COMMISSIONER'S COURT COMMUNICATION

MEETING DATE:	AGENDA ITEM / SUBJECT OF DELIBERATION:
Next Upcoming	Take all appropriate action to approve and authorize the Maverick County Judge to execute the Regional Public Defender Services Contract with Texas RioGrande Public Defender (TRGPD) for the period of April 1, 2027, through September 30, 2027, for the operation of the Maverick County Regional Public Defender's Office.

SPONSORED BY:	DEPARTMENT HEAD REQUESTING:
Maverick County Judge	Isaak Ruiz, Grant Administrator

BACKGROUND/PREVIOUS ACTION:

On September 29, 2026, the Texas Indigent Defense Commission (TIDC) awarded Maverick County an FY2027 Improvement Grant totaling $903,552.00 to operate the FY2027 MDZ Regional Public Defenders Office, serving Maverick, Dimmit, and Zavala Counties. TIDC previously approved an extension of the FY2026 grant award to cover the first half of FY2027 (October 1, 2026 – March 31, 2027) due to a delayed project start.

Maverick County serves as the designated administrative county for the Tri-County Regional Public Defender Program, providing indigent defense services across Maverick, Dimmit, and Zavala Counties. Under this agreement, Texas RioGrande Public Defender (TRGPD), a non-profit legal services corporation, will serve as the service provider to deliver criminal defense representation to indigent adult defendants facing Class A and B misdemeanor charges and non-capital felony charges.

This contract covers the second half of FY2027, running from April 1, 2027, through September 30, 2027. Services are funded primarily through Texas Indigent Defense Commission (TIDC) grant funds alongside proportional non-federal matching contributions from the three participating counties. Interlocal agreements executed with Dimmit and Zavala Counties govern their local contribution shares paid to Maverick County. The contract sets an annual target capacity of 836 cases (627 in Maverick, 126 in Dimmit, and 83 in Zavala) in accordance with TIDC caseload standards.

COST:	BUDGETED LINE ITEM:
Total six-month contract budget is $903,551.50, which includes $809,582.00 in TIDC grant funding (89.60%) and $93,969.50 in total participating county match (10.40%). Maverick County's individual county match contribution for this contract period is $70,477.13.	TIDC Grant No. R-2026-07291 / Tri-County Regional Public Defender's Office Account

RECOMMENDATION FROM DEPARTMENT DIRECTOR:

Recommend approval. Executing this service contract allows TRGPD to deploy legal and support staff to manage indigent defense representation across Maverick, Dimmit, and Zavala Counties while maintaining compliance with TIDC grant conditions and Texas Code of Criminal Procedure requirements.

AGENDA ITEM SPONSOR COMMENTS:

Pending review.

LEGAL COUNSEL COMMENTS/RECOMMENDATION:

Pending review.

between

MAVERICK COUNTY, TEXAS
and
TEXAS RIOGRANDE PUBLIC DEFENDER

April 1, 2027-September 30, 2027
Regional Public Defender Services Contract

Maverick County, Texas ("the County") and Texas RioGrande Public Defender ("TRGPD") hereby enter into this agreement under which TRGPD agrees to perform legal services for persons accused of crimes in Maverick County and other counties that have agreed to participate in the Regional Public Defender ("RPD") Program that is established pursuant to this contract. The counties participating in the Maverick RPD are Maverick, Dimmit, and Zavala. Maverick County is the designated administrative county, and the other participating counties have executed interlocal agreements with Maverick County with respect to the terms of their participation that incorporate the terms of this agreement.

1. **Parties.**

    a. Maverick County, Texas is a political subdivision of the State of Texas and is authorized by the laws of the State to execute this agreement.

    b. Texas RioGrande Public Defender is a non-profit corporation organized and operating under the laws of the State of Texas for the purpose of providing legal services to persons who are financially unable to pay for the services of attorneys engaged in the private practice of law. TRGPD has full authority to provide the services required under the terms of this agreement.

    c. Dimmit and Zavala Counties are each political subdivisions of the State of Texas and shall contribute each county's share of funding to the program to Maverick County as outlined in the interlocal agreements between Maverick County and Dimmit County and between Maverick County and Zavala County.

    d. During the term of this contract, if other counties elect to participate in the regional public defender program with the contract of Maverick County, the other currently participating counties, and TRGPD, an amendment will be executed detailing the terms of their participation, the county or counties being added, the percentage and type(s) of cases for which TRGPD will provide representation, and the necessary staffing and budget adjustments.

2. **Term of the Agreement**. This agreement will be in effect from April 1, 2027, until September 30, 2027. This Agreement may be renewed on the same terms or mutually agreeable terms by signed agreement of both parties. It is specifically understood and agreed that in the event no funds or insufficient funds are appropriated by County under this Agreement, County shall notify all necessary parties that this Agreement shall thereafter terminate and be null and void on the last day of the fiscal period for which appropriations were made without penalty, liability or expense to County.

a. It is mutually understood that the services provided under this agreement are funded by grant funds from the Texas Indigent Defense Commission (TIDC) and revenues from the counties participating in the Maverick County Regional Public Defender's Office, and that the use of those funds is subject to and governed by the Texas Grant Management Standard statutes, administrative regulations, the specific conditions and requirements as outlined in the FY2027 Statement of Grant Award-Grant Number SG-27-017, the Texas Code of Criminal Procedure, the Texas Family Code, and the Texas Local Government Code. TRGPD understands and acknowledges that the funds available under this agreement are contingent upon grant funds provided by the TIDC. If grant funds are not provided by the TIDC or other grantor this Agreement will immediately terminate on the denial of funding and there shall no further obligations or liability of the County.

