this agreement, along with projected expenses that TRGPD is likely to incur for costs associated with the termination of employees such as severance and vacation/sick time pay, as TRGPD is required to pay under the TRGPD Collective Bargaining Agreement. TRGPD will not be paid amounts in excess of the total contract amount or TRGPD's actual program expenditures, whichever is less.

i. If the County does not renew the Agreement, TRGPD will use the designated severance funds to pay severance for all employees assigned to the contract when their line item is eliminated. If severance is not used because the employee remains employed by TRGPD, TRGPD will return the severance received from the County associated with that employee.

j. Upon the conclusion of TRGPD's responsibilities under this agreement, the conclusion of the final extension or renewal, including the closing down or winding of operations and disposing of all remaining and pending cases, any unused funding for the Maverick RPD will be returned to Maverick County within 90 days of the end of the contract term or the final date on which operations and cases are closed and disposed of, whichever is later.

It has since been further revised to extend the contract term to March 31, 2027: Managing Public Defender, Paralegal 1, and Investigator 1 are increased from 12 to 14 months of salary, funded by zeroing every severance line plus an additional cut to Felony Public Defender 1; Office Space, Office Utilities, and Investigator 2 are extended by the additional month, offset by a further cut to the still-vacant Case Worker line; and Fringe Benefits and Indirect are held fixed at their pre-March-2027 amounts. Total contract cost is unchanged from the prior budget.

Next Upcoming	Take all appropriate action to authorize Maverick County Judge to execute a letter to the Federal Highway Administration to terminate Safe Streets For All Grant Program Awarded to Maverick County.

SPONSORED BY:	DEPARTMENT HEAD REQUESTING:
Maverick County Judge	Isaak Ruiz - Grants

BACKGROUND/PREVIOUS ACTION:

Maverick County received a grant award for $120,000 with a $30,000 match. Maverick County would need to first make the expenditure and request reimbursement from the Federal Highway Administration under this funding opportunity.

COST:	BUDGETED LINE ITEM:

RECOMMENDATION FROM DEPARTMENT DIRECTOR:

The recommendation would be to see if the county can get out of the financial constraints it finds itself currently in to see this funding opportunity through. The contract ends on 11/2027. Although this is my recognition, it is recognized this will be a difficult task and the county can always reapply for this funding opportunity in the future.

Re: Termination of Safe Streets For All - Federal Award #693JJ32640199 FHA

To whom it may concern,

Maverick County regrets to inform the Federal Highway Administration that Maverick County must terminate Federal Award #693JJ326640199 for the Safe Streets For All Grant Program.

Since the grant was awarded, the county has faced a series of unforeseen financial pressures that we did not anticipate at the time of acceptance. Maverick County is self-funded with respect to insurance, and as a result, we have had to absorb a significant amount of insurance claim costs directly through our own budget rather than through a third-party carrier. In addition, the cost of fire and EMS services, which are provided to our residents through an arrangement with the City of Eagle Pass since the county does not operate its own fire or EMS department, has increased substantially. Taken together, these two factors have placed considerable and unanticipated strain on the county's finances.

Given these circumstances, the county is currently operating under a constrained budget and is in the process of evaluating cuts across multiple departments in order to remain financially stable. As a result, we are not in a position to front project expenditures and await reimbursement, as doing so would risk compromising payroll and other essential county obligations.

We want to be fully transparent with your office about these circumstances, and we are happy to provide any additional documentation or information that would assist in your review of this matter. Thank you for your understanding and continued support. Please do not hesitate to contact us with any questions.

Subject: Re: Assistance to Resolve National Fitness Campaign PO and Fitness Court Project

Judge, Isaak, and Maverick County team,

Following the May 30, 2026 deadline and the absence of an approved path to complete procurement, National Fitness Campaign will now proceed with recovery of the Fitness Court, which remains NFC property.

Pickup:
NFC will retrieve the equipment the week of August 3, 2026. Danny Hunsaker will coordinate logistics directly with Isaak. We ask the County to confirm site access and provide the photo inventory of stored items requested on June 4 by July 17.

Fees:
Shipping and restocking charges of $15,000 will apply, plus any charges resulting from equipment condition after two years in storage, assessed upon return. An invoice will follow.

If the County or the City of Eagle Pass executes a compliant procurement path in full before July 24, 2026, we will suspend recovery. Absent that, pickup proceeds as scheduled.

NFC reserves all rights regarding the condition of the equipment and amounts owed.

We appreciate Isaak's consistent effort throughout this process and ask for the County's cooperation in bringing this to an orderly close.

Thank you,

It was discussed but there was no directive to work within our departments to come up with a solution to the issue. I did present that NFC is more than willing to work with us to get this issued handled but the county auditor does not feel comfortable with paying for the court. We do have the funding in our possession in the form of the check we received from the City of Eagle Pass but I think there was also issues that arose from that. I was expecting the item to be set in the upcoming commissioner court tomorrow but it did not make it into the agenda. I will once again request it be placed on the agenda to see if we can get some resolution from commissioner court. I apologize and thank you for your understanding and patience.

Hi Isaak and Jude Ramsey,

As we reach May 14 , we are two weeks from the final deadline on the project. Our National Committee has instructed me to make contact with leadership at Eagle Pass to ascertain an update on their considerations, and also asked I follow up with Maverick County.

Can you kindly share an update by end of business tomorrow, May 15th on the status regarding finding a resolution to bring this wellness resource to the community?

As mentioned previously, we continue to standby to consider all options within the timeframe and deadline.

You don't often get email from trent@nfchq.com. Learn why this is important

Good Afternoon Ms. Barrientos,

My name is Trent Matthias, Executive Director of National Fitness Campaign. I am reaching out to provide further support to Danny Hunsaker and our team to resolve remaining paperwork requirements with issuing the PO to National Fitness Campaign so the County can proceed with the outdoor Fitness Court Project.

We are seeking to resolve this matter in the coming days, given that the City of Eagle Pass has now transferred the required funds. The Blue Cross Blue Shield of Texas - NFC Grant Funding remains committed but is soon expiring due to the long term delays on proceeding with issuing NFC the PO for the remaining funds. We are eager to help get this important community wellness project under construction and open in early 2026 to support the residents of Maverick County.

I just had a chance to speak with Mr. Ruiz, who was kind enough to share the latest update on the status. It is our understanding that we have a few items to sort out with the final quote and terms in order to ensure the PO can be issued by the County, per Mr. Grove (3rd party legal counsel) feedback. Our team had an initial call with Mr. Grove, but we have been unsuccessful getting back in touch in the past few weeks. We know this is a busy time of the year.

I have extensive experience assisting with these requirements across the country, and executive authority to assist, and would like to commit time for a short 15 or 20 minute call with the Auditor's office and Mr. Grove so we can arrive at an acceptable resolution that aligns with County requirements and procedures.

Mr. Grove and Ms. Barrientos, could you kindly share your availability for a short phone call within the next two business days, on Thursday December 11th or Friday December 12th? We will accommodate your schedules to assist with this important matter.

Thank you,
Trent

Emergency Services District (ESD)

Maverick County, Texas

Problem Statement

Maverick County is responsible for ensuring the health, safety, and public welfare of all residents living within its boundaries, particularly across unincorporated communities that lack municipal governance. Currently, the county does not operate an independent, county-managed Fire or EMS department.

To fulfill critical emergency response needs, Maverick County relies entirely on interlocal service agreements with the City of Eagle Pass to provide fire protection and EMS coverage. This arrangement forces the county to absorb escalating contract costs paid directly from its General Fund. Because these service fees are tied to municipal rates and operational overhead beyond the county's direct fiscal control, the expense has become a primary driver of Maverick County’s ongoing financial hardship.

What is an Emergency Services District (ESD)?

An ESD is a local political subdivision authorized by the Texas Constitution (Article III, Section 48-e) and Chapter 775 of the Texas Health and Safety Code. It provides dedicated funding for emergency services, including fire protection, rescue, and Emergency Medical Services (EMS), to specified geographic areas, particularly unincorporated county regions.

Relief for the County General Fund

- ESDs operate as independent political entities. They do not draw from the county's General Fund, freeing up county revenue for roads, law enforcement, and infrastructure.
- ESDs are funded via local ad valorem (property) taxes capped by the Texas Constitution at $0.10 per $100 evaluation. They can also collect sales tax (if approved by voters and local tax limits allow).

Governance & County Oversight

- Commissioners Court retains control over leadership by appointing a 5-member Board of Emergency Commissioners from the local community to serving two-year staggered terms.
- The ESD board must file annual financial audits with Commissioners Court by June 1 and comply with the Texas Open Meetings Act and Public Information Act.

Benefits to Maverick County Residents

- Dedicated funding secures apparatus, full-time/volunteer staffing, and upgraded stations.
- Grant funding is available to apply for equipment and personnel.
- Enhanced fire protection improves the area's Insurance Services Office (ISO) rating, leading directly to reduced property insurance premiums for rural homeowners and businesses.
- Reduction in costs incurred by County General Fund.
- Will cover rural and unincorporated Maverick County. (Not within City of Eagle Pass City Limits.

GRANT AGREEMENT
Rural Ambulance Service Grant Program
Award # IA-0000003068

This grant agreement ("Agreement") is entered into by and between the Texas Comptroller of Public Accounts ("CPA") and Maverick County ("Grantee"), located at 500 Quarry Street, Eagle Pass, Texas, 78852. For purposes of this Agreement, CPA and Grantee are sometimes collectively referred to as the "Parties" or individually as a "Party."

I. Background

The 89th Texas Legislature (Regular Session) passed House Bill 3000, which establishes a grant program to provide financial assistance to qualified ambulance service providers in certain rural counties (the "Program"). House Bill 3000 added Section 130.914 to the Local Government Code, under which CPA has authority to establish and administer the Program and provide financial assistance to qualified applicants.

Grantee timely applied for a grant, and CPA has reviewed and approved Grantee's application. Grantee further warrants that it is eligible to participate in the Program.

The Parties desire to set forth their mutual expectations and obligations for participation in the Program, and in consideration of Grantee's compliance with all requirements of this Agreement, CPA awards this Agreement to Grantee and the Parties do hereby represent, covenant, and agree as follows:

II. Authority

This Agreement is entered into pursuant to the authority granted in Section 130.914 of the Local Government Code, and is funded by state funds appropriated by the state legislature.

III. Grant

In consideration of the various obligations to be undertaken by Grantee, CPA awards Grantee the amount of $ 350000.00 ("Grant"), to be disbursed to Grantee for the purpose of reimbursing allowable costs for Program implementation, subject to the following:

1. Grant funds may only be used for the state purpose of ensuring adequate ground ambulance services, and may further only be expended on the authorized uses set forth in Part VI of this Agreement (Authorized Uses of Grant Funds);
2. Grantee must fully comply with the requirements of Part V (Requirements Related to Approved Rural Ambulance Service Provider) of this Agreement;
3. Grantee must fully comply with all terms and conditions of this Agreement; the requirements of Section 130.914 of the Local Government Code; the provisions of the Texas Grant Management Standards ("TxGMS"), or their successor, adopted in accordance with Texas law; and all applicable state or federal statutes, rules, regulations, or guidance applicable to this Grant, including 34 Texas Administrative Code (TAC), Part I, Chapter 16, Subchapter F; and
4. Grantee may not reduce funding provided to its qualified rural ambulance service provider for the fiscal year following Grantee's receipt of Grant funds under this Agreement.

IV. Term

This Agreement is effective on the date signed by CPA ("Effective Date"), after first having been signed by Grantee, and expires five (5) years thereafter, unless terminated earlier in accordance with other provisions of this Agreement.

V. Requirements Related to Approved Rural Ambulance Service Provider

A. **Subagreement Required for Third-Party Rural Ambulance Service Providers.** The requirements of this Part V.A apply if the qualified rural ambulance service provider (as defined by 34 TAC §16.500(13)) designated in Grantee's application for the Grant and approved by CPA is a third party (i.e., if Grantee does not self-perform the ground ambulance services contemplated by this Agreement).

1. **Subagreement Required Prior to Expenditure of Grant Funds.** Prior to expenditure of any Grant funds, Grantee must enter into a written agreement ("Subagreement") with the CPA-approved rural ambulance service provider.
2. **Subagreement Requirements.** The following requirements apply to the Subagreement:
   a. The Subagreement must require the rural ambulance service provider to provide ground ambulance services on behalf of Grantee and in accordance with the requirements of Section 130.914 of the Local Government Code and 34 TAC, Part I, Chapter 16, Subchapter F.
   b. The Subagreement must require compliance with and expressly incorporate applicable requirements of this Agreement, including all requirements of Part IX (Equipment; State Interest) of this Agreement.
   c. The Subagreement must be in effect for at least the remaining period of this Agreement. If applicable, Grantee will submit in its compliance report (see Section VIII.A of this Agreement, Annual Compliance Reports) documentation confirming that a Subagreement scheduled to expire during the term of this Agreement has been extended, renewed, or replaced by an agreement that meets the requirements of this Agreement.
   d. Notification of an executed Subagreement will be provided to CPA. Grantee will provide the executed Subagreement to CPA upon request.
3. **Termination or Expiration of Subagreement.** Grantee must notify CPA in writing of the termination or expiration of any Subagreement that occurs during the term of this Agreement. Upon any such expiration or termination of a Subagreement, Grantee may not expend any Grant funds without CPA's subsequent written approval.

B. **Substitution of Approved Rural Ambulance Service Provider.** Grantee may not substitute or replace the CPA-approved rural ambulance service provider under this Agreement without CPA's written preapproval. If CPA provides any such written preapproval of a substitute rural ambulance service provider, Grantee must, prior to Grantee's expenditure of Grant funds or the substitute rural ambulance service provider's use of any grant-funded equipment, comply with all requirements of this Part V.

VI. Authorized Uses of Grant Funds

The Grant may only be used to purchase:

1. additional ambulances (as defined by 34 TAC §16.500(2)), including necessary accessories (as defined by 34 TAC §16.500(1)) and modifications;
2. necessary accessories (as defined by 34 TAC §16.500(1)) and modifications to refurbish ambulances that the Grantee or its qualified rural ambulance service provider currently possesses; and

3. necessary registration fees.

VII. Payment

A. **Advance Payment.** CPA will disburse the Grant funds as soon as practicable following the Effective Date. By making advance payment, CPA does not waive any requirements for the reimbursement of costs. Upon CPA's request, Grantee will submit records in support of reimbursement requests.

B. **Eligibility for Cost Reimbursement.** CPA will reimburse Grantee for necessary and reasonable allowable costs paid by Grantee in performance of this Agreement. Allowable costs are restricted to costs that comply with the Agreement, TxGMS, and state law. The parties agree that all the requirements of TxGMS apply to this Agreement, including the criteria for allowable costs.

C. **Pre-award Costs.** Grantee may only use funds to cover costs incurred after the Effective Date, unless otherwise specifically approved in writing. All costs incurred by Grantee before the Effective Date are incurred voluntarily, at Grantee's own credit and expense.

D. **Expenditure of Grant Funds and Return of Unspent Funds.** Grantee must expend Grant funds during the term of this Agreement, and Grantee agrees to return to CPA any unspent Grant funds upon termination or expiration of the Agreement. Grantee will return any such funds in accordance with CPA instructions.

E. **Program Income.** Subject to the provisions of Section VII.F of this Agreement, "Program Income" has the meaning set forth in TxGMS, and includes, but is not limited to, income from the use or rental of personal property acquired or improved with Grant funds. Program Income generated under or resulting from this Agreement may only be used for Program purposes and on allowable costs under this Agreement. Upon termination or expiration of the Agreement, Grantee must return any unexpended Program Income to CPA. Grantee will report generation and use of Program Income to CPA in the compliance reports required under Section VIII.A of the Agreement.