   The Judicial Appointment of Counsel Plans for each participating county authorize the appointment of the Maverick County Regional Public Defender's Office for defendant's in non-capital adult cases and give priority to the appointment of the Maverick County Regional Public Defender's Office in those cases. The program allows the Courts of each participating county to appoint TRGPD for all cases in which appointment of counsel is appropriate.

   i. The program covers adult defendants in Class A and B misdemeanor and non-capital felonies.
   ii. TRGPD shall not be appointed to capital murder cases.
   iii. Some appointments may occur outside of this agreement due to conflicts of interest (e.g., multiple defendants in a case), other situations described in Tex. Code Crim. Proc. Art. 26.04(j), or capital cases, which are not included in this agreement. Absent such a situation, the parties agree that, consistent with filled staff attorney positions, all eligible appointments shall be directed to TRGPD, subject to the maximum caseload capacity of the office based on TIDC caseload guidelines.

b. During TRGPD's launch and hiring legal staff ("ramp up period"), the participating counties agree to coordinate case appointments with the Chief Public Defender, or designee, so that the number of cases appointed by the participating counties to TRGPD will not either as an individual county, or the participating counties collectively, exceed the caseload capacity of the legal staff actively working in the office.

c. During the ramp up period, TRGPD will work diligently to accept appointments proportionately across County and District Courts.

d. At the time that this contract is executed, sufficient funds either are available within the counties' current grants and/or appropriations or are expected to become available to finance the costs of this contract for the term of the contract.

e. The parties may modify or terminate this contract by mutual agreement at any time. If a party desires to modify or terminate this agreement before the effective date of an annual term, it shall provide the other party written notice of its intent to do so no less than ninety (90) days before the effective date of the modification or termination. If termination of the contract is based upon termination or non-award of TIDC grant funding which occurs less than ninety (90) days before the end of the contract year, the party seeking termination shall provide notice of termination not less than twenty (20) days before the end of the contract year.

f. Unless otherwise agreed in writing, termination of this contract does not affect any existing obligation or liability of any party.

g. Any party's failure to enforce any provision of this contract shall not constitute a waiver by the party of that or any other provision.

h. This contract may be modified or terminated only by the means defined in Section 2. Any "suspension" or "expiration" of this agreement must conform to the subsections in Section 14.

3. **Services Provided.** TRGPD agrees to provide criminal defense services to indigent residents of the participating counties who are charged with crimes as follows:

a. Each participating county shall maintain language in its Judicial Appointment of Counsel Plan for appointment of counsel in Class A and B misdemeanors and non-capital felonies:

i. Designating the authorities therein authorized to determinate eligibility for appointed counsel and to authorize the appointment of counsel.
ii. Authorizing the appointment of the Maverick County Regional Public Defender's Office for defendants in non-capital adult cases who qualify for appointed counsel.
iii. Giving priority to the appointment of the Maverick County Regional Public Defender's Office in those cases.

b. After the appointment of a case to TRGPD, by an authorized appointing authority within each county, TRGPD will determine whether to accept the case, or decline it for a conflict of interest, whether the appointment exceeds the caseloads limitations for the county or court, or other reason that would be a barrier to representation. TRGPD will make the determination whether to accept an appointment within 2 business days.

c. After the ramp up period has concluded, TRGPD will accept up to the maximum number of cases per year according to EXHIBIT A, attached hereto, in accordance with TIDC caseload guidelines. TRGPD has sole authority to determine whether to accept a case for representation and will exercise that authority consistent with its internal policies and procedures, and in compliance with the Texas Code of Criminal Procedure, Texas Rules of Disciplinary Procedure for Attorneys, and TIDC caseload guidelines. If TRGPD does not believe it will be able to accept the expected number of cases, either due to staff vacancies or other factors, TRGPD must notify the Maverick RPD Oversight Committee and all Judges within the Maverick RPD, in writing, within seven (7) business days of the notice of vacancy and the extent to which such staffing shortages or caseload limits will reduce the number of cases TRGPD can accept.

d. When TRGPD accepts an appointment of a case under the terms of this agreement, TRGPD shall provide representation to the client as it determines is needed to assist that client resolve the issues related to the case.

e. TRGPD in its sole discretion determines the assistance needed. Multiple activities may be undertaken to assist a client including, but not limited to: bond reduction, habeas or examining trial prior to Information or Indictment; pre-trial motions and discovery; trial to judge or jury; appeal; original actions; administrative matters; other matters

intertwined with the client's case that could impact the outcome of the case; and all activities consistent with professional responsibility, but such additional activities do not count as more than one case for purposes of this agreement. In no event shall TIDC funding be used for an appeal on an Operation Lone Star case per the 89th Texas Legislature's funding limitation.

4. **Caseload Calculations**. TRGPD will ensure that TIDC guidelines are adhered to and will be enforced according to EXHIBIT A, for each county. During the time that the case is not filed or indicted, for purposes of caseload calculations, a case shall count as one half (½) of a full case. Once charges are filed or indicted, the case shall count as one (1) full case. Indicted first degree felonies shall count as two (2) full cases. Indicted sex assault cases and non-capital murder cases shall count as four (4) full cases. In the event TRGPD withdraws or rejects a case due to conflict of interest, that case shall not count towards the caseload calculation, unless TRGPD has provided substantial representation prior to discovering the conflict. If any such case is claimed by TRGPD under substantial representation, such determination may be accepted or rejected by the oversight board for this agreement.

   For purposes of this agreement a case is defined as adopted by the Texas Office of Court Administration[1], and is either a misdemeanor or a felony as defined below:

   a. **Misdemeanors**: A "misdemeanor" under the terms of this agreement shall include any offense punishable under sections 12.21 and 12.22 of the Texas Penal Code but shall not include Class C misdemeanors punishable under section 12.23 Texas Penal Code, or any case that does not provide for the loss of liberty as a potential sanction.

   b. **Felonies**: A "felony" under the terms of this agreement shall include any offense punishable under sections 12.32, 12.33, 12.34, and 12.35 of the Texas Penal Code. It shall not include "capital felonies" punishable under section 12.31.

   c. **Motions to Revoke**: A motion to revoke or a motion to adjudicate in a case shall be considered as one half (1/2) a separate "case" for purposes of this agreement.

   d. **Appeals**: An "appeal" shall be considered to be any action in an appellate court, including interlocutory or direct appeals, habeas corpus actions pursuant to Tex. Code Crim. Proc. §11.07, mandamus or other extraordinary writs. Action taken in an appellate court subsequent to disposition of a case in trial court by judgment or deferred adjudication shall be considered as a separate "case". Any action involving the same defendant under a different cause number shall be considered a separate appeal for purposes of this agreement, with the exception of cases where the different cause numbers were tried together, and sentence was imposed by the court in the same hearing. Pursuant to TIDC guidelines, these cases shall count for four times a case for TRGPD caseload calculations. In no event shall TIDC funding be used for an appeal on an Operation Lone Star case per the 89th Texas Legislature's funding limitation.

      If an indictment or information contains more than one count (Section 21.24 CCP), report this as one case under the category for the most serious offense alleged. If all counts are the same degree, report the case under the category for the first offense alleged.

[1] If an indictment or information contains more than one count (Section 21.24 CCP), report this as one case under the category for the most serious offense alleged. If all counts are the same degree, report the case under the category for the first offense alleged.

e. **Pretrial Diversion Status Appointments**. Once a client has agreed to and has been accepted into a Pretrial Diversion program, the case will be deemed "disposed" for purposes of TRGPD case calculations. Should a previous client, currently on Pretrial Diversion, need representation in court in any subsequent status or admonishment proceedings, relating to that Pretrial Diversion case, the Court shall provide a new Order of Appointment for the Client, and this shall be considered a separate case.

f. After assignment, TRGPD shall provide representation and other legal services to its clients in all pre-trial, and trial matters and until such time as TRGPD withdraws from representation in accordance with the provisions of Tex. R. Prof. Conduct § 1.15, the client retains private counsel, the case is disposed on the court's docket, or the client becomes ineligible for representation under this contract. TRGPD may provide representation and other legal services to existing or prior clients for post-trial matters, other than appeals, at its sole discretion. Post-trial or post-conviction services other than appeals, modifications, status hearings, admonishments, or other representation requested by the Court, shall not be deemed additional or separate cases for purposes of TRGPD caseload calculations.

g. TRGPD will contract, hire or employ all personnel necessary to perform the services that this contract requires including those with criminal defense, investigatory, and immigration expertise, and shall maintain an appropriate and reasonable number of attorneys and support staff to perform its contract obligations. Any funding from TIDC used for immigration attorney advice shall be limited to advisals related to the immigration consequences of the criminal case and related matters and shall not extend to representation in the immigration case. TRGPD will use due diligence to hire, assign, associate and train attorneys who are qualified to provide competent and effective services to the clients served hereunder.

h. If an attorney position is vacant, TRGPD may, in its sole discretion, utilize funds designated for the vacant attorney position to contract attorneys on a time limited basis to serve as lead counsel on cases assigned to TRGPD pursuant to this contract. Upon hire of the attorney positions, TRGPD must revert appropriations designated for the attorney positions back to the designated line items in EXHIBIT A. Once the attorney position(s) is/are hired, TRGPD will assess whether to have the contract attorney complete the representation or have staff attorneys complete the representation. In the event that the contract attorney is to continue representation, sufficient funds will be earmarked from the vacant position budget line items to complete the representation.

    i. Contract attorneys are not employees of TRGPD and therefore will not receive fringe benefits.

i. TRGPD will ensure that each attorney who represents a client pursuant to this agreement provides competent, zealous legal services to each client in accordance with the attorney's responsibilities under the Texas Disciplinary Rules of Professional Conduct, the Texas Code of Criminal Procedure, and the federal and Texas Constitutions. All TRGPD attorneys agree to strive to provide constitutionally effective assistance of counsel to the client regardless of what business relationships or funding sources result in their work for indigent criminal defendants. All TRGPD attorneys understand that failure to zealously represent each client's interests and each client's interests alone may carry legal and license consequences.

j. TRGPD shall provide adequate supervision of less experienced attorneys by more experienced attorneys and shall conduct periodic performance reviews and evaluations of the attorneys assigned to cases.

k. Services of Experts and Other Consultants.

i. TRGPD may engage expert witnesses, stenographers and technical consultants to perform reasonable and necessary services under this contract, utilizing the designated expert and litigation budget as outlined in EXHIBIT A. Should TRGPD need additional expert funds, in excess of the amounts budgeted for this contract, TRGPD may seek additional county funding from the court before which each case is pending by proper motion.
ii. For cases in which a competency evaluation is necessary under the Code of Criminal Procedure 46B or 46C, the county shall pay for the court ordered evaluation services as provided under the Code of Criminal Procedure.

5. **Appointment of Cases**. TRGPD shall begin accepting case assignments under this agreement on April 1, 2027, subject to its capacity limitations during the ramp up period.

a. During the period of this agreement TRGPD shall notify the participating counties immediately upon determining that:

i. One or more courts are not assigning cases to the Maverick RPD for which the program has capacity for accepting additional assignments; or,

ii. TRGPD will reach its total contract quota of cases before the expiration of a term of this contract, requiring it to pause accepting appointments until the rate of appointments returns to that assumed by this contract's quota. TRGPD will rely on the monthly appointment rates as shown in EXHIBIT A in determining whether it must pause appointments for the RPD, a specific attorney employed by the RPD, or both.

iii. In either circumstance described in Sections 5(a)(i) or 5(a)(ii), the Maverick RPD Oversight Committee, within 30 days of receiving written notice from TRGPD, shall convene a meeting of representatives of TRGPD, the counties and applicable courts to develop a plan for effective utilization of the Maverick RPD resources or adjustment of the contract.

b. Orders of appointment will be sent to TRGPD within the timeframes specified in Article 1.051 of the Texas Code of Criminal Procedure along with all documents related to the case then in existence, including, but not limited to, the following:
i. Complaint, Information and/or Indictment;
ii. Order appointing counsel;
iii. Magistrate's Warning;
iv. Defendant's Affidavit of Indigence;
v. Inmate Mental Condition Report to Magistrate;
vi. Affidavit and Complaint for Warrant of Arrest; and
vii. All other documents in the Justice of the Peace, County and/or District Court file.