F. **Deposit of Funds.** Whenever possible, Grant funds must be deposited and maintained in insured, interest-bearing accounts. Interest earned on Grant funds is not considered Program Income, and Grantee must use any accrued interest for Program purposes only and on allowable costs under this Agreement.

VIII. Reporting and Compliance

A. **Annual Compliance Reports**. Grantee must submit a compliance report no later than 60 days following each anniversary of the Effective Date of this Agreement, and, if applicable, the early termination of the Agreement. Grantee must use CPA's electronic form to submit compliance reports. In all compliance reports, Grantee must certify compliance with the Agreement, detail expenditures of Grant funds, submit evidence of continued ground ambulance services, and provide any other information required by CPA. CPA may require supporting documentation regarding expenditures and any other information required to substantiate that Grant funds are being used for the intended purpose and that Grantee has complied with the terms, conditions, and requirements of applicable law, this Agreement, and 34 Texas Administrative Code, Chapter 16, Subchapter F. Grantee must submit any information requested by CPA within fourteen (14) calendar days of the request.

B. **Remedies for Noncompliance.** If CPA finds that Grantee has failed to comply with the terms and conditions of this Agreement or any other requirement described in Part III of the Agreement, CPA may:

1. require Grantee to cure the failure to comply to the satisfaction of CPA;
2. require Grantee to return some or all of the Grant;
3. withhold funds from the Grant or future grants awarded to Grantee until the deficiency is corrected;
4. disallow all or part of the noncompliant cost;
5. terminate the Agreement in whole or in part;
6. bar Grantee from future consideration for grants under 34 Texas Administrative Code, Chapter 16, Subchapter F; or
7. exercise any other legal remedies available to CPA under this Agreement, at law, in equity, or otherwise.

IX. Equipment; State Interest

A. **State Interest in Equipment Acquired under Agreement; State Interest Period.** For purposes of this Agreement, "equipment" has the same meaning and definition set out in TxGMS. There is a State Interest in all equipment acquired or improved under this Agreement, and the State Interest Period is the period during which Grantee (or any subrecipient, as applicable) will hold in trust for the beneficiaries of the Grant all equipment acquired or improved under this Agreement. The State Interest in all equipment acquired or improved under this Agreement will start upon acquisition or improvement thereof, and continue for a period of ten (10) years thereafter.

B. **Property Trust Relationship.** Pursuant to the requirements of TxGMS and in recognition that this Agreement is executed for the benefit of the public being served by the Grant, for the duration of the State Interest Period, Grantee (and any subrecipient) must hold Grant-funded equipment in trust for the beneficiaries of the Grant.

C. **General Requirements for Equipment.** Title to equipment acquired or improved with Grant funds ("Project Property") vests in Grantee (unless CPA approves otherwise in writing), subject to the following conditions:

1. Grantee and any subrecipient must use and manage Project Property in accordance with applicable law and TxGMS;
2. Grantee and any subrecipient must use Project Property for Program purposes, and may not use Project Property for any other activities unless CPA approves otherwise in writing;
3. For the duration of the State Interest Period, Grantee and any subrecipient must use Project Property for the exclusive benefit of the public served by the Grantee, unless CPA approves otherwise in writing;
4. For the duration of the State Interest Period, Grantee and any subrecipient (as applicable) must comply with the insurance coverage requirements of applicable law, this Agreement, and TxGMS;
5. Project Property may not be encumbered with the prior written approval of CPA; and
6. Grantee (on its own or any subrecipient's behalf) must obtain written disposition instructions from CPA when Project Property is no longer needed for the Program, or when the Grant expires or terminates, unless the per unit fair market value of the Project Property is less than $10,000.

D. **Procurement of Equipment.** Procurement of equipment with Grant funds must comply with requirements of applicable law and TxGMS, including, if applicable, competitive selection requirements and the General Procurement Standards.

E. **Noncompliance and Survival.** If Grantee fails to comply with the requirements of TxGMS or this Part IX (Equipment; State Interest), Grantee must request disposition instructions from CPA pursuant to TxGMS. This Part IX (Equipment; State Interest) shall survive the termination or expiration of this Agreement.

X. Records, Access, and Audits

A. **Right to Audit.** The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Agreement or indirectly through a subcontract under the Agreement. The acceptance of funds directly under the Agreement or indirectly through a subcontract under the Agreement acts as acceptance of the authority of the state auditor (or any successor agency), under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Grantee will ensure that this clause concerning the authority to audit funds accepted under this Agreement and the requirement to cooperate is included in any subcontract it awards. CPA further reserves the right to monitor Grantee's compliance with the requirements of this Agreement.

B. **Records Retention.** Grantee will maintain and retain all records relating to the performance of the Agreement, including supporting fiscal documents adequate to ensure that claims for grant funds are in accordance with applicable State of Texas requirements. These records will be maintained and retained by Grantee for a period of four (4) years after the Agreement expiration date or until all audit, claim, and litigation matters are resolved, whichever is later. CPA reserves the right to direct Grantee to retain documents for a longer period of time or transfer certain records to CPA custody when it is determined the records possess longer term retention value. Grantee must include the substance of this clause in all subawards and subcontracts.

C. **Audit Requirements.** Funds allocated in connection with this Agreement are considered to be state financial assistance for the purpose of determining the audit requirements under TxGMS. If Grantee expends more than $1,000,000 in state grant awards, including this Agreement, during its fiscal year, Grantee must complete an annual independent financial audit or program-specific audit in accordance with TxGMS. All audits must be conducted in accordance with generally accepted government auditing standards (GAGAS). Grantee's audit reporting package must be provided to CPA as specified in TxGMS. Grantee agrees that in the event of any audit findings related to state awards provided by CPA, Grantee will inform CPA within two (2) business days following Grantee's receipt of any written audit findings or reports (whether in draft or final form), and thereafter submit any documentation related to the audit findings upon CPA's request (including, but not limited to, a copy of the final audit report, a response to the current status of the prior year's questioned costs, copies of management letters written as a result of the audit, and action plans, if any).

XII. General

A. **Insurance.** Unless prohibited by law, Grantee will require its contractors and subrecipients to obtain and maintain for the term of this Agreement adequate insurance coverage sufficient to protect Grantee and CPA from all claims and liability for injury to persons and for damage to property arising from the Agreement.

B. **Texas Public Information Act.** Grantee understands that CPA will comply with the Texas Public Information Act (Chapter 552 of the Texas Government Code) as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas. Information, documentation, and other material in connection with this Agreement may be subject to public disclosure pursuant to the Texas Public Information Act. In accordance with Section 2252.907 of the Texas Government Code, Grantee is required to make any information created or exchanged with the State of Texas pursuant to the Agreement, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State.

C. **Funding Limitation.** The Agreement shall not be construed as creating a debt on behalf of CPA in violation of Article III, Section 49a of the Texas Constitution. All obligations of CPA under the Agreement are subject to the availability of grant funds. The Agreement is subject to termination or cancellation, either in whole or in part, without penalty to CPA if such funds are not appropriated or become unavailable. Grantee will ensure that this clause is included in all subawards and subcontracts.

D. **No Conflicts of Interest.** Grantee represents and warrants that performance under this Agreement will not constitute an actual or potential conflict of interest or reasonably create an appearance of impropriety. Further, Grantee represents and warrants that in the administration of the Agreement, it will comply with all conflict-of-interest prohibitions and disclosure requirements required by applicable law, rules, and policies, including Chapter 176 of the Local Government Code.

E. **No Waiver.** This Agreement shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to either Party as an agency or political subdivision of the State of Texas or otherwise available to the Party. The failure to enforce or any delay in the enforcement of any privileges, rights, defenses, remedies, or immunities available to a Party under this Agreement or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel.

F. **Compliance with Laws, Rules, and Requirements.** Grantee represents and warrants that it will comply, and assure the compliance of all its subrecipients and contractors, with all applicable laws, rules, and regulations, and all terms and conditions established by CPA and the State of Texas with respect to the use of Grant funds.

G. **Grantee's Responsibility for Subcontractors.** All acts and omissions of subcontractors, suppliers, and other persons and organizations performing any work under a direct or indirect contract with Grantee shall be considered the acts and omissions of Grantee. Grantee represents and warrants that it will maintain oversight to ensure that subcontractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

H. **Grantee's Responsibility for Subrecipients.** Grantee represents and warrants that it will monitor the activities of any subgrantee as necessary to ensure that subawards are used for authorized purposes, in compliance with applicable statutes, regulations, and the terms and conditions of the subaward, and that subaward performance goals are achieved.

I. **Force Majeure.** Neither Party shall be liable to the other for any delay in, or failure of performance, of any requirement included in this Agreement caused by force majeure. Upon timely notice by the non-performing Party, the existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing Party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, pandemic/quarantine orders or other causes that are beyond the reasonable control of either Party and that by exercise of due foresight such Party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such Party is unable to overcome. The non-performing Party must provide evidence of any failure resulting in impossibility to perform upon request.

J. **Governing Law and Venue.** This Agreement is governed by and construed under and in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under this Agreement is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is other identified in a statute that directly names or otherwise identifies its applicability to CPA.

K. **Dispute Resolution.** The dispute resolution process provided in Chapter 2009 of the Texas Government Code is available to the Parties to resolve any dispute arising under the Agreement.

L. **Termination for Convenience.** CPA may terminate this Agreement, in whole or in part, for convenience without the payment of any penalty or incurring any further obligation or liability to Grantee. CPA's termination for convenience under this section may be for any reason or no reason at all.

M. **Independent Contractor.** The Parties agree that each Party is contracting as an independent contractor.

N. **Assignment.** No assignment of this Agreement or of any right accruing hereunder shall be made, in whole or part, by either Party without the prior written consent of the other.

O. **Headings.** The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of the Agreement.

P. **Survival.** The expiration or termination of this Agreement shall not affect the rights and obligations of the Parties accrued prior to the effective date of expiration or termination and such rights and obligations shall survive and remain enforceable.

K. **Legal Authority.** Grantee represents that it possesses legal authority to apply for the Grant. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. The Rural Ambulance Service Grant Program, authorized by H.B. 3000 in the 89th Legislative Session, provides funds for rural counties to purchase ambulances, including necessary accessories and modifications.

When applying for the grant, the county may list up to two qualified rural ambulance service providers on the application. The service provider may be a private safety entity or a public agency, but must be licensed by DSHS to provide emergency medical services, and be operating predominantly in the county to be considered an eligible qualified service provider under the grant program. The service provider listed first in the application should be the county's preferred choice for the award.

If anyone other than the grantee (county) performs ground ambulance services for the county, the grantee is required to enter into a written agreement with the approved service provider. Per the grant agreement with the Comptroller, that written agreement (called a "Subagreement" in the grant agreement) between the grantee and approved service provider must incorporate applicable requirements of the HB 3000 grant. Please see the attached document that contains minimum requirements for the Subagreement, and submit a copy of the Subagreement in the county's annual compliance report. Under the grant agreement with the Comptroller, counties may not spend any grant funds until the Subagreement with the approved service provider is fully executed, if applicable.

As a reminder, the county must order the ambulance and keep all grant funds in its possession. Additionally, the county is required to own the ambulance, and there is a state interest in any grant-funded ambulance for a period of ten years from the date of acquisition or improvement of the ambulance. See Section IX. Equipment; State Interest of the grant agreement with the Comptroller and corresponding provisions in the attached document for information on this state interest, as well as requirements for use, management, and disposition of any grant-funded ambulance that apply to the grantee and the service provider.

Applications for counties with an Oct. 1 FY start open Aug. 2 – Oct. 31, 2026. If your county has a Jan. 1 FY start, the application period is Nov. 2, 2026 – Jan. 31, 2027. If you have any questions regarding the process of applying or about the Subagreement, please contact us at ambulance.grants@cpa.texas.gov.

TEXAS COMPTROLLER OF PUBLIC ACCOUNTS

Minimum Requirements for Subagreements under HB 3000 Grants

The following clauses must be included in the written agreement between the grantee and its CPA-approved ambulance service provider ("Subagreement"), which is required when the grantee is not self-performing ground ambulance services (i.e., if the service provider is a third party). See Section V.A of the grant agreement between CPA and the grantee for more information. The grantee should consult its legal counsel regarding any changes to this language that are necessary to accommodate legal requirements or limitations of the grantee, and the clauses may be modified accordingly, but the substance of these clauses and corresponding requirements must be included in the Subagreement. Grantee may further include in the Subagreement such additional provisions as needed for its own purposes and to ensure successful performance of and compliance with the requirements of its House Bill 3000 Grant.

1. **HB 3000 Grant Program.** Pursuant to House Bill 3000 passed by the 89th Texas Legislature (Regular Session) and Section 130.914 of the Local Government Code, the Texas Comptroller of Public Accounts awarded a grant ("HB 3000 Grant") to County, on behalf of the ambulance service provider named herein ("Service Provider"), to fund the acquisition of an ambulance. The HB 3000 Grant requires the County to enter into this written agreement with the Service Provider to ensure the purpose of the HB 3000 program is fulfilled and the HB 3000 Grant requirements are met by the County and Service Provider.

2. **Grant-funded Ambulance and Compliance with Grant Program Requirements and Applicable Laws.** Under this agreement, County will provide to Service Provider the ambulance(s) acquired under its HB 3000 Grant, and Service Provider will provide ground ambulance services on behalf of the County and in accordance with the requirements of Section 130.914 of the Local Government Code and Title 34, Part I, Chapter 16, Subchapter F of the Texas Administrative Code. County and Service Provider acknowledge that any ambulance made available under this agreement is funded by state funds appropriated by the state legislature. County and Service Provider further acknowledge that this agreement shall not be construed as creating a debt on behalf of the Texas Comptroller of Public Accounts in violation of Article III, Section 49a of the Texas Constitution, all obligations of the Texas Comptroller of Public Accounts are subject to the availability of grant funds, and any obligations are subject to termination or cancellation, either in whole or in part, without penalty to the Texas Comptroller of Public Accounts, if such funds are not appropriated or become unavailable.

3. **Equipment; State Interest.**

   a. **State Interest in Grant-funded Ambulance(s); State Interest Period.** There is a State Interest in all equipment acquired or improved with State funds under the HB 3000 Grant, including the ambulance(s) provided to Service Provider under this agreement. The State Interest Period is the period during which the County and Service Provider must hold the equipment in trust for the beneficiaries of the HB 3000 Grant. The State Interest in the equipment will start upon the County's acquisition or improvement thereof, and continue for a period of ten (10) years thereafter.

   b. **Use, Maintenance, and Disposition Requirements for Grant-funded Ambulance(s).** Title to an equipment acquired or improved with HB 3000 funds ("Project Property") vests in the County unless the Texas Comptroller of Public Accounts approves otherwise in writing, and the following requirements apply to Project Property:

      i. County, Service Provider, and any subrecipient of the parties, as applicable, must use and manage Project Property in accordance with applicable law and Texas Grant Management Standards ("TxGMS"). For purposes of this agreement, a subrecipient includes any subcontractor or other party that uses Project Property. Procedures for managing Project Property must meet the following requirements:

         1. Property records must include a description of Project Property, a serial number or another identification number, the source of funding for Project Property, the title holder, the acquisition date, the cost of Project Property, the percentage of the Texas Comptroller of Public Accounts' contribution towards the original purchase, the location, use and condition of Project Property, and any disposition data including the date of disposal and sale price of Project Property. County, Service Provider and any subrecipient are responsible for maintaining and updating property records when there is a change in the status of Project Property;

         2. A physical inventory of Project Property must be conducted, and the results must be reconciled with the property records at least once every two years for the duration of the State Interest period;

         3. A control system must be in place to ensure safeguards for preventing property loss, damage, or theft. Any loss, damage, or theft of equipment must be investigated. County or Service Provider must notify the Texas Comptroller of Public Accounts of any loss, damage, or theft of Project Property; and

4. Regular maintenance procedures must be in place to ensure Project Property is in proper working condition.

ii. For the duration of the State Interest Period, County, Service Provider, and any subrecipient of the parties must use Project Property solely for the purpose of providing ground ambulance services to the County, and may not use Project Property for any other activities unless the County and Texas Comptroller of Public Accounts approve otherwise in writing;

iii. For the duration of the State Interest Period, County, Service Provider, or any subrecipient of the parties, as applicable, must comply with the insurance coverage requirements of applicable law and TxGMS;

iv. Project Property may not be encumbered or sold without the prior written approval of the Texas Comptroller of Public Accounts; and

v. The County may request disposition instructions from the Texas Comptroller of Public Accounts if Project Property is no longer needed.