6. **Contract Amount and Payments**. The total contract amount of this agreement is Nine Hundred Three Thousand, Five Hundred Fifty-One and 50/100 Dollars ($903,551.50) for the

contract term (April 1, 2027 – September 30, 2027), representing one half of the FY2027 program budget set out in EXHIBIT A.

a. Maverick shall advance TRGPD an amount equal to the anticipated operating expenses for the first fiscal quarter (three months) based on the annual contract value upon Maverick receiving funds for this purpose from TIDC. For the second quarter of the contract period, Maverick shall advance TRGPD an amount equal to the projected actuals less cash on hand. TRGPD must provide supporting documentation and the basis for the projected costs.

b. TRGPD will report to Maverick, at least quarterly, actual eligible expenses incurred, which will be deducted from the amount advanced. Additional advance requests may be submitted after two months of actual expenses incurred and reported. Balance of cash on hand (income received less expenses reported) and program income (income generated or earned as a result of program activities) will be required for processing any advance request. To be considered for an advance payment, TRGPD must be current with all required reports.

c. When submitting a request for an advance payment, TRGPD must submit an up-to-date (1) financial report including the required TIDC reporting data; (2) cash on hand report using the Cash on Hand Analysis form; and (3) Statement of Activities for the fund. Requests for an advance of contract funds may be denied, and an expense reimbursement system may be implemented, if required reports are not submitted. Maverick will not advance funds to TRGPD if it would result in TRGPD having an advanced fund balance of more than three months, or the contract term balance if less than three months, of the contract's budgeted costs.

d. Maverick agrees to review all reports received from TRGPD and will notify TRGPD in writing if there are any issues to resolve, including if additional information is needed, to process either an advance or reimbursement for actual expenses incurred. Maverick must process payment to TRGPD within seven (7) business days of receiving reimbursement from TIDC.

e. TRGPD must use any program income to offset eligible program costs. Program income shall not increase the total program budget. Program income will reduce advance payments by an equivalent amount.

f. EXHIBIT A, attached hereto, reflects TRGPD's staffing budgets per county for this contract. Staffing changes or budget adjustments, which consist of reallocations of funds among or within budget categories in excess of $10,000 or ten percent of the original approved budget category, whichever is less, are considered budget adjustments and must be agreed to in writing by both parties. Title changes in attorney line-item positions do not require approval by the counties provided that the line item does not result in a reallocation of funds among or within budget categories in excess of $10,000 or ten percent of the original approved attorney line-item position.

7. **Carry-Over.** If on September 30, 2027, or at the conclusion of any twelve-month period thereafter, there is a surplus of funds, TRGPD shall deduct any surplus from its next invoice after the close of the contract year, and from invoices for subsequent months if necessary. In the event the contract is not renewed, TRGPD will return any surplus to the County pursuant to the wind-down procedure described herein.

8. Reporting, Accounting and Recordkeeping.

a. Within one month of the execution of this Agreement, TRGPD must provide Maverick County and the Maverick RPD Oversight Committee, with its policies and procedures related to representation covered by this agreement.

b. TRGPD will provide a quarterly report to Maverick County, TIDC, and the Maverick RPD Oversight Committee, according to the schedule below, and on or before the 15th day of the month, following the conclusion of a quarter, if this agreement is auto-renewed or extended. The quarterly reporting shall include:

i. Financial reporting showing budgeted vs. actual expenditures, and the status of funds not expended,
ii. Programmatic reporting based on metrics identified by TIDC, and
iii. Staffing reporting that documents job title, hire dates, separation dates, transfers, vacancies, percentage of time dedicated to the Maverick RPD, and actual salaries and fringe benefits for each funded and filled position, or projected salaries for vacant positions.

Reporting Period	**Date Report Due**
April through June	June 15
July through September	October 15

c. TRGPD staff shall maintain current information, including pleadings and other case-related documents, on each case. That information shall be made available to the Maverick RPD Oversight Committee, under circumstances and in a format that does not require a client to waive the attorney-client privilege, or the attorney to violate the confidentiality standards of the profession, Tex. R. Prof. Conduct 1.05, or any other provision of law.

d. TRGPD will provide a monthly report to the Maverick RPD Oversight Committee, with updates on the number of cases that have been accepted, the number of cases that have been disposed, and the status of the pending accepted cases.

e. TRGPD will record attorney and support staff work time in a manner that allows for accurate completion of the Indigent Defense Expenditure Report (IDER) and Public Defender Addendum (PD Addendum) as the County is required to submit to TIDC. The records must contain sufficient detail to allocate time and salary across the categories of offenses and to document the number of cases disposed by each attorney funded under this contract. Data covering each fiscal year (October 1 to September 30) for the IDER and PD Addendum shall be submitted to Maverick County no later than the 22nd day of October in the following fiscal year.

f. TRGPD shall designate a single point of contact with at least read-only access and general knowledge of the organizational finances regarding contract management, monitoring, and financial data reporting and to respond to the contract terms and deliverables.

g. TRGPD shall maintain financial records on an accrual basis and shall make such records pertaining to this agreement available to the County's representatives upon reasonable request.

h. TRGPD shall preserve all assignment, financial and case service records for a period of seven years from the date the case is closed.

i. TRGPD shall ensure that all attorneys hired under this contract will submit their annual percentage of practice reporting to TIDC no later than the 15th day of October for the preceding fiscal year.

9. Independent Contractor.

a. TRGPD is an independent contractor that shall complete the requirements of this contract according to its own means and methods of work, including individual case assignments, which shall be in the exclusive charge and control of TRGPD and which shall not be subject to control or supervision by the County or any judge, except as required by a Court's statutory, constitutional and inherent powers associated with the hearing and disposition of criminal cases, or as otherwise specified in this contract.

b. The Maverick RPD Oversight Committee, created by county officials and judges, may recommend to the Commissioners Court what modifications should be sought as to this contract, may monitor the caseload of TRGPD, may determine whether this contract has been violated, and may recommend removal of the public defender program to the Commissioners Court.

c. Neither the Maverick RPD Oversight Board, the Commissioners Court, the judges, nor the local defense bar may interfere with the administration or management of TRGPD, nor require TRGPD to hire, discipline or fire employees, or otherwise interfere with office operations or policies.

d. A judge may have authority to remove an attorney in a specific case if the court finds that the attorney has failed to provide representation that meets constitutional and professional standards; in such circumstances, TRGPD retains the authority to assign a replacement attorney for the client.

10. Non-discrimination.

a. TRGPD will not engage in employment practices which have the effect of discriminating against employees or prospective employees because of age, race, color, national origin, sex, sexual preference, disability, or religion.

11. Impossibility of Performance.

a. Neither party shall be responsible for delay or default caused by theft, fire, flood, riot, war or other casualty, if the delay or default was beyond the party's reasonable control.

b. In the event of circumstances beyond a party's control that may render timely performance by that party impossible under Sec. 11.a, either party may terminate this contract, or the affected party, by written notice.