4. **Right to Audit.** The Auditor of the State of Texas ("state auditor") may conduct an audit or investigation of any entity receiving funds from the state directly under this agreement or indirectly through a subcontract under this agreement. The acceptance of funds directly under this agreement or indirectly through a subcontract under this agreement acts as acceptance of the authority of the state auditor (or any successor agency), under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Service Provider will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through this agreement and the requirement to cooperate is included in any subcontract it awards.

5. **Records Retention.** Service Provider will maintain and retain all records relating to the performance of this agreement. These records will be maintained and retained by Service Provider for a period of four (4) years after this agreement's expiration date or until all audit, claim, and litigation matters are resolved, whichever is later. County may direct Service Provider to retain documents for a longer period of time or transfer certain records to County custody when it is determined the records possess longer term retention value. Service Provider must include the substance of this clause in all subawards and subcontracts.

Re: Maverick County – Liability Renewal

Thank you for choosing the Texas Association of Counties Risk Management Pool (TAC RMP) for your liability coverage needs for 2026. TAC RMP is pleased to continue providing its members with the most comprehensive coverages and risk solutions available.

The TAC RMP Board of Directors approved coverage changes effective October 1, 2026.
These were detailed in the recent Chapter 119 packet sent out at the end of July with the changes made. Below are some of the revisions mentioned in the detailed summary for Privacy or Security Event Liability and Expense coverage.

Most of the Privacy or Security Event Liability and Expense Coverage revisions are related to:

- eCrime Coverage
- Added definitions to define eCrime terms.
- Standard market terms and definitions were included as appropriate.
- Standard market exclusions added and updated.
- Ensured the coverage was distinct and not duplicated elsewhere.
- New AI coverage endorsement Cyber Extortion Threat.

Your continued support allows TAC RMP to offer competitive and stable rates while maximizing coverage options for all program members. We are proud to share that the Pool has renewed 338 liability renewals and maintains a 99% renewal retention rate. Your participation in the TAC RMP is what makes our Pool successful.

As we look forward to another successful year, we are excited to announce events coming in 2027:

- County Management and Risk Conference (March 2027) - Kalahari Resorts, Round Rock, TX
- Member hosted Regional Workshops (September 2027)

Your renewal coverage is based on information we obtained from the renewal questionnaire. Please review your renewal and all attached schedules for accuracy.

If you have any questions, please do not hesitate to contact me for an onsite review. If you have any questions or updates related to your coverage, please contact your Member Services Representative for assistance.

All related acts committed by one or more individuals shall be considered one Crisis Event.

However, this shall not include compensation, fees, benefits, overhead, charges, or expenses of any Covered Person, nor any expenses that are payable on the Named Member's behalf or reimbursable to the Named Member under any other valid and collectible insurance. This also shall not include legal fees and expenses incurred by the Named Member for legal advice or services sought in anticipation of, or upon actual receipt of, a claim alleging liability arising out of a Crisis Event.

c. Crisis Management Firm means any independent qualified services provider hired by the Named Member that is acceptable to the Pool. The Pool's consent will not be unreasonably withheld.

1. How, when and where the event took place;

2. Names and addresses of affected individuals and witnesses; and

3. The nature and location of any injury or damage arising out of the event.

If Crisis Management Expenses or Workplace Violence Counseling Expenses provided by this coverage are also provided to a Named Member by any other Coverage Document by the Pool, the maximum limit of liability with respect to that Named Member shall be the maximum limit of liability applicable under any one Coverage Period.

All other terms and conditions of the Coverage Document remain the same.

SECTION II – ADDITIONAL COVERAGE PROVISIONS

1. DEFENSE, SETTLEMENT AND ALLOCATION OF DAMAGES

a. Subject to all of the provisions contained in this Coverage Document, the Pool has the right and duty to defend any Claim against the Covered Person seeking Damages potentially covered by Coverages A, B, D, E or F of this Coverage Document, except that the Pool's duty to defend shall terminate:

(1) If it is conclusively established that the Claim is not covered by this Coverage Document. This exception applies even if the fact conclusively established overlaps with the merits or contradicts the factual allegations of the Claim;

(2) If we have paid the full amount of the Limits of Liability or sublimits applicable to the Claim; or

(3) If the Covered Person breaches any duty or condition under this Coverage Document

b. If a Claim alleges a cause of action, some of which are potentially covered by this Coverage Document and others of which are not covered, the Pool has the right, but not the duty, to defend a Covered Person against those causes of action which are not covered. If the Pool elects to defend the Covered Person against the non-covered causes of action, the Pool will notify the Covered Person of its decision.

c. The Pool shall have the right to control the defense of any Claim, including the right to select additional counsel for any Covered Person. The Covered Person may retain its own counsel at their own expense, but the Pool retains the exclusive right to control the defense.

d. The Pool shall have the right, but not the duty, to appeal any judgment adverse to the Covered Person.

e. The Pool shall have no obligation to pay sums the Covered Person shall become legally liable to pay as Claims or Damages that are not covered by this Coverage Document (including amounts in excess of any applicable sublimits) or to contribute to a settlement of any such Claims or Damages. In negotiating any settlement or Claim payment, the Pool shall have the right to request the Named Member make an appropriate contribution for uncovered Claims or Damages. If both Damages covered by this Coverage Document and Damages not covered by this Coverage Document are incurred or are to be incurred because a Claim made against the Covered Person or Damages sought from the Covered Person includes both covered and uncovered matters, the Pool and the Named Member will use their best efforts to determine a fair and appropriate allocation of Damages between that portion of Damages that is covered under this Coverage Document and that portion of Damages that is not covered under this Coverage Document. The Pool and the Named Member will take into account the relative legal and financial exposures of, and relative benefits obtained in connection with the defense or settlement of, the Claim. In the event the Pool and the Named Member cannot reach an agreement as to an allocation of Damages, then the parties will each contribute the amount proposed by the Pool until a final amount is agreed upon or determined pursuant to the provisions of this Coverage Document and applicable law.

f. The Pool has no duty to defend a Covered Person before a Claim is presented.

(1) Upon written request to the Pool by Named Member for pre-Claim involvement of Pool prior to the formal existence of a Claim, the Pool has the right, but not the duty, to designate attorneys, investigators, or other persons to perform work and incur expenses on behalf of the Named Member where the Pool anticipates a Claim.

(2) If, in the sole discretion of the Pool, employing the services of attorneys, investigators, or other persons to perform work and incur expenses on behalf of any Member, or the Pool, is deemed appropriate to protect Pool interests prior to

the formal existence of a Claim, the Pool has the right, but not the duty, to employ persons as a Pool operational expense.

(3) Pre-Claim involvement of the Pool under (f)(1) or f(2) shall not constitute a waiver of any rights the Pool may have pursuant to any of the provisions of this Coverage Document. The Pool may withdraw at any time from pre-Claim involvement under (f)(1) or (f)(2).

g. The Pool shall have the right, but not the duty, to monitor and participate in the defense of any investigatory, administrative or disciplinary proceeding relating to any Wrongful Act of any Covered Person. Should the Pool elect to defend, monitor or participate under this provision, the election shall not constitute a waiver of any rights the Pool may have pursuant to any of the provisions of this Coverage Document.

h. The Pool shall have the right to settle any Claim or suit as may be deemed expedient by the Pool and the Pool may settle any Claim at its sole discretion without the consent of the Covered Person. The determination by the Pool as to any settlement and as to the reasonableness of the settlement and Claims Expenses shall be conclusive on the Covered Person and the Named Member.

i. If the Pool determines that the Limits of Liability under this Coverage Document may be insufficient to pay or settle any covered Claim or Claims, or if there are multiple or competing Claims against one or more Covered Persons, the Pool may, in its sole discretion, tender the remaining Limits of Liability applicable to that Claim available under this Coverage Document, either to the treasury of the Named Member, a person authorized to receive funds for the Named Member, or the registry of a court of competent jurisdiction and exhaust the Limits of Liability under this Coverage Document. Any tender under this provision shall be applied toward, and may result in exhaustion of, the applicable Limit of Liability for that coverage under the CCD.

2. SUPPLEMENTARY PAYMENTS FOR COVERAGES A, B, D, E, F, AND G

a. The Pool will pay, with respect to any Claim the Pool investigates or settles, or any Suit against a Covered Person the Pool defends:

(1) All expenses the Pool incurs.

(2) Up to $250 for cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. The Pool does not have to furnish these bonds.

(3) The cost of bonds to release attachments, but only for bond amounts within the applicable limit of coverage, except that the Pool will not pay for any bond required in order to appeal an adverse judgment which the Pool has decided not to appeal. The Pool does not have to furnish these bonds.

(4) All costs taxed against the Covered Person in the Suit. However, these payments do not include attorney's fees or attorney's expenses taxed against the Covered Person.

(5) Pre-judgment interest awarded against the Covered Person on that part of the judgment the Pool pays. If the Pool makes an offer to pay the applicable limit of coverage, the Pool will not pay any pre-judgment interest based on that period of time after the offer.

(6) All interest on the full amount of any judgment that accrues after entry of the judgment and before the Pool has paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of coverage.

(7) Expenses incurred by a Covered Person for first aid to others at the time of an accident, for Bodily Injury to which this Document applies.

These supplementary payments will not reduce the Limits of Liability.

b. If the Pool defends a Covered Person against a Suit and an indemnitee of the Covered Person is also named as a party to the Suit, the Pool will defend that indemnitee if all of the following conditions are met:

(1) The Suit against the indemnitee seeks damages for which the Covered Person has assumed the liability of the indemnitee in a contract or agreement that is an Insured Contract;

(2) This coverage applies to such liability assumed by the Covered Person;

(3) The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the Covered Person in the same Insured Contract;

(4) The allegations in the Suit and the information the Pool knows about the Occurrence are such that no conflict appears to exist between the interests of the Covered Person and the interests of the indemnitee;

(5) The indemnitee and the Covered Person ask the Pool to conduct and control the defense of that indemnitee against such Suit and agree that the Pool can assign the same counsel to defend the Covered Person and the indemnitee; and

(6) All provisions of Section II.1 - Defense, Settlement, and Allocation of Damages, and Section VI.3 - Duties in the Event of Occurrence, Wrongful Act, Claim or Suit, apply to the indemnitee.

So long as the above conditions are met, attorneys' fees incurred by the Pool in the defense of that indemnitee, necessary litigation expenses incurred by the Pool and necessary litigation expenses incurred by the indemnitee at the Pool's request will be paid as supplementary payments. Notwithstanding the provisions of Paragraph 2.c.(2) of Section I - Coverage A -

Bodily Injury and Property Damage Liability, such payments will not be deemed to be damages for Bodily Injury and Property Damage and will not reduce the Limits of Liability.

A single Limit of Liability applies to Covered Persons and all indemnitees. The Pool's obligation to defend a Covered Person's indemnitee and to pay for attorneys' fees and necessary litigation expenses as supplementary payments ends when:

(1) The Pool has used up the applicable Limit of Liability in the payment of judgments or settlements; or

(2) The conditions set forth above, or the conditions described in Paragraph (6) above, are no longer met.

2. CCD

The CCD issued by Pool for any Coverage Document Period constitutes terms and conditions for that Coverage Document Period and constitutes part of the Coverage Document for the Coverage Document Period. In the case of an extension of coverage, the CCD may be issued in the form of an extension endorsement.

3. DUTIES IN THE EVENT OF OCCURRENCE, WRONGFUL ACT, CLAIM OR SUIT

a. The Named Member and any Covered Person involved must notify the Pool as soon as practicable of an Occurrence or Wrongful Act which may result in a Claim. To the extent possible, notice should include:

(2) The names and addresses of any injured persons and witnesses; and

(2) Waive, abridge, prejudice or fail to assert any right of sovereign or official immunity, limitation of liability, or other defense to liability for amounts otherwise payable under this Coverage Document. Any liability admitted, assumed or settled, or defenses waived, without prior written consent of the Pool, shall terminate the duty of the Pool to defend or indemnify any Covered Person against that Claim.

f. In connection with any investigation the Pool may make regarding the applicability of this coverage for any Claim or Suit under this Coverage Document, or the nature or extent of a Claim or Suit payable under this Coverage Document, the Named Member and Covered Person involved agree to provide any relevant documents or records, submit to examination under oath at the Pool's request and give the Pool a signed statement of his or her answers, as often as the Pool may reasonably require.

4. BANKRUPTCY

Bankruptcy or insolvency of a Covered Person or the Covered Person's estate will not relieve the Pool of any obligations under this Coverage Document.

5. LEGAL ACTION AGAINST THE POOL

a. No one may bring a legal action against the Pool under this Coverage Document unless there has been full compliance with all the terms of this Coverage Document. In addition, no action may be brought against the Pool in regard to any matter involving a Claim or Suit or proceeding involving this Coverage Document until the amount of the Covered Person's liability has been finally determined either by: (a) final judgment against the Covered Person by the court of last resort after actual trial of the issues and appeal has been determined, or if the time to appeal therefrom has expired without an appeal being taken; or (b) by an agreed settlement and release of liability signed by the Pool, the Covered Person and the claimant or the claimant's legal representative.

b. Nothing contained in this Coverage Document shall give a Covered Person or any person, firm, corporation, or organization other than the Pool any right to join the Pool as a party in any action to determine a Covered Person's liability.

c. Any action against the Pool by a Covered Person or any other person must be brought within two years and one day after the cause of action accrues.

Until that legal representative is appointed, anyone having proper temporary custody of the Covered Person's property will have his rights and duties but only with respect to that property.

7. TRANSFER OF RIGHTS OF RECOVERY AGAINST ANOTHER TO THE POOL

If any person or organization to or for whom the Pool makes payments under this Coverage Document has rights to recover damages from another, those rights are transferred to the Pool. That person or organization must do everything necessary to secure the Pool's rights and must do nothing after an Occurrence or Loss to impair them.

8. DELIVERY OF THIS COVERAGE DOCUMENT

Delivery of this Coverage Document to the Named Member shall be considered delivery to each Covered Person, and the Named Member is authorized by each Covered Person to accept delivery on the Covered Person's behalf.

9. CONTRIBUTIONS

a. All Contributions charged for this Coverage Document shall be computed in accordance with the Pool's rates and rating plans, as approved by the Pool's Board of Directors. The Named Member agrees to maintain records of all information that the Pool requires for computation of Contributions, and to send copies of such records to the Pool at such times as the Pool reasonably requires.

b. The Named Member shall pay promptly all Contributions or other payments to the Pool at such times and in such manner as shall be established by the Pool's Bylaws. Any delinquent payments shall be paid with interest as prescribed by the Pool's Bylaws.

c. The Named Member will be the payee for any return Contributions or other payments the Pool pays.

d. If during the coverage period, there is a material change in the Named Member's operations, premises owned or other risks or hazards covered by this Coverage Document, the Named Member shall notify the Pool as soon as possible during the coverage period, and the Pool may, at its discretion, adjust the Contribution for this Coverage Document, in accordance with the Pool's rates and rating plans, as approved by the Pool's Board of Directors. If the earned Contribution thus computed exceeds the

advance Contribution paid, the Named Member shall pay the excess to the Pool; if less, the Pool shall refund or credit to the Named Member the unearned portion paid.

10. CANCELLATION OR NON-RENEWAL

a. Either party to this Coverage Document may cancel or non-renew this Document by giving notice of such intent to the other party. The notice must be in writing and must be delivered by certified mail, return receipt requested via U.S. Mail to the other party. b. The Pool may, in the Pool's sole discretion, permit the Named Member, upon the Named Member's written request, to terminate this Coverage Document by giving the Pool not less than thirty (30) days' notice.

c. Notice of cancellation by the Named Member must be addressed to:

Texas Association of Counties Risk Management Pool
Attn: Member Services
P.O. Box 2131
Austin, Texas 78768-2131

d. The Pool may cancel or non-renew this Coverage Document:

(1) For nonpayment of Contributions, unless other provision for payment has been made by express written agreement between the Named Member and the Pool;

(2) If there is an increase in risk or hazard within the Named Member's control which would result in an increase in the rate or amount of Contribution;

(3) For fraud in the obtaining of coverage;

(4) If the Pool is placed in supervision, conservatorship, receivership and the cancellation is approved or directed by the supervisor, conservator or receiver;

(5) If the Named Member does not implement risk management techniques required by the Pool during the initial coverage period, or if risk management techniques do not result in the Named Member's attaining a risk level sufficient to meet the Pool's underwriting criteria during the initial coverage period;

(6) If the Interlocal Participation Agreement between the parties is terminated or the Named Member withdraws or is expelled from the Pool;

(7) For the Named Member's violation of any of the Named Member's other obligations under the Pool's Bylaws or the Interlocal Participation Agreement between the Named Member and the Pool.

e. If the Pool cancels this Coverage Document for fraud in the obtaining of coverage or for nonpayment of Contributions, such cancellation shall be effective at 12:01 a.m. on the tenth (10^{th}) day following the Pool's placement of the notice of cancellation in the U.S. Mail. These Conditions do not waive or alter any other applicable provisions of the Pool's Bylaws or the Interlocal Participation Agreement between the Named Member and the Pool.

f. Notice of cancellation by the Pool may be given to the county judge or presiding officer of the Named Member at the Named Member's address shown in the CCD.

11. RETAINED CONTRIBUTION PROPORTIONS

a. If this Coverage Document is terminated by the Named Member, the Pool shall retain the customary short rate proportion of the Contribution.

b. If this Coverage Document is terminated by or on behalf of the Pool, the Pool shall retain the customary pro-rata proportion of the Contribution.

12. CHANGES

The Named Member is authorized to make changes in the terms of this Coverage Document only with consent of the Pool's duly-authorized representative. The Pool may make changes to this Coverage Document, as permitted by the Pool's Bylaws, the Interlocal Participation Agreement between the Named Member and the Pool, and/or the laws governing the creation and operation of the Pool. This Coverage Document's terms cannot be amended or waived without the written authorization of the Pool. Any changes to the Pool's Bylaws, the Interlocal Participation Agreement between the Pool and the Named Member, or the Pool's underwriting standards or criteria are incorporated herein.

13. LIBERALIZATION

If the Pool changes this Coverage Document to provide more coverage without additional premium charge, the additional coverage will be effective as of the day indicated in the Pool's written notice of change to the Named Member.

14. EXAMINATION OF THE NAMED MEMBER'S BOOKS AND RECORDS

The Pool may examine and audit the Named Member's books and records as they relate to this Coverage Document or as may be required for the Administration of the Pool.

15. INSPECTIONS AND LOSS CONTROL

The Pool has the right but is not obligated to:

a. Make inspections and surveys at any time;

b. Make risk management appraisals of the Named Member's operations, policies, procedures, vehicles, personnel and/or facilities;

c. Require the Named Member to implement and follow risk management procedures or techniques established by the Pool to reduce risk sufficient to meet the Pool's underwriting criteria. Any inspections, surveys, reports or requirements relate only to the Named Member's eligibility for liability coverage and the Contribution to be charged. The Pool does not make safety inspections. The Pool does not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public, nor does the Pool warrant that conditions:

(1) Are safe or healthful; or

(2) Comply with laws, regulations, codes or standards.

This condition applies not only to the Pool, but also to any rating, advisory, rate service or similar organization which makes insurance inspections, surveys, reports or recommendations.

16. OTHER INSURANCE OR COVERAGE

If other valid and collectible insurance or liability coverage is available to the Covered Person for a Claim or Loss the Pool covers under Coverages A, B, D, E or F of this Coverage Document, the Pool's obligations are limited as follows:

a. Primary Coverage

This coverage is primary except when b. below applies. If this coverage is primary, the Pool's obligations are not affected unless any of the other insurance or coverage is also primary. Then, the Pool will share with all other insurance by the method described in c. below.

b. Excess Coverage

This coverage is excess over:

(1) Any of the other insurance, whether primary, excess, contingent or on any other basis:

(a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for Your Work;

(b) That is Fire insurance for premises rented to the Named Member or temporarily occupied by the Named Member with permission of the owner;

(c) That is insurance purchased by the Named Member to cover the Named Member's liability as a tenant for Property Damage to premises rented to

the Named Member or temporarily occupied by the Named Member with permission of the owner; or

(d) If the Loss arises out of the maintenance or use of Aircraft, Autos or watercraft to the extent not subject to Exclusion g. of Section I - Coverage A - Bodily Injury And Property Damage Liability.

(e) For Coverage D, any insurance that applies to an act, error, or omission on other than a claims-made basis.

(2) Any other primary insurance or coverage available to the Named Member covering liability for damages arising out of the premises or operations for which the Named Member has been added as an additional insured or Covered Person by attachment of an endorsement.

When this coverage is excess, the Pool will have no duty under Coverages A, B, D, E or F to defend the Covered Person against any Suit if any other insurer has a duty to defend the Covered Person against that Suit. If no other insurer defends, the Pool will undertake to do so, but the Pool will be entitled to the Covered Person's rights against all those other insurers.

When this coverage is excess over other insurance, the Pool will pay only the Pool's share of the amount of the Loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the Loss in the absence of this insurance; and

(2) The total of all deductible and self-insured amounts under all that other insurance.

The Pool will share the remaining Loss, if any, with any other insurance that is not described in this Excess Coverage provision and was not bought specifically to apply in excess of the Limits of Liability shown in the CCD of this Coverage Part.

c. Method of Sharing

If all of the other insurance permits Contribution by equal shares, the Pool will follow this method also. Under this approach each the Pool and each insurer contributes equal amounts until they have paid their applicable limit of coverage and/ or insurance, or none of the Loss remains, whichever comes first.

If any of the other insurance does not permit Contribution by equal shares, the Pool will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance or coverage to the total applicable limits of insurance and coverage of all insurers.

17. JURISDICTION AND VENUE

The validity and interpretation of this Coverage Document will be governed by the laws of the State of Texas. This Coverage Document is performable and enforceable in Travis County, Texas. The state district courts in Travis County will be the sole and exclusive venue for any litigation, special proceeding, or other proceeding arising from the performance of this Coverage Document.

18. TWO OR MORE COVERAGE DOCUMENTS ISSUED BY THE POOL

If this Coverage Document and any other coverage Document issued to the Named Member by the Pool apply to the same, Occurrence, Wrongful Act or Loss the aggregate maximum limit of liability under all such coverage Documents shall not exceed the highest applicable limit of liability under any one coverage Document. This condition does not apply to any coverage Document issued by the Pool specifically to apply as excess insurance over this Coverage Document. The Pool and the Named Member agree that Pool coverages do not combine with respect to payment of Damages or Claims Expenses.

19. SEPARATION OF COVERED PERSONS

Except with respect to the Limits of Liability, and any rights or duties specifically assigned in this Coverage Document to the first Named Member, this coverage applies:

a. As if each Covered Person were the only Covered Person; and

b. Separately to each Covered Person against whom Claim is made or Suit is brought.

20. APPLICATION FOR COVERAGE

The application and any renewal application for this coverage submitted to the Pool, which is signed by the Named Member or its authorized representative, is part of this Coverage Document for purposes of reliance by the Pool on information contained in the application. Any substantial mistake or misrepresentation in an application for coverage which is relied upon by the Pool terminates all the obligations of the Pool under this Coverage Document, including those of payment and defense. The Pool may, at its sole option, elect to waive termination of any part of its obligations.

21. COMPLIANCE WITH CONDITIONS

If any Covered Person fails to comply with any of the provisions of this Coverage Document, misrepresents any material fact, breaches any warranty, engages in fraudulent acts, makes false statements, or fails to comply with reasonable Pool requests, whether or not the Pool is actually prejudiced, there shall be no coverage, including any obligation to defend, for any Covered Person as to the particular Occurrence or action in connection with which such breach occurred.

22. ENTIRE AGREEMENT

The Coverage Document, the Pool's Bylaws and Plan of Operation and the Interlocal Participation Agreement between the Pool and the Named Member together constitute the entire coverage agreement and this agreement cannot be modified except as agreed in writing. In the event of any conflicts regarding the coverage afforded, this Coverage Document controls.

23. INTERPRETATION AND LIMITATIONS

The Pool and the Named Member are sophisticated entities and agree that this Coverage Document will be interpreted according to its plain meaning and no provision shall be construed against either party by virtue of drafting. The Pool and Named Member agree that this Coverage Document creates an arms-length relationship and does not impose any fiduciary duties on the Pool. The Pool and Named Member further agree that the full extent of the obligations and liabilities of the parties are contained within this document and that no extra-contractual duties shall be imposed upon either the Pool or the Named Member by reason of this Coverage Document.

LAW ENFORCEMENT LIABILITY COVERAGE DOCUMENT

LAW ENFORCEMENT LIABILITY COVERAGE

THIS IS A CLAIMS MADE COVERAGE DOCUMENT. PLEASE READ THE ENTIRE COVERAGE DOCUMENT CAREFULLY.

The Texas Association of Counties Risk Management Pool (Pool) was and is created to enable each Member to purchase coverage against liability Claims. The Pool is not an insurance company. This is not a contract of insurance but is an agreement for liability coverage pursuant to the provisions of Chapter 119 of the Texas Local Government Code, and under Chapters 791 and 2259 of the Texas Government Code. Under this agreement, political subdivisions create and contribute to a Pool as an alternative to commercial insurance markets. No part of this Coverage Document is subject to the Texas Insurance Code.

Except as may otherwise be provided, the coverage provided by this Coverage Document is limited to only those Claims THAT ARE FIRST MADE AGAINST THE MEMBER DURING THE COVERAGE DOCUMENT PERIOD AND TIMELY REPORTED TO THE POOL.

The Contribution and Coverage Declarations (CCD) issued to the Named Member by the Pool is part of this Coverage Document, subject to the terms, conditions, definitions, exclusions, and sublimits contained in this Coverage Document, any endorsements, and the Interlocal Participation Agreement (IPA).

Words and phrases that are capitalized have special meaning. Refer to SECTION II- DEFINITIONS

SECTION I - CLAIMS MADE COVERAGE AGREEMENT: PAYMENT AND DEFENSE

In consideration of the Member's contribution to the Pool and in reliance upon the representations made by Member in the application and any renewal application for this coverage, and subject to all provisions contained in this Coverage Document, including any endorsements, the Pool agrees as follows:

A. WHAT WE WILL PAY

The Pool will pay on behalf of the Member, subject to all provisions contained in this Coverage Document, including Section I.B., below, any sums which the Member shall become legally obligated to pay as Damages or Claims Expenses by reason of errors, omissions or negligent acts stated in a Claim, which arise out of the conduct of Law Enforcement Activities of Member and result in:

Personal Injury;
Bodily Injury;
Property Damage; or
Violation of Civil Rights

PROVIDED ALWAYS that the following are true:

1. Notice of Claim occurs during the Coverage Document Period;

2. Notice is provided by the Member to the Pool during the Coverage Document Period (or during the Optional Extended Reporting Period, if applicable);

3. The error, omission or negligent act for which Claim is first made happened during the Coverage Document Period or on or after the retroactive date in the CCD; provided, however that if the error, omission or negligent act happened before the Coverage Document Period, the Named Member did not give notice to any prior insurer or coverage provider; and

4. The Member had no knowledge or reason to believe at the inception of the Coverage Document Period or any extensions or renewals that any error, omission or negligent act was likely to result in a Claim being made against any Member.

B. DEFENSE, SETTLEMENT AND ALLOCATION OF DAMAGES

1. Subject to all of the provisions contained in this Coverage Document, the Pool has the right and duty to defend any Claim arising out of the categories of conduct enumerated above brought against the Member, alleging an error, omission or negligent act and seeking Damages potentially covered by this Coverage Document, except that the Pool's duty to defend shall terminate:

   a. If it is conclusively established that the Claim is not covered by this Coverage Document. This exception applies even if the fact conclusively established overlaps with the merits or contradicts the factual allegations of the Claim;
   b. If the Member committed, or is identified as the perpetrator of, fraudulent, dishonest, reckless, malicious or criminal acts or omissions;
   c. If we have paid the full amount of the Limits of Liability or sublimits applicable to the Claim or on Aggregate; or
   d. If the Member breaches any duty or condition under this Coverage Document.

2. The Pool will provide, subject to the other provisions of the Coverage Document, a defense to a fraud, dishonesty, reckless, malicious or criminal act or omission Claim against a Member that is excluded under Section IV.A.2; provided, however that the Pool's obligation is limited to the defense of the Named Member or any Member who did not commit, or is not identified as the perpetrator of, the fraudulent, dishonest, reckless, malicious or criminal act or omission.

3. If a suit alleges causes of action, some of which are potentially covered by this Coverage Document and others of which are not covered, the Pool has the right, but not the duty, to defend a Member against those causes of action which are not covered. If the Pool elects not to defend the Member against the non-covered causes of action, the Pool will notify the Member of its decision.

4. The Pool shall have the right to control the defense of any Claim, including the right to select defense counsel for any Member. The Member may retain additional counsel at its own expense, but the Pool retains the exclusive right to control the defense.

5. The Pool shall have the right, but not the duty, to appeal any judgment adverse to the Member.

6. The Pool shall have the right to incur Claims Expenses and to make an investigation of any Claim or suit as may be deemed expedient by the Pool.

7. The Pool has no duty to defend a Member before a Claim is presented.

   a. Upon written request to the Pool by the Named Member for pre-Claim involvement of the Pool prior to the formal existence of a Claim, the Pool has the right, but not the duty, to designate attorneys, investigators, or other persons to perform work and incur expenses on behalf of the Named Member where the Pool anticipates a Claim.

   b. If, in the sole discretion of the Pool, employing the services of attorneys, investigators, or other persons to perform work and incur expenses on behalf of any Member or the Pool is deemed appropriate to protect Pool interests prior to the formal existence of a Claim, the Pool has the right, but not the duty, to employ persons as a Pool operational expense.

   c. Pre-Claim involvement of the Pool under 7.a or 7.b shall not constitute a waiver of any rights the Pool may have pursuant to any of the provisions of this Coverage Document. The Pool may withdraw at any time from pre-Claim involvement under 7.a or 7.b.