12. Wind-Down Procedures.

a. **Effective Date of Termination.** Unless otherwise agreed upon in writing by the parties, if this agreement is terminated by written notice under Sec. 2, the "effective date" of termination is September 30, 2027.

b. Unless otherwise agreed upon in writing by the parties, if this agreement is terminated by mutual agreement under Sec. 2, the "effective date" of termination is ninety (90) days after such mutual agreement is memorialized in writing, or twenty (20) days if termination of the contract is based upon non-award of TIDC grant funding.

c. Unless otherwise agreed upon in writing by the parties, if this agreement is terminated by a party under Sec. 2, the "effective date" of termination is ninety (90) days after written notice is received by the non-terminating party, or twenty (20) days if termination of the contract is based upon non-award of TIDC grant funding.

d. Upon receipt by a party of a notice of intent to terminate this agreement, no further cases shall be assigned or accepted as of the date such notice is received, or as otherwise agreed in writing between the parties.

e. TRGPD shall act in good faith to complete timely and adequate legal services on all existing cases assigned before the effective date of termination of this contract.

f. TRGPD shall promptly notify all clients with pending cases of the notice of termination.

g. TRGPD will file appropriate motions to withdraw with the court in which the case is pending and seek the appointment of private counsel for the defendant.

h. Payment after the Effective Date of Termination.

i. In the event that this agreement is not auto-renewed or upon termination of this contract and there are cases in which TRGPD is not permitted to withdraw by the court before whom the case is pending, Maverick County shall continue to reimburse TRGPD for all actual personnel and non-personnel expenses incurred to resolve all cases still pending after the conclusion of the agreement, or upon conclusion of the final extension or renewal of this agreement, along with projected expenses that TRGPD is likely to incur for costs associated with the termination of employees such as severance and vacation/sick time pay, as TRGPD is required to pay under the TRGPD Collective Bargaining Agreement. TRGPD will not be paid amounts in excess of the total contract amount or TRGPD's actual program expenditures, whichever is less.

i. If the County does not renew the Agreement, TRGPD will use the designated severance funds to pay severance for all employees assigned to the contract when their line item is eliminated. If severance is not used because the employee remains employed by TRGPD, TRGPD will return the severance received from the County associated with that employee.

j. Upon the conclusion of TRGPD's responsibilities under this agreement, the conclusion of the final extension or renewal, including the closing down or winding of operations and disposing of all remaining and pending cases, any unused funding for the Maverick RPD will be returned to Maverick County within 90 days of the end of the contract term

or the final date on which operations and cases are closed and disposed of, whichever is later.

13. **Contract Notices**. All notices required by this contract shall be delivered in writing to the following representatives of the parties:

14. **Entire Agreement.**

a. This writing constitutes the entire agreement between the parties.

b. No other oral or written understandings, agreements, or representations exist regarding this agreement. Any party's failure to enforce any provision of this contract shall not constitute a waiver by the party of that or any other provision.

c. No waiver, consent, modification, or change of terms of this agreement shall bind either party unless in writing and signed by both parties. If made, such waiver, consent, modification, or change shall be effective only in the specific instance and for the specific purpose given and shall be strictly construed.

TEXAS DEPARTMENT OF TRANSPORTATION

REIMBURSABLE GRANT AGREEMENT FOR ROUTINE AIRPORT MAINTENANCE PROGRAM

(State Assisted Airport Routine Maintenance)

TxDOT Project ID: M2722EPAS

Part I - Identification of the Project

TO: The County of Maverick, Texas

FROM: The State of Texas, acting through the Texas Department of Transportation

The Texas Department of Transportation (department) is authorized under Texas Transportation Code, Chapter 21, and Chapter 22, to assist in the development and maintenance of airports in the state.

This Reimbursable Grant Agreement is made between the Texas Department of Transportation, (hereinafter referred to as the "State"), on behalf of the State of Texas, and the County of Maverick, Texas, (hereinafter referred to as the "Sponsor").

This Reimbursable Grant Agreement is entered into between the State and Sponsor shown above, under the authority granted and in compliance with the provisions of the Transportation Code Chapter 21.

“Infrastructure preservation” shall mean work directly supporting aeronautical activity on the airfield, terminals, control towers, sponsor-owned hangars, runways, taxiways, and aprons, including but not limited to crack sealing, seal coating, pavement marking, and minor asphalt or concrete patching, including ancillary activities.

"Airport safety activities" shall mean the direct maintenance, repair, or replacement of items and systems principally intended for aviation safety. This includes, but is not limited to, airfield lighting systems, airfield guidance signs, wind indicators, and runway obstruction removal.

The scope of service for this project is for infrastructure preservation and airport safety activities at the EAGLE PASS - MAVERICK COUNTY MEMORIAL INTL Airport.

Pursuant to the terms and conditions set forth in the RAMP Grant Agreement, reimbursement of expenses is strictly limited to those costs that are directly associated with eligible infrastructure preservation, airport safety activities, and exclusions stated in this RAMP Grant Agreement. Refer to Part III of this RAMP Grant agreement for additional requirements applicable to certain equipment.

Ineligible Costs: For the avoidance of doubt, the following costs are expressly ineligible for reimbursement under this program: a) All routine operational expenses, including but not limited to salaries, rent, utilities, fuel, and insurance; b) Groundskeeping services, including mowing; c) Force account work performed by the Sponsor's own employees; and d) Any expense not directly attributable to pre-approved infrastructure preservation and airport safety activities.

The exception to this exclusion applies to Airport Operations Counting Systems and Automated Weather Observing Systems (AWOS), including eligible maintenance, repair, subscription, certification, and connectivity costs. Such expenses are eligible for reimbursement under this Grant when adequately documented and otherwise compliant with program requirements.

By submitting a reimbursement request, the Sponsor affirms and certifies that all applicable provisions of the RAMP Grant Agreement have been satisfied. Furthermore, the Sponsor attests that the scope of work described in the reimbursement submission is intended exclusively to supplement infrastructure preservation and airport safety activities and does not constitute, support, or subsidize airport operational functions. This certification is made in accordance with applicable state funding regulations and the eligibility criteria enumerated in the scope of service.