8. The Pool shall have the right, but not the duty, to monitor and participate in the defense of any investigatory, administrative or disciplinary proceeding relating to any Law Enforcement Activity of the Member. Should the Pool elect to defend, monitor or participate under this provision, this election shall not constitute a waiver of any rights the Pool may have pursuant to any of the provisions of this Coverage Document.

9. The Pool shall have the right to settle any Claim or suit as may be deemed expedient by the Pool and the Pool may settle any Claim at its sole discretion and without the consent of the Member. The determination by the Pool as to any settlement and as to the reasonableness of settlements and Claims Expenses shall be conclusive on the Member.

10. The Pool shall have no obligation to pay sums the Member shall become legally liable to pay as Claims or Damages that are not covered by this Coverage Document (including amounts in excess of any applicable sublimits) or to contribute to a settlement of any such Claims or Damages. In negotiating any settlement or Claim payment, the Pool shall have the right to request the Member make an appropriate contribution for uncovered Claims or Damages. If both Damages covered by this Coverage Document and Damages not covered by this Coverage Document are incurred or are to be incurred because a Claim made against the Member or Damages sought from the Member include both covered and uncovered matters, the Pool and the Member will use their best efforts to determine a fair and appropriate allocation of Damages between that portion of Damages that is covered under this Coverage Document and that portion of Damages that is not covered under this Coverage Document. The Pool and the Member will take into account the relative legal and financial exposures of, and relative benefits obtained in connection with the defense or settlement of, the Claim. In the event the Pool and the Member cannot reach an agreement as to an allocation of Damages, then the parties will each contribute the amount proposed by the Pool until a final amount is agreed upon or determined pursuant to the provisions of this Coverage Document and applicable law.

11. If the Pool determines that the Limits of Liability under this Coverage Document may be insufficient to pay or settle any covered Claim or Claims, or if there are multiple or competing Claims against one or more Members, the Pool may, in its sole discretion, tender the remaining Limits of Liability available under this Coverage Document, either to the treasury of the Named

Member, a person authorized to receive funds for the Named Member, or the registry of a court of competent jurisdiction and exhaust the Limits of Liability under this Coverage Document. Any tender under this provision shall be applied toward, and may result in the exhaustion of, the Aggregate under the CCD.

B. An increase in contribution or deductible, or reduction in Limits of Liability or Aggregate, does not constitute a termination or refusal to renew this Coverage Document that would trigger an option to elect an Optional Extended Reporting Period.

C. The extension of coverage for Claims made and reported after termination of the Coverage Document shall be endorsed, if purchased, and shall be referred to in this Coverage Document as the Optional Extended Reporting Period. The Named Member's right to purchase the Optional Extended Reporting Period coverage must be exercised by notice in writing and tendering of the contribution due not later than 10 days after the termination of this Coverage Document. If notice and contributions are not timely and properly made to the Pool, the Named Member shall not at a later date have any right to elect an Optional Extended Reporting Period.

F. At the beginning of any Optional Extended Reporting Period, the entire contribution shall be deemed earned, and if the Named Member terminates the Optional Extended Reporting Period before the expiration of its full term for any reason, the Pool shall not be liable to return to the Named Member any portion of the contribution for the Optional Extended Reporting Period.

C. THIRD PARTY DEFENSE, SETTLEMENT, AND ALLOCATION OF DAMAGES

1. Privacy or Security Event Defense:

   Subject to all of the provisions contained in this Coverage Document, the Pool has the right and duty to defend the Member against a Suit seeking Damages because of a Privacy or Security Event potentially covered by this Coverage Document. However, the Pool will have no duty to defend any Member against any Suit seeking Damages to which this coverage does not apply.

2. Regulatory Defense:

   Subject to all of the provisions contained in this Coverage Document, the Pool will have the right and duty to defend the Member against any Regulatory Proceeding to which this coverage applies. However, the Pool will have no duty to defend any Member against Regulatory Proceeding to which this coverage does not apply.

3. The Pool's duty to defend a Member against a Suit seeking Damages because of a Privacy or Security Event or against a Regulatory Proceeding shall terminate:

If a Suit alleges causes of action, some of which are potentially covered by this Coverage Document and others of which are not covered, the Pool has the right, but not the duty, to defend a Member against those causes of action which are not covered. If the Pool elects not to defend the Member against the non-covered causes of action, the Pool will notify the Member of its decision.

8. The Pool shall have the right to settle any Claim or Suit based on a Privacy or Security Event as may be deemed expedient by the Pool, and the Pool may settle any Claim or Suit at its sole discretion and without the consent of the Member. In negotiating any settlement or Claim payment, the Pool shall have the right to request the Member make an appropriate contribution for uncovered Claims or Damages. If both Damages covered by this Coverage Document and Damages not covered by this Coverage Document are incurred or are to be incurred because a Claim made against the Member or Damages sought from the Member include both covered and uncovered matters, the Pool and the Member will use their best efforts to determine a fair and appropriate allocation of Damages between that portion of Damages that is covered under this Coverage Document and that portion of Damages that is not covered under this Coverage Document. The Pool and the Member will take into account the relative legal and financial exposures of, and relative benefits obtained in connection with the defense or settlement of, the Claim. In the event the Pool and the Member cannot reach an agreement as to an allocation of Damages, then the parties will each contribute the amount proposed by the Pool until a final amount is agreed upon or determined pursuant to the provisions of this Coverage Document and applicable law.

10. If the Pool determines that the Limits of Liability under this Coverage Document may be insufficient to pay or settle any covered Claim or Claims or First-Party Loss, or if there are multiple or competing Claims against one or more Members, the Pool may, in its sole

discretion, tender the remaining Limits of Liability available under this Coverage Document, either to the treasury of the Named Member, a person authorized to receive funds for the Named Member, or the registry of a court of competent jurisdiction and exhaust the Limits of Liability under this Coverage Document. B. COVERAGE DOCUMENT AS PROPRIETARY

This Coverage Document is a proprietary instrument created by the Pool and includes confidential information and trade secrets that might be beneficial to competitors in the marketplace. Therefore, if requests are made for the Coverage Document, or for any other documents related to reasonably anticipated or ongoing litigation, the Member must inform the Pool immediately and may not turn over such documents without the Pool's written consent. In the event a request is made for such documents under the Public Information Act, the Member must object to the production with the Attorney General and provide third-party notice of the request to the Pool.

C. CCD

The CCD issued by Pool for any Coverage Document Period constitutes terms and conditions for that Coverage Document Period, and constitutes part of the Coverage Document for the Coverage

Document Period. In the case of an extension of coverage, the CCD may be issued in the form of an extension endorsement.

D. DELIVERY OF THIS COVERAGE DOCUMENT

Delivery of this Coverage Document to the Named Member shall be considered delivery to each Member and the Named Member is authorized by each Member to accept delivery on the Member's behalf.

Neither the Named Member, nor any of its employees, agents, attorneys, elected officials, or representatives, shall, except at its own cost, make any payment, assume or admit any liability, waive any defense or settle any Claim or action or incur any expense, without the prior written consent of the Pool. Any voluntary payments made or expenses incurred shall be the sole obligation of the Member. Any liability admitted, assumed or settled, or defenses waived, without prior written consent of the Pool, shall terminate the duty of the Pool to defend or indemnify any Member against the Claim.

3. Further, the Member shall not demand, or agree to, arbitration or mediation of any Claim made against the Member without prior written consent of the Pool.

4. Each Member agrees to cooperate with the Pool in the prosecution of Claims, suits, indemnity actions, cross-claims, and/or counterclaims as the Pool, in its sole discretion, shall deem to be appropriate with respect to any Claim or suit brought against any Member and each Member agrees to execute papers as are required to be executed in the defense of any action against any Member, or with respect to the prosecution of Claims, suits, indemnity actions, cross-claims, counterclaims, and efforts to settle a Claim, including offers of judgement.

2. Nothing contained in this Coverage Document shall give the Member or any person, firm, corporation or organization other than the Pool, any right to join the Pool as a party in any action or proceeding against the Member to determine the Member's liability.

3. Any action against the Pool by the Member or any other person must be brought within two years and one day after the cause of action accrues.

J. SUBROGATION

If it makes any payment under this Coverage Document, the Pool shall be subrogated to all of the Member's rights of indemnity or recovery, against any individual, firm, corporation, organization, or any other person. The Member shall execute and deliver instruments and papers and do whatever else shall be reasonably requested to advance the Pool's pursuit of its subrogation rights, and Members shall do nothing after any Claim is made to prejudice the Pool's rights. The Pool shall be entitled to take over and conduct, in the name of the Member, for the Pool's own benefit, any Claim to which the Pool is subrogated against any third party. The Pool may pursue or settle any Claim for its own benefit at its sole discretion.

1. Either party to this Coverage Document may cancel or non-renew this Document by giving notice of such intent to the other party. The notice must be in writing and must be delivered by certified mail, return receipt requested via U.S. Mail to the other party. Except for notice of cancellation or non-renewal by the Pool for nonpayment of Contributions, such notice must be given not less than 60 days prior to the effective date of cancellation.

2. The Pool may, in the Pool's sole discretion, permit the Named Member, upon the Named Member's written request, to terminate this Coverage Document by giving the Pool not less than 30 days' notice.

3. Notice of cancellation by the Named Member must be addressed to:

   Texas Association of Counties Risk Management Pool
   Attn: Member Services
   P.O. Box 2131
   Austin, Texas 78768-2131

4. The Pool may cancel or non-renew this Coverage Document for the following:

   a. For nonpayment of Contributions, unless other provision for payment has been made by express written agreement between the Named Member and the Pool;

   b. If there is an increase in risk or hazard within the Named Member's control which would result in an increase in the rate or amount of Contribution;

   c. For fraud in the obtaining of coverage;

   d. If the Pool is placed in supervision, conservatorship, or receivership and the cancellation is approved or directed by the supervisor, conservator or receiver;

   e. If the Named Member does not implement risk management techniques required by the Pool during the initial Coverage Document Period, or if risk management techniques do not result in the Named Member's attaining a risk level sufficient to meet the Pool's underwriting criteria during the initial coverage period;

   f. For underwriting reasons;

   g. If the Interlocal Participation Agreement between the parties is terminated or the Named Member withdraws or is expelled from the Pool; or

   h. For the Named Member's violation of any of the Named Member's other obligations under the Pool's Bylaws or the Interlocal Participation Agreement between the Named Member and the Pool.

5. If the Pool cancels this Coverage Document for fraud in the obtaining of coverage or for nonpayment of Contributions the cancellation shall be effective at 12:01 a.m. on the 10th day following the Pool's placement of the notice of cancellation in the U.S. Mail. These conditions do not waive or alter any other applicable provisions of the Pool's Bylaws or the Interlocal Participation Agreement between the Named Member and the Pool.

6. Notice of cancellation by the Pool may be given to the county judge or presiding officer of the Named Member at the Named Member's address shown in the CCD.

L. RETAINED CONTRIBUTION PROPORTIONS

If this Coverage Document is terminated by or on behalf of the Pool, the Pool shall retain the customary pro-rata proportion of the contribution.

M. CERTAIN MODIFIED TERMS

An increase in contribution or deductible, or reduction in Limit of Liability or Aggregate, or addition of endorsements to the Coverage Document, does not constitute a termination or refusal to renew this Coverage Document.

N. CHANGES

The Pool may make changes to this Coverage Document, as permitted by the Pool's Bylaws, the Interlocal Participation Agreement between the Named Member and the Pool, and the laws governing the creation and operation of the Pool. This Coverage Document's terms cannot be amended or waived without the written authorization of the Pool. Any changes to the Pool's Bylaws, the Interlocal Participation Agreement between the Pool and the Named Member, or the Pool's underwriting standards or criteria are incorporated.

O. LIBERALIZATION

If the Pool changes this Coverage Document to provide more coverage without additional premium charge, the additional coverage will be effective as of the day indicated in the Pool's written notice of change to the Named Member.

P. WAIVER

Notice to any agent or knowledge possessed by any agent or by any other person of any fact, condition or other matter which might constitute grounds for denial of coverage shall not effect a waiver or a change in any part of this Coverage Document or estop the Pool from asserting any rights, including a right to deny coverage, under this Coverage Document. The terms of this Coverage Document may not be waived or changed except by a written endorsement issued by the Pool.

Q. ASSIGNMENT

Assignment of any interest under this Coverage Document shall not bind the Pool without its prior written consent.

R. OTHER COVERAGE OR INSURANCE

If there is or may be other coverage or insurance against any incident, loss or Claim for which coverage is afforded under this Coverage Document, the coverage provided under this Coverage Document shall be deemed to be excess over any valid and collectible coverage or insurance available to any Member against whom a Claim is made. Members shall respond promptly to any reasonable inquiries from the Pool concerning other coverage or insurance that may be afforded to the Member or certain Members.

However, coverage will not be extended under this Coverage Document for any Claim for which a Member has or had occurrence-based coverage or insurance in place at the time of the Wrongful Act or occurrence resulting in any Claim.

S. JURISDICTION AND VENUE

The validity and interpretation of this Coverage Document will be governed by the laws of the State of Texas. This Coverage Document is performable and enforceable in Travis County, Texas. The state district courts in Travis County will be the sole and exclusive venue for any litigation, special proceeding, or other proceeding arising from the performance of this Coverage Document.

T. ENTIRE AGREEMENT

The Coverage Document, the Pool's Bylaws and Plan of Operation and the Interlocal Participation Agreement between the Pool and the Named Member together constitute the entire coverage agreement and this agreement cannot be modified except as agreed in writing. In the event of any conflicts regarding the coverage afforded, this Coverage Document controls.

U. REPRESENTATIONS

By accepting this Coverage Document, the Member agrees that the Member's statements in the application for Coverage and renewal documents are the Member's agreements and representations, that this Document is issued in reliance upon the truth of such representations and that this Coverage Document, the Pool's Bylaws, the Interlocal Participation Agreement between the Member and the Pool, and the Pool's duly adopted underwriting standards and criteria embody all agreements existing between the Member and the Pool or any of the Pool's agents relating to this Coverage Document.

V. PAYMENT

Payment of contribution to the Pool by the Named Member, as consideration for this agreement, shall be made as set forth in the CCD.

W. TWO OR MORE COVERAGE DOCUMENTS ISSUED BY THE POOL

If this Coverage Document and any other coverage document issued to the Named Member by the Pool apply to the same Claim or Loss, the aggregate maximum limit of liability under all coverage documents shall not exceed the highest applicable limit of liability under any one coverage document. The Pool and the Named Member agree that the limits of Pool coverages do not combine with respect to payment of Damages, Claims Expenses, or any other Loss. This condition does not apply to any coverage document issued by the Pool specifically to apply as excess insurance over this Coverage Document.

X. EXAMINATION OF THE NAMED MEMBER'S BOOKS AND RECORDS

The Pool may examine and audit the Named Member's books and records as they relate to this Coverage Document or as may be required for the administration of the Pool.

Y. INSPECTIONS AND LOSS CONTROL

The Pool has the right but is not obligated to:

1. Make inspections and surveys at any time;

2. Make risk management appraisals of the Named Member's operations, policies, procedures, vehicles, personnel and facilities;

3. Require the Named Member to implement and follow risk management procedures or techniques established by the Pool to reduce risk sufficient to meet the Pool's underwriting criteria. Any inspections, surveys, reports or requirements relate only to the Named Member's eligibility for liability coverage and the Contribution to be charged. The Pool does not make safety inspections. The Pool does not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public, nor does the Pool warrant that conditions are safe or healthful or comply with laws, regulations, codes or standards.

This condition applies not only to the Pool, but also to any rating, advisory, rate service or similar organization which makes insurance inspections, surveys, reports or recommendations.

SECTION VI - EXTENDED REPORTING PERIOD

A. No Automatic or Optional Extended Reporting Period will be provided if the Pool cancels coverage for non-payment of contribution, cancels or rescinds coverage for material misrepresentation or fraud or cancels or rescinds coverage for violation by the Named Member of the Interlocal Participation Agreement, bylaws or other rules governing the conduct of Member of the Pool.

B. If the Pool cancels or non-renews the coverage provided under this Coverage Document, the Named Member will have the right to an automatic extended reporting period of (60) days, which will commence on the effective date of such cancellation or nonrenewal. During the automatic extended reporting period, a Member may give notice to the Pool of any Covered Event that commenced on or after the Retroactive Date, if any, shown in the CCD and before the effective date of the cancellation or non-renewal and for which a Claim was first made against the Member, or which gives rise to a First-Party Loss, during the Coverage Document Period or the automatic extended reporting period. Such notice must be given in accordance with Section V.G.

C. If the Pool terminates or refuses to renew this Coverage Document for reasons other than the Named Member's fraud in obtaining coverage or non-payment of contributions or deductibles or non-compliance with the terms and conditions of this Coverage Document, or if the Named Member terminates or refuses to renew this Coverage Document, the Named Member, upon payment of an additional contribution as set forth below, shall have the option to extend the claims made coverage afforded by this Coverage Document to apply to Claims first made against the Named Member during the 12 or 24 month period immediately following the Effective Date of the termination. An Optional Extended Reporting Period is limited to and shall only be effective for purposes of any Wrongful Act committed before the date on which the Optional Extended Reporting Period began and after the retroactive date set forth in the CCD, if any, subject to the terms, conditions, definitions, Limits of Liability, exclusions and deductible provisions of the Coverage Document in effect on the date the Optional Extended Reporting Period is exercised.

D. An increase in contribution or deductible, or reduction in Limit of Liability or Aggregate, does not constitute a termination or refusal to renew this Coverage Document that would trigger an option to elect an Optional Extended Reporting Period.

E. The extension of coverage for Claims made and reported after termination of the Coverage Document shall be endorsed, if purchased, and shall be referred to in this Coverage Document as the Optional Extended Reporting Period. Individual Claims made and reported during any Optional Extended Reporting Period shall be deemed to have occurred during the most recent Coverage Document Period and all terms of the Coverage Document shall apply.

F. The contribution for the Optional Extended Reporting Period elected by the Named Member shall be:

1. For a 12 month Optional Extended Reporting Period: 100 percent of the full annual contribution for coverage under this Coverage Document;

2. For a 24 month Optional Extended Reporting Period: 150 percent of the full annual contribution for coverage under this Coverage Document.

G. As a condition precedent to the Named Member's right to purchase the Optional Extended Reporting Period coverage, the Named Member must tender payment of all contributions and any unpaid deductibles due for the preceding period of coverage. The Named Member's right to purchase the Optional Extended Reporting Period coverage must be exercised by notice in writing and tendering of the contribution due not later than 10 days after the termination of this Coverage Document. If notice and contributions are not timely and properly made to the Pool, the Named Member shall not at a later date have any right to elect an Optional Extended Reporting Period.

H. At the beginning of any Optional Extended Reporting Period, the entire contribution shall be deemed earned, and if the Named Member terminates the Optional Extended Reporting Period before the expiration of its full term for any reason, the Pool shall not be liable to return to the Named Member any portion of the contribution for the Optional Extended Reporting Period.

I. The Automatic Extended Reporting Period will not apply where an Optional Extended Reporting Period has been purchased or to Claims that are covered under any subsequent coverage a Named Member purchased for a Member's benefit, or that would be covered by any such subsequent insurance or other coverage but for exhaustion of the amount of insurance applicable to the Claims or any applicable retention amount.

THIS IS A CLAIMS MADE COVERAGE DOCUMENT. PLEASE READ THE ENTIRE COVERAGE DOCUMENT CAREFULLY.

The Texas Association of Counties Risk Management Pool (Pool) was and is created to enable Members to purchase coverage against liability Claims. The Pool is not an insurance company. This is not a contract of insurance but is an agreement for liability coverage pursuant to the provisions of Chapter 119 of the Texas Local Government Code, and under Chapters 791 and 2259 of the Texas Government Code. Under this agreement, political subdivisions create and contribute to a pool as an alternative to commercial insurance markets. No part of this Coverage Document is subject to the Texas Insurance Code.

Except to the extent as may otherwise be provided herein, the coverage of this Coverage Document is limited to only those Claims THAT ARE FIRST MADE AGAINST THE MEMBER DURING THE COVERAGE DOCUMENT PERIOD AND TIMELY REPORTED TO THE POOL.

The Contribution and Coverage Declarations (CCD) issued to the Named Member by the Pool is part of this Coverage Document, subject to the terms, conditions, definitions, exclusions, and sublimits contained in this Coverage Document, any endorsements, and the Interlocal Participation Agreement (IPA).

Words and phrases that are capitalized have special meaning. Refer to SECTION II-DEFINITIONS

SECTION I - CLAIMS MADE COVERAGE AGREEMENT: PAYMENT AND DEFENSE

In consideration of the Member's contribution to the Pool, and in reliance upon the representations made by the Member in the application and any renewal application for this coverage, and subject to all provisions contained in this Coverage Document, including any endorsements, the Pool agrees as follows:

A. WHAT WE WILL PAY

The Pool will pay on behalf of the Member, subject to all provisions contained in this Coverage Document, any sums which the Member shall become legally obligated to pay as Damages or Claims Expenses solely by reason of any Wrongful Act stated in a Claim.

PROVIDED ALWAYS that the following are true:

1. Notice of Claim occurs during the Coverage Document Period;

2. Notice is provided by the Member to the Pool during the Coverage Document Period (or during the Optional Extended Reporting Period, if applicable);

3. The Wrongful Act for which Claim is made happened during the Coverage Document Period or on or after the retroactive date set forth in the CCD; provided, however that if the Wrongful Act happened before the Coverage Document Period, the Named Member did not give notice to any prior insurer or coverage provider; and

4. The Member had no knowledge or reason to believe at the inception of the Coverage Document Period or any extensions or renewals that any Wrongful Act was likely to result in a Claim being made against any Member.

B. DEFENSE, SETTLEMENT AND ALLOCATION OF DAMAGES

1. Subject to all of the provisions contained in this Coverage Document, the Pool has the right and duty to defend any Claim against the Member alleging a Wrongful Act and seeking Damages potentially covered by this Coverage Document, except that the Pool's duty to defend shall terminate:

   a. If it is conclusively established that the Claim is not covered by this Coverage Document. This exception applies even if the fact conclusively established overlaps with the merits or contradicts the factual allegations of the Claim;
   b. If the Member committed, or is identified as the perpetrator of, reckless, malicious, or criminal acts or omissions;
   c. If we have paid the full amount of the Limits or sublimits applicable to the Claim or on Aggregate;
   d. If the Member breaches any duty under this Coverage Document.

2. The Pool will provide, subject to the other provisions of the Coverage Document, a defense to a Claim alleging fraud, dishonesty, or bad faith on the part of any Member that is excluded under Section IV.A.1.; provided, however, that the duty to defend will terminate if it is conclusively established that the acts of dishonesty, fraud, or bad faith were committed by the Member and were material to the Claim. This exception applies even if the fact conclusively established overlaps with the merits or contradicts the factual allegations of the Claim.

3. The Pool will provide, subject to the other provisions of the Coverage Document, a defense to a reckless, malicious, or criminal act or omission Claim against a Member that is excluded under Section IV.A.8; provided, however, that the Pool's obligation is limited to the defense of the Named Member or any Member who did not commit, or is not identified as the perpetrator, of the reckless, malicious, or criminal act or omission.

4. The Pool will provide, subject to the other provisions of the Coverage Document, a defense to a constitutional or statutory takings Claim that is excluded from coverage under Section IV.A.7; provided, however, that the Pool's Claim Expense obligation is limited to $50,000 per Claim and $50,000 in the Aggregate. This limited duty to defend is the Pool's sole obligation under this provision.

5. If a suit alleges causes of action, some of which are potentially covered by this Coverage Document and others of which are not covered, the Pool has the right, but not the duty, to defend you against those causes of action which are not covered. If the Pool elects not to defend you against the non-covered causes of action, the Pool will notify you of our decision.

6. The Pool shall have the right to control the defense of any Claim, including the right to select defense counsel for any Member. Member may retain additional counsel at its own expense but the Pool retains the exclusive right to control the defense.

7. The Pool shall have the right, but not the duty, to appeal any judgment adverse to the Member.

9. The Pool has no duty to defend a Member before a Claim is presented.

   a. Upon written request to the Pool by the Named Member for pre-Claim involvement of the Pool prior to the formal existence of a Claim, the Pool has the right, but not the duty, to designate attorneys, investigators, or other persons to perform work and incur expenses on behalf of the Named Member where the Pool anticipates a Claim.

   b. If, in the sole discretion of the Pool, employing the services of attorneys, investigators, or other persons to perform work and incur expenses on behalf of any Member, or the Pool, is deemed appropriate to protect Pool interests prior to the formal existence of a Claim, the Pool has the right, but not the duty, to employ persons as a Pool operational expense.

   c. Pre-claim involvement of the Pool under 9.a or 9.b shall not constitute a waiver of any rights the Pool may have pursuant to any provisions of this Coverage Document. The Pool may withdraw at any time from pre-Claim involvement under 9.a or 9.b.

10. The Pool shall have the right, but not the duty, to monitor and participate in the defense of any investigatory, administrative, or disciplinary proceeding relating to any Wrongful Act of the Member. that portion of Damages that is covered under this Coverage Document and that portion of Damages that is not covered under this Coverage Document. The Pool and the Member will take into account the relative legal and financial exposures of, and relative benefits obtained in connection with the defense or settlement of, the Claim. In the event the Pool and the Member cannot reach an agreement as to an allocation of Damages, then the parties will each contribute the amount proposed by the Pool until a final amount is agreed upon or determined pursuant to the provisions of this Coverage Document and applicable law.

13. If the Pool determines that the Limits of Liability under this Coverage Document may be insufficient to pay or settle any covered Claim or Claims, or if there are multiple or competing Claims against one or more Members, the Pool may, in its sole discretion, tender the remaining Limits of Liability available under this Coverage Document, either to the treasury of the Named Member, a person authorized to receive funds for the Named Member, or the registry of a court of competent jurisdiction and exhaust the Limits of Liability under this Coverage Document. M. CHANGES

The Pool may make changes to this Coverage Document, as permitted by the Pool's Bylaws, the Interlocal Participation Agreement between the Named Member and the Pool, and the laws governing the creation and operation of the Pool. This Coverage Document's terms cannot be amended or waived without the written authorization of the Pool. Any changes to the Pool's Bylaws, the Interlocal Participation Agreement between the Pool and the Named Member, or the Pool's underwriting standards or criteria are incorporated.

N. LIBERALIZATION

If the Pool changes this Coverage Document to provide more coverage without additional premium charge, the additional coverage will be effective as of the day indicated in the Pool's written notice of change to the Named Member.

O. WAIVER

Notice to any agent or knowledge possessed by any agent or by any other person of any fact, condition, or other matter which might constitute grounds for denial of coverage shall not effect a waiver or a change in any part of this Coverage Document or estop the Pool from asserting any rights, including a right to deny coverage, under this Coverage Document. The terms of this Coverage Document may not be waived or changed except by a written endorsement issued by the Pool.

P. ASSIGNMENT

Assignment of any interest under this Coverage Document shall not bind the Pool without its prior written consent.

Q. OTHER COVERAGE OR INSURANCE

If there is or may be other coverage or insurance against any incident, loss or Claim for which coverage is afforded under this Coverage Document, the coverage provided under this Coverage Document shall be deemed to be excess over any valid and collectible coverage or insurance available to any Member against whom a Claim is made. Members shall respond promptly to any reasonable inquiries from the Pool concerning other coverage or insurance that may be afforded to the Member or certain Members.

However, coverage will not be extended under this Coverage Document for any Claim for which a Member has or had occurrence-based coverage or insurance in place at the time of the Wrongful Act or occurrence resulting in any Claim.

R. JURISDICTION AND VENUE

The validity and interpretation of this Coverage Document will be governed by the laws of the State of Texas. This Coverage Document is performable and enforceable in Travis County, Texas. The state district courts in Travis County will be the sole and exclusive venue for any litigation, special proceeding, or other proceeding arising from the performance of this Coverage Document.

S. ENTIRE AGREEMENT

The Coverage Document, the Pool's Bylaws and Plan of Operation and the Interlocal Participation Agreement between the Pool and the Named Member together constitute the entire coverage agreement and this agreement cannot be modified except as agreed in writing. In the event of any conflicts regarding the coverage afforded, this Coverage Document controls.

T. PAYMENT

Payment of contribution to Pool by Named Member, as consideration for this agreement, shall be made as set forth in the CCD.

U. TWO OR MORE COVERAGE DOCUMENTS ISSUED BY THE POOL

If this Coverage Document and any other coverage document issued to the Named Member by the Pool apply to the same Claim, the aggregate maximum limit of liability under all coverage documents shall not exceed the highest applicable limit of liability under any one coverage document. This condition does not apply to any coverage document issued by the Pool specifically to apply as excess insurance over this Coverage Document.

V. EXAMINATION OF THE NAMED MEMBER'S BOOKS AND RECORDS

The Pool may examine and audit the Named Member's books and records as they relate to this Coverage Document or as may be required for the administration of the Pool.

W. INSPECTIONS AND LOSS CONTROL

The Pool has the right but is not obligated to:

1. Make inspections and surveys at any time;

2. Make risk management appraisals of the Named Member's operations, policies, procedures, vehicles, personnel and facilities;

3. Require the Named Member to implement and follow risk management procedures or techniques established by the Pool to reduce risk sufficient to meet the Pool's underwriting criteria. Any inspections, surveys, reports or requirements relate only to the Named Member's eligibility for liability coverage and the contribution to be charged. The Pool does not make safety inspections. The Pool does not undertake to

perform the duty of any person or organization to provide for the health or safety of workers or the public, nor does the Pool warrant that conditions are safe or healthful or comply with laws, regulations, codes, or standards.

This condition applies not only to the Pool, but also to any rating, advisory, rate service or similar organization which makes insurance inspections, surveys, reports, or recommendations.

SECTION VI - EXTENDED REPORTING PERIOD

A. If the Pool terminates or refuses to renew this Coverage Document for reasons other than the Named Member's fraud in the obtaining of coverage or non-payment of contributions or deductibles or non-compliance with the terms and conditions of this Coverage Document, or if the Named Member terminates or refuses to renew this Coverage Document, the Named Member, upon payment of an additional contribution as set forth below, shall have the option to extend the claims made coverage afforded by this Coverage Document to apply to Claims first made against the Named Member during the 12 or 24 month period immediately following the Effective Date of the termination. An Optional Extended Reporting Period is limited to and shall only be effective for purposes of any Wrongful Act committed before the date on which the Optional Extended Reporting Period began and after the retroactive date set forth in the CCD, if any, subject to the terms, conditions, definitions, Limits of Liability, exclusions and deductible provisions of the Coverage Document in effect on the date the Optional Extended Reporting Period is exercised.