Part II - Offer of Financial Assistance

1. For the purposes of this Reimbursable Grant Agreement, the annual routine airport maintenance project cost is estimated to be $111,111.11 (Amount A).

   State financial assistance granted will be used solely and exclusively for infrastructure preservation and airport safety activities, and airport operations counting systems as approved by the State. State financial assistance will be for ninety percent (90%) of the eligible project costs for this project or a maximum of $100,000.00 (Amount B), whichever is less, per fiscal year and subject to availability of state appropriations.

   The Sponsor’s share of project costs will be for ten percent (10%) of the eligible project costs (Amount C).

   This Reimbursable Grant Agreement provides for reimbursement of costs that have already been incurred by the Sponsor, work is complete and/or goods and materials have been provided to the Sponsor and all contractors, subcontractors, and/or vendors will have been paid before a request for reimbursement is submitted to the State.

   Unused funds are non-transferable to any other Sponsor, city, county, or airport and shall not be carried over to the subsequent fiscal year.

   Scope of Services of this Reimbursable Grant Agreement, may be amended, subject to availability of state funds, to include additional approved airport maintenance work. Scope amendments require submittal of an Amended Scope of Services

   Only work items as described in Scope of Services of this Reimbursable Grant Agreement are reimbursable under this Reimbursable Grant Agreement.

   All goods and/or materials procured, and all work and/or services performed, shall occur subsequent to the execution of this Reimbursable Grant Agreement and on, or before, the last day of the State’s fiscal year, August 31st.

2. Work, services, goods, and/or materials rendered or paid for by the Sponsor prior to the execution of this Reimbursable Grant Agreement shall not be eligible for reimbursement. This Reimbursable Grant Agreement shall be deemed executed upon the affixation of signatures by all parties involved. The date of the final signature shall be recognized as the official Reimbursable Grant Agreement execution date.

3. Scope of Services may be accomplished by State contracts or through local contracts of the Sponsor as determined appropriate by the State. All locally contracted work must be approved by the State for scope and cost reasonableness prior to work commencement. Cost reasonableness will be determined by comparison to historical costs for similar work, independent cost estimates, or other methods deemed appropriate by the State.

4. This Reimbursable Grant Agreement shall terminate upon completion of the scope of services, exhaustion of funds, or on the last day of the fiscal year.

5. The State retains the right to obtain an audit as may be required by state regulations; the State Auditor may conduct an audit or investigation of any entity receiving funds from TxDOT directly under this contract or indirectly through a subcontract under this contract. Acceptance of funds directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the State Auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. An entity that is the subject of an audit or investigation must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.

Part III - Additional Requirements for Certain Equipment

1. Certain purchase, installation, and subscription costs for eligible air traffic and operations monitoring equipment ("Equipment") are reimbursable as provided in this Part.

2. For eligible Equipment, the State will reimburse 90% of the initial cost to purchase and install, and 90% of the annual subscription fee for subsequent years.

3. Eligibility Requirements

   a. The Equipment must include the following items, at a minimum;

      1. Triangulation

      2. Noise abatement

      3. Aircraft tracking data for 30 days

4. Identification of pavement utilization by airplane design group for the entire airport

5. Equal effectiveness at both towered and non-towered airports

6. Tracking of military and government aircraft, including FAA blocked aircraft

b. In order for costs to be eligible for RAMP reimbursement:

1. To be eligible for reimbursement of the annual subscription fee after the first year, the Sponsor must participate in the Routine Airport Maintenance Program, have an executed Reimbursable Grant Agreement for that year, and comply with all Reimbursable Grant Agreement requirements.

c. The State may conduct on-site or off-site monitoring reviews of the Equipment any years Sponsor seeks reimbursement of subscription costs. The Sponsor shall fully cooperate with the State and provide any required documentation. The Sponsor shall grant full access to the Equipment to the State or its authorized designee for the purpose of determining compliance, including, but not limited to:

1. whether the Equipment, and its operation and maintenance, are consistent with the requirements set forth in the Reimbursable Grant Agreement and any subsequent amendments;

2. whether the Sponsor is making timely progress with installation of the Equipment, and whether its management, financial management and control systems, procurement systems and methods, and overall performance are in conformance with the requirements set forth in the Reimbursable Grant Agreement and any subsequent amendments, and are fully and accurately reflected in reports submitted to the State.

d. Failure to maintain compliance with these requirements may result in the Sponsor having to repay grant funds to the State.

4. For any lighting system installation, replacement, modification, relocation, or adjustment that requires an FAA flight check, all associated work must be completed, commissioned, and placed into operational service within the same Grant fiscal year to be eligible for reimbursement.

   If the required FAA flight check is not completed, does not receive a passing determination, or is completed after the end of the Grant fiscal year, all costs associated with the lighting system project, including but not limited to materials, equipment, labor, installation, modification, relocation, adjustment, and flight check expenses, shall be expressly ineligible for reimbursement under this Grant.

   FAA flight check costs are eligible for reimbursement only when the associated lighting system installation, replacement, modification, relocation, or adjustment was funded and reimbursed under this RAMP Grant. Flight checks performed for any other purpose, project, or funding source are ineligible for reimbursement under this Grant.

Part IV - Sponsor Responsibilities

1. In accepting this Reimbursable Grant Agreement, if applicable, the Sponsor guarantees that:

   a. it will, in the operation of the facility, comply with all applicable state and federal laws, rules, regulations, procedures, covenants and assurances required by the State in connection with this Reimbursable Grant Agreement; and

   d. all funds used for safety related asset maintenance will require the asset to remain in the possession and ownership of the Sponsor for a period of at least 20 years, or the expected life span of the item; and

   e. it shall not grant or permit anyone to exercise an exclusive right for the conduct of aeronautical activity on or about an airport landing area. Aeronautical activities include, but are not limited to scheduled airline flights, charter flights, flight instruction, aircraft sales, rental and repair, sale of aviation petroleum products and aerial applications. The landing area consists of runways or landing strips taxiways, parking aprons, roads, airport lighting, and navigational aids; and