B. An increase in contribution or deductible, or reduction in Limit of Liability or Aggregate, does not constitute a termination or refusal to renew this Coverage Document that would trigger an option to elect an Optional Extended Reporting Period.

C. The extension of coverage for Claims made and reported subsequent to termination of the Coverage Document shall be endorsed, if purchased, and shall be referred to in this Coverage Document as the Optional Extended Reporting Period. Individual Claims made and reported during any Optional Extended Reporting Period shall be deemed to have occurred during the most recent Coverage Document Period and all terms of the Coverage Document shall apply.

D. The contribution for the Optional Extended Reporting Period elected by the Named Member shall be:

1. For a 12 month Optional Extended Reporting Period: 100 percent of the full annual contribution for coverage under this Coverage Document;

2. For a 24 month Optional Extended Reporting Period: 150 percent of the full annual contribution for coverage under this Coverage Document.

E. As a condition precedent to the Named Member's right to purchase the Optional Extended Reporting Period coverage, the Named Member must tender payment of all contributions and any unpaid deductibles due for the preceding period of coverage. The Named Member's right to purchase the Optional Extended Reporting Period coverage must be exercised by notice in writing and tendering of the contribution due not later than 10 days

after the termination of this Coverage Document: If notice and contributions are not timely and properly made to the Pool, the Named Member shall not at a later date have any right to elect an Optional Extended Reporting Period.

F. At the beginning of any Optional Extended Reporting Period, the entire contribution shall be deemed earned, and if the Named Member terminates the Optional Extended Reporting Period before the expiration of its full term for any reason, the Pool shall not be liable to return to the Named Member any portion of the contribution for the Optional Extended Reporting Period.

Subject: Re: 2026-2027 TAC Renewal

Good afternoon,

We have recently upgraded all of our Firewalls for every office in Maverick County. These new firewalls are modern up to date have current subscriptions for security and threat intelligence which include updates, DNS filtering, anti-malware and sandboxing and application control.

Also implemented is Active Directory for all county offices. This allowed us to create strict policies that don't allow users to install or run executable files without I.T. approval, automatic lock out screen, 90 day password change policy etc.

County wide backup for all desktops and servers to 2 remote sites, giving us the ease to recover, reroute and deploy in the event of a disaster.

If any other questions please advise.

Thank you

CISA migrate to .Gov

SUGGESTED MOTION:

*****COMMISSIONER'S COURT COMMUNICATIONS AND AGENDA ITEMS REQUEST ARE DUE ON WEDNESDAY BEFORE THE NEXT SCHEDULED MEETING AT 9:00 A.M.**

An official website of the United States government Here's how you know

America's Cyber Defense Agency

NATIONAL COORDINATOR FOR CRITICAL INFRASTRUCTURE SECURITY AND RESILIENCE

Migrate to the .Gov Domain

Build trust and strengthen cybersecurity by moving to a .gov address.

Increase Constituent Trust by Going .Gov

Organizations at all levels of government are eligible for .gov domains...and *only* verified U.S. government organizations can register for one. CISA manages .gov domains and verifies the identity of everyone who applies. Having a .gov domain tells the public that your website is an official source of information.

When people see .gov, they know it's a website they can trust—and it's free to your organization.

What is a .gov domain?

Like .com, .org, .edu or .net, .gov is a “top-level” domain—the last part of an internet address like Acme**.com** or StateU**.edu**.

Unlike the other domains, **.gov is reserved exclusively for U.S.-based government organizations**. Only verified federal, state, local, tribal or territorial (SLTT) entities can register for it.

CISA manages the .gov domain space and provides technical support, guidance and tools to help SLTTs onboard smoothly and securely.

Why migrate?

Cybercriminals often create fake websites and email addresses to impersonate government agencies and trick residents into sharing personal or financial information. Migrating your website and email to the .gov domain can help protect your organization and constituents from such scams.

Benefits include:

- Helps the public identify your website as official, trusted information
- Reduces the risk of impersonation attacks
- Improves your email security with features like DMARC enforcement
- Comes with support from CISA for domain management and cybersecurity
- Is required to receive State and Local Cybersecurity Grant Program <https://www.cisa.gov/cybergrants/slcgp> or Tribal Cybersecurity Grant Program <https://www.cisa.gov/cybergrants/tcgp> funds

  And **it's free!**

How do you get started?

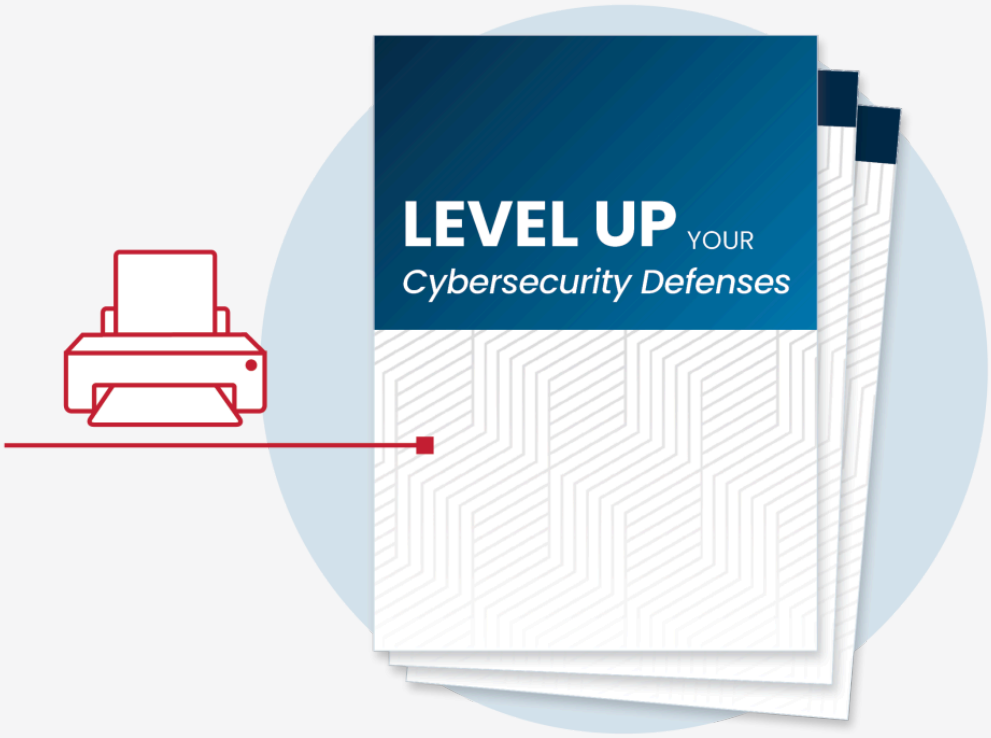

It's easier than you might think—and CISA is here to help.

- Apply at get.gov <https://get.gov/> and follow the instructions.
- Register for a login.gov account if you don't already have one.
- Submit an application—you'll need basic verification of your government status.
- Contact CISA (on get.gov) if you need help.

How will CISA support you?

The .gov registry's team of designers and developers is ready to:

- Help you choose your domain name
- Process your domain request
- Manage your domains
- Provide information on domain security best practices

Examples – legal language

Here's the legal authority for your questions regarding appointment of board members and funding. The language is 'may' and not 'shall'. Also, perhaps, the Texas Council of Child Welfare Boards could assist the counties that need it. This link should take you right to it. I realize you may have already tried this route as well so disregard if you have. REGION 8 | Texas Council of CWB (tccwb.org)

Sec. 264.005. COUNTY CHILD WELFARE BOARDS. (a) The commissioners court of a county may appoint a child welfare board for the county. The commissioners court and the department shall determine the size of the board and the qualifications of its members. However, a board must have not less than seven and not more than 15 members, and the members must be residents of the county. The members shall serve at the pleasure of the commissioners court and may be removed by the court for just cause. The members serve without compensation.

(b) With the approval of the department, two or more counties may establish a joint child welfare board if that action is found to be more practical in accomplishing the purposes of this chapter. A board representing more than one county has the same powers as a board representing a single county and is subject to the same conditions and liabilities.

(c) The members of a county child welfare board shall select a presiding officer and shall perform the duties required by the commissioners court and the department to accomplish the purposes of this chapter.

(d) A county child welfare board is an entity of the department for purposes of providing coordinated state and local public welfare services for children and their families and for the coordinated use of federal, state, and local funds for these services. The child welfare board shall work with the commissioners court.

(e) A county child welfare board is a governmental unit for the purposes of Chapter 101, Civil Practice and Remedies Code.

Examples - Legal Language

(f) A county child protective services board member may receive information that is confidential under Section 40.005, Human Resources Code, or Section 261.201 when the board member is acting in the member's official capacity.

Added by Acts 1995, 74th Leg., ch. 20, Sec. 1, eff. April 20, 1995. Amended by Acts 1997, 75th Leg., ch. 575, Sec. 24, eff. Sept. 1, 1997.

Sec. 264.006. COUNTY FUNDS. The commissioners court of a county may appropriate funds from its general fund or any other fund for the administration of its county child welfare board. The court may provide for services to and support of children in need of protection and care without regard to the immigration status of the child or the child's family.

Added by Acts 1995, 74th Leg., ch. 20, Sec. 1, eff. April 20, 1995. Amended by Acts 1997, 75th Leg., ch. 575, Sec. 25, eff. Sept. 1, 1997.

ICE/ERO Acting Executive Associate Director
U.S. Immigration and Customs Enforcement Department of Homeland Security
500 12 Street SW
Washington, DC 20536

Dear Acting Executive Associate Director:

I am writing to request Maverick County Constable's Pct 3-2 Office participation in the Task Force Model (TFM) pursuant to 287(g) of the Immigration and Nationality Act. Given our agency's current relationship with ICE, this partnership will enable us to better serve and meet the needs of the residents of Maverick County, Texas.

I have been in contact with your local ERO Field Office 287(g) Representative and am proposing the following:

- The establishment of a Task Force Model Program for the Maverick County Constable's Pct 3-2 Office, located in Quemado, Texas.
- Train law enforcement officers to serve as 287(g) Task Force officers under the TFM model. I understand the requirements for selection of these officers.

The Task Force Model will allow us to enter into a Memorandum of Agreement which will enable my agency' to assist in the identification and apprehension of illegal aliens who may pose a risk to public safety in Maverick County. I look forward to your speedy endorsement of this request in hopes of moving forward with the program for the benefit of both agencies.

If there are any questions or other needs which would assist in processing this request, please do not hesitate to contact my office.

Maverick County Constable, Pct. 3C

MEMORANDUM OF AGREEMENT
287(g) Task Force Model

This Memorandum of Agreement (MOA) constitutes an agreement between United States Immigration and Customs Enforcement (ICE), a component of the Department of Homeland Security (DHS), and the Maverick County Constable's Office Pct 3 (2), Texas, pursuant to which ICE delegates to nominated, trained, and certified officers or employees of the Maverick County Constable's Office Pct 3 (2), Texas (hereinafter interchangeably referred to as "Law Enforcement Agency" (LEA)), the authority to perform certain immigration enforcement functions as specified herein. The LEA represents Maverick County Constable's Office Pct 3 (2), Texas in the implementation and administration of this MOA. The LEA and ICE enter into this MOA in good faith and agree to abide by the terms and conditions contained herein. The ICE and LEA points of contact for purposes of this MOA are identified in Appendix A.

I. PURPOSE

The purpose of this MOA is to set forth the terms and conditions pursuant to which selected LEA personnel (participating LEA personnel) will be nominated, trained, and thereafter be approved by ICE to perform certain functions of an immigration officer under the direction and supervision of ICE within the LEA's jurisdiction. This MOA sets forth the scope of the immigration officer functions that DHS is authorizing the participating LEA personnel to perform. Nothing contained herein shall otherwise limit the jurisdiction and powers normally possessed by participating LEA personnel as members of the LEA. However, the exercise of the immigration enforcement authority granted under this MOA to participating LEA personnel shall occur only as provided in this MOA. This MOA also describes the complaint procedures available to members of the public regarding immigration enforcement actions taken pursuant to this agreement by participating LEA personnel.

II. AUTHORITY

Section 287(g) of the Immigration and Nationality Act (INA), codified at 8 U.S.C. § 1357(g), as amended by the Homeland Security Act of 2002, Public Law 107-296, authorizes the Secretary of Homeland Security, or her designee, to enter into written agreements with a State or any political subdivision of a State so that qualified officers and employees can perform certain functions of an immigration officer. This MOA constitutes such a written agreement.

III. POLICY

This MOA sets forth the scope of the immigration officer functions that DHS is authorizing the participating LEA personnel to perform. It sets forth with specificity the duration of the authority conveyed and the specific lines of authority, including the requirement that participating LEA personnel be subject to ICE direction and supervision while performing delegated immigration officer functions pursuant to this MOA. For the purposes of this MOA, ICE officers will provide direction and supervision for participating LEA personnel only as to immigration enforcement functions as authorized in this MOA. The LEA retains supervision of all other aspects of the employment and performance of duties of participating LEA personnel.

IV. TRAINING AND ASSIGNMENTS

Before participating LEA personnel receive authorization to perform immigration officer functions granted under this MOA, they must successfully complete mandatory training on relevant administrative, legal, and operational issues tailored to the immigration enforcement functions to be performed as provided by ICE instructors and thereafter pass examinations equivalent to those given to ICE officers. The mandatory training may be made available to the LEA in both in-person and online, recorded or virtual-meeting formats, as determined by ICE. Only participating LEA personnel who are nominated, trained, certified, and authorized, as set out herein, have authority pursuant to this MOA to conduct the delegated immigration officer functions, under ICE direction and supervision, enumerated in this MOA.

Upon the LEA's agreement, participating LEA personnel performing immigration-related duties pursuant to this MOA will be assigned to various units, teams, or task forces designated by ICE.

V. DESIGNATION OF AUTHORIZED FUNCTIONS

For the purposes of this MOA, participating LEA personnel are authorized to perform the following functions pursuant to the stated authorities, subject to the limitations contained in this MOA:

- The power and authority to interrogate any alien or person believed to be an alien as to his right to be or remain in the United States (INA § 287(a)(1) and 8 C.F.R. § 287.5(a)(l)) and to process for immigration violations those individuals who have been arrested for State or Federal criminal offenses.

- The power and authority to arrest without a warrant any alien entering or attempting to unlawfully enter the United States in the officer's presence or view, or any alien in the United States, if the officer has reason to believe the alien to be arrested is in the United States in violation of law and is likely to escape before a warrant can be obtained. INA § 287(a)(2) and 8 C.F.R. § 287.5(c)(1). Subsequent to such arrest, the arresting officer must take the alien without unnecessary delay for examination before an immigration officer having authority to examine aliens as to their right to enter or remain in the United States.

- The power to arrest without warrant for felonies which have been committed and which are cognizable under any law of the United States regulating the admission, exclusion, expulsion, or removal of aliens, if the officer has reason to believe the alien to be arrested is in the United States in violation of law and is likely to escape before a warrant can be obtained. INA § 287(a)(4) and 8 C.F.R. § 287.5(c)(2).

- The power to serve and execute warrants of arrest for immigration violations under INA § 287(a) and 8 C.F.R. § 287.5(e)(3).

- The power and authority to administer oaths and to take and consider evidence (INA § 287(b) and 8 C.F.R. § 287.5(a)(2)) to complete required alien processing to include fingerprinting,

photographing, and interviewing, as well as the preparation of affidavits and the taking of sworn statements for ICE supervisory review.