g. it shall not permit non-aeronautical use of airport facilities, unless noted on an approved Airport Layout Plan, without prior approval of the State/FAA. This includes but is not limited to: the process of land disposal, any changes to the aeronautical or non-aeronautical land uses of the airport, land's deeded use from non-aeronautical to aeronautical, requests of concurrent use of land, interim use of land, approval of a release from obligations from the State/FAA, any of which will require 18 months, or longer; and

h. the Sponsor shall submit to the State annual statements of airport revenues and expenses when requested; and

i. all fees collected for the use of the airport shall be reasonable and nondiscriminatory. The proceeds from such fees shall be used solely for the development, operation and maintenance of the airport or navigational facility; and

j. an Airport Fund shall be established by resolution, order, or ordinance in the treasury of the Sponsor, or evidence of the prior creation of an existing airport fund or a properly executed copy of the resolution, order, or ordinance creating such a fund, shall be submitted to the State. The fund may be an account as part of another fund but must be accounted for in such a manner that all revenues, expenses, retained earnings, and balances in the account are discernible from other types of monies identified in the fund as a whole. All fees, charges, rents, and money from any source derived from airport operations must be deposited in the Airport Fund and shall not be diverted to the general revenue fund or any other revenue fund of the Sponsor. All expenditures from the Airport Fund shall be solely for airport purposes. Sponsor shall be ineligible for a subsequent grant or loan by the State unless, prior to such subsequent approval of a grant or loan, Sponsor has complied with the requirements of this subparagraph; and

l. insofar as it is reasonable and within its power, Sponsor shall adopt and enforce zoning regulations to restrict the height of structures and use of land adjacent to or in the immediate vicinity of the airport to heights and activities compatible with normal airport operations as provided in Tex. Loc. Govt. Code Ann. Sections 241.001 et seq. (Vernon and Vernon Supp.). Sponsor shall also acquire and retain aviation easements or other property interests in or rights to use of land or airspace unless Sponsor can show that acquisition and retention of such interest will be impractical or will result in undue hardship to Sponsor. Sponsor shall be ineligible for a subsequent grant or loan by the State unless Sponsor has, prior to subsequent approval of a grant or loan, adopted and passed an airport hazard zoning ordinance or order approved by the State; and

m. no Small Capital Improvement Project shall be initiated without the express guidance and prior written approval of the Texas Department of Transportation's Aviation Division. The Sponsor hereby acknowledges and agrees that failure to obtain such pre-approval shall constitute a breach of this RAMP Grant Agreement and shall result in the Sponsor's forfeiture of eligibility for reimbursement of any costs or expenses incurred in connection with the unauthorized project.

2. The Sponsor, to the extent of its legal authority to do so, shall save harmless the State, the State's agents, employees or contractors from all claims and liability due to activities of the Sponsor, the Sponsor's agents or employees performed under this Reimbursable Grant Agreement. The Sponsor, to the extent of its legal authority to do so, shall also save harmless the State, the State's agents, employees or contractors from any and all expenses, including attorney fees which might be incurred by the State in litigation or otherwise resisting claim or liabilities which might be imposed on the State as the result of those activities by the Sponsor, the Sponsor's agents or employees.

3. The Sponsor's acceptance of this offer and ratification and adoption of this Reimbursable Grant Agreement shall be evidenced by execution of this Reimbursable Grant Agreement by the Sponsor. The Reimbursable Grant Agreement shall comprise a contract, constituting the obligations and rights of the State and the Sponsor with respect to the accomplishment of the project and the operation and maintenance of the airport.

   If it becomes unreasonable or impractical to complete the project, the State may void this Reimbursable Grant Agreement and release the Sponsor from any further obligation of project costs.

4. Upon entering into this Reimbursable Grant Agreement, Sponsor agrees to name an individual, as the Sponsor's Authorized Representative, who shall be the State's contact with regard to this project. The Representative shall receive all correspondence and documents associated with this Reimbursable Grant Agreement and shall make or shall acquire approvals and disapprovals for this Reimbursable Grant Agreement as required on behalf of the Sponsor, and coordinate schedule for work items as required.

5. By the acceptance of grant funds for the maintenance of eligible airport buildings, the Sponsor certifies that the buildings are owned by the Sponsor. The buildings may be leased but if the lease agreement specifies that the lessee is responsible for the upkeep and repairs of the building no state funds shall be used for that purpose.

6. Sponsor shall request reimbursement of eligible project costs on forms provided by the State. All reimbursement requests are required to include a copy of the invoices for the materials or services and proof of payment. The reimbursement request will be submitted no more than once a month.

7. The Sponsor's acceptance of this Reimbursable Grant Agreement shall comprise a Reimbursable Grant Agreement, as provided by the Transportation Code, Chapter 21, constituting the contractual obligations and rights of the State of Texas and the Sponsor with respect to the accomplishment of the airport maintenance and compliance with the assurances and conditions as provided. Such Reimbursable Grant Agreement shall become effective upon the State's written Notice to Proceed issued following execution of this Reimbursable Grant Agreement.

2. Sponsor, by accepting this Reimbursable Grant Agreement certifies and, upon request, shall furnish proof to the State that it has sufficient funds to meet its share of the costs. The Sponsor grants to the State the right to audit any books and records of the Sponsor to verify expended funds.

3. Upon execution of this Reimbursable Grant Agreement and written demand by the State, the Sponsor's financial obligation (Amount C) shall be due in cash and payable in full to the State. Should the Sponsor fail to pay their obligation, either in whole or in part, within 30 days of written demand, the State may exercise its rights under Paragraph V-3. Likewise, should the State be unwilling or unable to pay its obligation in a timely manner, the failure to pay shall be considered a breach and the Sponsor may exercise any rights and remedies it has at law or equity.

   a. Services will not be accomplished by the State until receipt of Sponsor's share of project costs.

4. If additional funds are required after the work is complete to fund the Sponsor’s share, the State shall request funds from Sponsor at the financial closure of the project.

5. The State shall reimburse or credit the Sponsor, at the financial closure of the project, any excess funds provided by the Sponsor which exceed Sponsor's share (Amount C).

PART VI - Recitals

1. This Reimbursable Grant Agreement is executed for the sole benefit of the contracting parties and is not intended or executed for the direct or incidental benefit of any third party.

2. It is the intent of this Reimbursable Grant Agreement to not supplant local funds normally utilized for airport maintenance, and that any state financial assistance offered under this Reimbursable Grant Agreement be in addition to those local funds normally dedicated for airport maintenance.