- The power and authority to prepare charging documents (INA § 239, 8 C.F.R. § 239.1; INA § 238, 8 C.F.R § 238.1; INA § 241(a)(5), 8 C.F.R § 241.8; INA § 235(b)(l), 8 C.F.R. § 235.3) including the preparation of the Notice to Appear (NTA) or other charging document, as appropriate, for the signature of an ICE officer for aliens in categories established by ICE supervisors.

- The power and authority to issue immigration detainers (8 C.F.R. § 287.7) and I-213, Record of Deportable/Inadmissible Alien, for aliens in categories established by ICE supervisors.

- The power and authority to take and maintain custody of aliens arrested by ICE, or another State or local law enforcement agency on behalf of ICE. (8 C.F.R. § 287.5(c)(6))

- The power and authority to take and maintain custody of aliens arrested pursuant to the immigration laws and transport (8 C.F.R. § 287.5(c)(6)) such aliens to ICE-approved detention facilities.

VI. RESOLUTION OF LOCAL CHARGES

The LEA is expected to pursue to completion prosecution of any state or local charges that caused the alien to be taken into custody. ICE may assume custody of aliens who have been convicted of a state or local offense only after such aliens have concluded service of any sentence of incarceration. The ICE Enforcement and Removal Operations Field Office Director or designee shall assess on a case-by-case basis the appropriate actions for aliens who do not meet the above criteria based on special interests or other circumstances after processing by the LEA.

After notification to and coordination with the ICE supervisor, the alien whom participating LEA personnel have determined to be removable will be arrested on behalf of ICE by participating LEA personnel and be transported by the LEA on the same day to the relevant ICE detention office or facility.

VII. NOMINATION OF PERSONNEL

The chief officer of the LEA will nominate candidates for initial training and certification under this MOA. For each candidate, ICE may request any information necessary for a background check and to evaluate a candidate's suitability to participate in the enforcement of immigration authorities under this MOA. All candidates must be United States citizens. All candidates must have at least two years of LEA work experience. All candidates must be approved by ICE and must be able to qualify for appropriate federal security clearances and access to appropriate DHS and ICE databases/systems and associated applications.

Should a candidate not be approved, a substitute candidate may be submitted if time permits such substitution to occur without delaying the start of training. Any subsequent expansion in the number of participating LEA personnel or scheduling of additional training classes may be based

on an oral agreement of the parties but will be subject to all the requirements of this MOA.

VIII. TRAINING OF PERSONNEL

ICE will provide participating LEA personnel with the mandatory training tailored to the immigration functions to be performed. The mandatory training may be made available to the LEA in both in-person and online, recorded or virtual-meeting formats, as determined by ICE.

Training will include, among other things: (i) discussion of the terms and limitations of this MOA; (ii) the scope of immigration officer authority; (iii) relevant immigration law; (iv) the ICE Use of Force Policy; (v) civil rights laws; (vi) the detention of aliens; (vii) public outreach and complaint procedures; (viii) liability issues; (ix) cross-cultural issues; and (x) the obligations under federal law, including applicable treaties or international agreements, to make proper notification upon the arrest or detention of a foreign national.

Approximately one year after the participating LEA personnel are trained and certified, ICE may provide additional updated training on relevant administrative, legal, and operational issues related to the performance of immigration officer functions, unless either party terminates this MOA pursuant to Section XVIII below. Local training on relevant issues will be provided on an ongoing basis by ICE supervisors or a designated team leader.

IX. CERTIFICATION AND AUTHORIZATION

ICE will certify in writing the names of those LEA personnel who successfully complete training and pass all required testing. Upon certification, ICE will provide the participating LEA personnel with a signed authorization to perform specified functions of an immigration officer for an initial period of two years from the date of the authorization. ICE will also provide a copy of the authorization to the LEA. The ICE supervisory officer, or designated team leader, will evaluate the activities of all personnel certified under this MOA.

Authorization of participating LEA personnel to act pursuant to this MOA may be revoked at any time and for any reason by ICE or the LEA. Such revocation will require notification to the other party to this MOA within 48 hours. The chief officer of the LEA and ICE will be responsible for notification of the appropriate personnel in their respective agencies. The termination of this MOA, pursuant to Section XVIII below, shall constitute revocation of all immigration enforcement authorizations delegated herein.

X. COSTS AND EXPENDITURES

Participating LEA personnel will carry out designated functions at the LEA's expense, including salaries and benefits, local transportation, and official issue material. Whether or not the LEA receives financial reimbursement for such costs through a federal grant or other funding mechanism is not material to this MOA.

ICE is responsible for the installation and maintenance of the Information Technology (IT) infrastructure. The use of the IT infrastructure and the DHS/ICE IT security policies are

defined in the Interconnection Security Agreement (ISA). The ISA is the agreement between ICE's Chief Information Security Officer and the LEA's Designated Accreditation Authority. The LEA agrees that each of its sites using an ICE-provided network access or equipment will sign the ISA, which defines the DHS ICE 4300A Sensitive System Policy and Rules of Behavior for each user granted access to the DHS network and software applications. Failure to adhere to the terms of the ISA could result in the loss of all user privileges.

The LEA is responsible for personnel expenses, including, but not limited to, salaries and benefits, local transportation, and official issue material used in the execution of the LEA's mission. ICE will provide instructors and training materials. The LEA is responsible for the salaries and benefits, including any overtime, of all its personnel being trained or performing duties under this MOA and of those personnel performing the regular functions of the participating LEA personnel while they are receiving training. ICE is responsible for the costs of the LEA personnel's travel expenses while in a training status, as authorized by the Federal Travel Regulation and the ICE Travel Handbook. These expenses include housing, per diem and all transportation costs associated with getting to and from training. ICE is responsible for the salaries and benefits of all ICE personnel, including instructors and supervisors.

The LEA is responsible for providing all administrative supplies (e.g. paper, printer toner) necessary for normal office operations. The LEA is also responsible for providing the necessary security equipment, such as handcuffs, leg restraints, etc.

XI. ICE SUPERVISION

Immigration enforcement activities conducted by participating LEA personnel will be supervised and directed by ICE. Participating LEA personnel are not authorized to perform immigration officer functions except when working under the supervision or direction of ICE.

When operating in the field, participating LEA personnel shall contact an ICE supervisor at the time of exercising the authority in this MOA, or as soon as is practicable thereafter, for guidance. The actions of participating LEA personnel will be reviewed by the ICE supervisory officers on an ongoing basis to ensure compliance with the requirements of the immigration laws and procedures and to assess the need for additional training or guidance for that specific individual.

For the purposes of this MOA, ICE officers will provide supervision of participating LEA personnel only as to immigration enforcement functions. The LEA retains supervision of all other aspects of the employment of and performance of duties by participating LEA personnel.

In the absence of a written agreement to the contrary, the policies and procedures to be utilized by the participating LEA personnel in exercising these authorities shall be DHS and ICE policies and procedures, including the ICE Use of Force Policy. However, when engaged in immigration enforcement activities, no participating LEA personnel will be expected or required to violate or otherwise fail to maintain the LEA's rules, standards, or policies, or be required to fail to abide by restrictions or limitations as may otherwise be imposed by law unless doing so would violate

federal law.

If a conflict arises between an order or direction of an ICE supervisory officer and LEA rules, standards, or policies, the conflict shall be promptly reported to ICE, and the chief officer of the LEA, or designee, when circumstances safely allow the concern to be raised. ICE and the chief officer of the LEA shall attempt to resolve the conflict.

Whenever possible, the LEA will deconflict all addresses, telephone numbers, and known or suspected identities of violators of the INA with ICE's Homeland Security Investigations or ICE's Enforcement and Removal Operations prior to taking any enforcement action. This deconfliction will, at a minimum include wants/warrants, criminal history, and a person's address, and vehicle check through TECS II or any successor system.

LEA participating personnel authorized pursuant to this MOA may be assigned and/or co-located with ICE as task force officers to assist ICE with criminal investigations.

XII. REPORTING REQUIREMENTS

The LEA will be responsible for tracking and maintaining accurate data and statistical information for their 287(g) program, including any specific tracking data requested by ICE. Upon ICE's request, such data and information shall be provided to ICE for comparison and verification with ICE's own data and statistical information, as well as for ICE's statistical reporting requirements and to assess the progress and success of the LEA's 287(g) program.

XIII. RELEASE OF INFORMATION TO THIRD PARTIES

The LEA may, at its discretion, communicate the substance of this agreement to the media and other parties expressing an interest in the law enforcement activities to be engaged in under this MOA. It is the practice of ICE to provide a copy of this MOA, only after it has been signed, to requesting media outlets; the LEA is authorized to do the same.

The LEA hereby agrees to coordinate with ICE prior to releasing any information relating to, or exchanged under, this MOA. For releases of information to the media, the LEA must coordinate in advance of release with the ICE Office of Public Affairs, which will consult with ICE Privacy Office for approval prior to any release. The points of contact for ICE and the LEA for this purpose are identified in Appendix C. For releases of information to all other parties, the LEA must coordinate in advance of release with the FOD or the FOD's representative.

Information obtained or developed as a result of this MOA, including any documents created by the LEA that contain information developed or obtained as a result of this MOA, is under the control of ICE and shall not be disclosed unless: 1) permitted by applicable laws, regulations, or executive orders; and 2) the LEA has coordinated in advance of release with (a) the ICE Office of Public Affairs, which will consult the ICE Privacy Office for approval, prior to any release to the media, or (b) an ICE officer prior to releases to all other parties. LEA questions regarding the

applicability of this section to requests for release of information shall be directed to an ICE officer.

Nothing herein limits LEA's compliance with state public records laws regarding those records that are solely state records and not ICE records.

The points of contact for ICE and the LEA for the above purposes are identified in Appendix C.

XIV. LIABILITY AND RESPONSIBILITY

Except as otherwise noted in this MOA or allowed by federal law, and to the extent required by 8 U.S.C. § 1357(g)(7) and (8), the LEA will be responsible and bear the costs of participating LEA personnel regarding their property or personal expenses incurred by reason of death, injury, or incidents giving rise to liability.

Participating LEA personnel will be treated as Federal employees for purposes of the Federal Tort Claims Act, 28 U.S.C. § 1346(b)(1), 2671-2680, and worker's compensation claims, 5 U.S.C. § 8101 et seq., when performing a function on behalf of ICE as authorized by this MOA. *See* 8 U.S.C. § 1357(g)(7); 28 U.S.C. § 2671. In addition, it is the understanding of the parties to this MOA that participating LEA personnel performing a function on behalf of ICE authorized by this MOA will be considered acting under color of federal authority for purposes of determining liability and immunity from suit under federal or state law. *See* 8 U.S.C. § 1357(g)(8).

Participating LEA personnel named as personal-capacity defendants in litigation arising from activities carried out under this MOA may request representation by the U.S. Department of Justice. *See* 28 C.F.R. § 50.15. Absent exceptional circumstances, such requests must be made in writing. LEA personnel who wish to submit a request for representation shall notify the local ICE Office of the Principal Legal Advisor (OPLA) field location at OPLA-DCLD-TortClaims@ice.dhs.gov. ICE OPLA, through its headquarters, will assist LEA personnel with the request for representation, including the appropriate forms and instructions. Unless OPLA concludes that representation clearly is unwarranted, it will forward the request for representation, any supporting documentation, and an advisory statement opining whether: 1) the requesting individual was acting within the scope of his/her authority under 8 U.S.C. § 1357(g) and this MOA; and, 2) such representation would be in the interest of the United States, to the Director of the Constitutional and Specialized Tort Litigation Section, Civil Division, Department of Justice (DOJ). Representation is granted at the discretion of DOJ; it is not an entitlement. *See* 28 C.F.R. § 50.15.

The LEA agrees to cooperate with any federal investigation related to this MOA to the full extent of its available powers, including providing access to appropriate databases, personnel, individuals in custody and documents. Failure to do so may result in the termination of this MOA. Failure of any participating LEA employee to cooperate in any federal investigation related to this MOA may result in revocation of such individual's authority provided under this MOA. The LEA agrees to cooperate with federal personnel conducting reviews to ensure compliance with the terms of this MOA and to provide access to appropriate databases, personnel, and documents necessary to complete such compliance review. It is understood that information provided by any LEA personnel under threat of disciplinary action in an administrative investigation cannot be

used against that individual in subsequent criminal proceedings, consistent with *Garrity v. New Jersey*, 385 U.S. 493 (1967), and its progeny.

As the activities of participating LEA personnel under this MOA derive from federal authority, the participating LEA personnel will comply with federal standards relating to the Supreme Court's decision in *Giglio v. United States*, 405 U.S. 150 (1972), and its progeny, which govern the disclosure of potential impeachment information about possible witnesses or affiants in a criminal case or investigation.

The LEA and ICE are each responsible for compliance with the Privacy Act of 1974, 5 U.S.C. § 552a, DHS Privacy Act regulations, 6 C.F.R. §§ 5.20-5.36, as applicable, and related system of records notices regarding data collection and use of information under this MOA.

XV. COMPLAINT PROCEDURES

The complaint reporting and resolution procedure for allegations of misconduct by participating LEA personnel, regarding activities undertaken under the authority of this MOA, is included at Appendix B.

XVI. CIVIL RIGHTS STANDARDS

Participating LEA personnel who perform certain federal immigration enforcement functions are bound by all applicable federal civil rights statutes and regulations.

Participating LEA personnel will provide an opportunity for subjects with limited English language proficiency to request an interpreter. Qualified foreign language interpreters will be provided by the LEA as needed.

XVII. MODIFICATION OF THIS MOA

Modifications of this MOA must be proposed in writing and approved by the signatories.

XVIII. EFFECTIVE DATE, SUSPENSION, AND TERMINATION OF THIS MOA

This MOA becomes effective upon signature of both parties and will remain in effect until either party terminates or suspends the MOA. Termination by the LEA shall be provided, in writing, to the local Field Office.

In instances where serious misconduct or violations of the terms of the MOA come to the attention of ICE, the ICE Director may, upon recommendation of the Executive Associate Director for Enforcement and Removal Operations, elect to immediately suspend the MOA pending investigation of the misconduct and/or violations.

Notice of the suspension will be provided to the LEA, and the notice will include, at a minimum, (1) an overview of the reason(s) that ICE is suspending the 287(g) agreement, (2) the length of the temporary suspension, and (3) how the LEA can provide ICE with information regarding the alleged

misconduct and/or violations, as well as any corrective measures it has undertaken.

ICE shall provide the LEA with a reasonable opportunity to respond to the alleged misconduct and/or violations and to take actions to implement corrective measures (e.g., replace the officer(s) who are the focus of the allegations). ICE will provide the LEA timely notice of a suspension being extended or vacated.

If the LEA is working to take corrective measures, ICE will generally not terminate an agreement. The termination of an agreement is generally reserved for instances involving problems that are unresolvable and detrimental to the 287(g) Program.

If ICE decides to move from suspension to termination, ICE will provide the LEA a 90-day notice in advance of the partnership being terminated. The notice will include, at a minimum: (1) An overview of the reason(s) that ICE seeks to terminate the 287(g) agreement; (2) All available data on the total number of aliens identified under the 287(g) agreement; and (3) Examples of egregious criminal aliens identified under the 287(g) agreement. ICE's decision to terminate a MOA will be published on ICE's website 90 days in advance of the MOA's termination.

This MOA does not, is not intended to, shall not be construed to, and may not be relied upon to create any rights, substantive or procedural, enforceable at law by any person in any matter, civil or criminal.

By signing this MOA, each party represents it is fully authorized to enter into this MOA, accepts the terms, responsibilities, obligations, and limitations of this MOA, and agrees to be bound thereto to the fullest extent allowed by law.