3. This Reimbursable Grant Agreement is subject to the applicable provisions of the Transportation Code, Chapters 21 and 22, and the Airport Zoning Act, Tex. Loc. Govt. Code Ann. Sections 241.001 et seq. (Vernon and Vernon Supp.). Failure to comply with the terms of this Reimbursable Grant Agreement or with the rules and statutes shall be considered a breach of this contract and will allow the State to pursue the remedies for breach as stated below.

   a. Of primary importance to the State is compliance with the terms and conditions of this Reimbursable Grant Agreement. If, however, after all reasonable attempts to require compliance have failed, the State finds that the Sponsor is unwilling and/or unable to comply with any of the terms of this Reimbursable Grant Agreement, the State, may pursue any of the following remedies: (1) require a refund of any financial assistance money expended pursuant to this Reimbursable Grant Agreement, (2) deny Sponsor's future requests for aid, (3) request the Attorney General to bring suit seeking reimbursement of any financial assistance money expended on the project pursuant to this Reimbursable Grant Agreement, provided however, these remedies shall not limit the State's authority to enforce its rules, regulations or orders as otherwise provided by law, (4) declare this Reimbursable Grant Agreement null and void, or (5) any other remedy available at law or in equity.

   b. Venue for resolution by a court of competent jurisdiction of any dispute arising under the terms of this Reimbursable Grant Agreement, or for enforcement of any of the provisions of this Reimbursable Grant Agreement, is specifically set by Grant of the parties in Travis County, Texas.

4. The State reserves the right to amend or withdraw this Reimbursable Grant Agreement at any time prior to acceptance by the Sponsor. The acceptance period cannot be greater than 30 days after issuance unless extended by the State.

5. This Reimbursable Grant Agreement constitutes the full and total understanding of the parties concerning their rights and responsibilities in regard to this project and shall not be modified, amended, rescinded or revoked unless such modification, amendment, rescission or revocation is agreed to by both parties in writing and executed by both parties.

6. All commitments by the Sponsor and the State are subject to constitutional and statutory limitations and restrictions binding upon the Sponsor and the State (including Sections 5 and 7 of Article 11 of the Texas Constitution, if applicable) and to the availability of funds which lawfully may be applied.

SPONSORED BY:	DEPARTMENT HEAD REQUESTING:
Maverick County Commissioner Pct 3 Olga Ramos	Isaak Ruiz - Grants

BACKGROUND/PREVIOUS ACTION:

On August 26, 2026, Maverick County submitted a formal Budget Adjustment Request to the Texas Indigent Defense Commission (TIDC) seeking a 6-month grant term extension for Grant #SG-26-017 due to a delayed start in launching the Tri-County Regional Public Defender Office. On September 1, 2026, TIDC officially approved the extension, extending the grant term through March 31, 2027. This extension allows Maverick County and participating regional entities additional time to utilize initial grant funds and benefit from the lower local matching funds requirement during the first year of the program. TIDC has also approved continuing grant funding for the second half of FY2027 (April 1, 2027 – September 30, 2027), which is handled under a separate grant award statement.

COMMISSIONER'S COURT COMMUNICATION

MEETING DATE:	AGENDA ITEM / SUBJECT OF DELIBERATION:
Next Upcoming	Take all appropriate action to authorize the utilization of accumulated Parkland Dedication Fees (maintaining a balance of over $200,000) as local matching funds and upfront capital for active and future Texas Parks & Wildlife Department (TPWD) grant applications and projects.

SPONSORED BY:	DEPARTMENT HEAD REQUESTING:
Maverick County Commissioner Pct 3 Olga Ramos	Isaak Ruiz - Grant Administrator

BACKGROUND/PREVIOUS ACTION:

The Grant Administration Department is requesting authorization to use accumulated Parkland Dedication Fees, developer-contributed funds dedicated to capital expansion and facility improvements, as local matching funds and upfront working capital for active and future Parks & Recreation grants.

Specifically, this reserve will support two active Texas Parks & Wildlife Department (TPWD) projects, the TPWD Local Indoor Parks Grant (carrying a 50% local match requirement) and the TPWD Recreational Trails Grant (carrying a 25% local match requirement). TPWD programs operate on a reimbursement basis, thus having this dedicated capital readily available provides the necessary upfront cash flow to complete construction and process timely reimbursement requests without drawing from the County General Fund. Establishing this local match and cash flow mechanism, strengthens the County's competitive standing for future parks and recreation grant opportunities.

COST:	BUDGETED LINE ITEM:
N/A	Maverick County Parkland Dedication Fee Account

RECOMMENDATION FROM DEPARTMENT DIRECTOR:

Recommend approval. Authorizing the use of Parkland Dedication Fees as a local match mechanism fulfills grant cost-share obligations, provides necessary reimbursement cash flow, protects the General Fund and enhances eligibility for future TPWD grant awards.

LEGAL COUNSEL COMMENTS/RECOMMENDATION:

ATTACHMENTS:

2. Parkland Dedication Fee Budget

SUGGESTED MOTION:

Move to approve and authorize the utilization of accumulated Parkland Dedication Fees as local matching funds and upfront capital for active and future Texas Parks & Wildlife Department (TPWD) grants and related park projects.

RE: Authorization to Utilize Parkland Dedication Fees as Local Match for Active & Future TPWD Grants - Item for Agenda

---

The Grant Administration Department is requesting authorization to utilize accumulated Parkland Dedication Fees as local matching funds and upfront capital for active and future Parks & Recreation grant applications. Our Parkland Dedication Fee account currently maintains a balance of a little over $200,000. Utilizing these existing developer-contributed funds allows Maverick County to satisfy required local grant cost-shares and cover initial project expenditures without drawing from the General Fund.

This local match reserve will directly support two active Texas Parks & Wildlife Department projects, specifically the TPWD Local Indoor Parks Grant and the TPWD Recreational Trails Grant, which carry local matching requirements of 50% and 25%, respectively. Because these state programs operate on a reimbursement basis, having this dedicated capital readily available provides the County with the upfront cash flow needed to complete construction and initiate timely reimbursement requests, all at zero additional cost to the operating budget.

Parkland Dedication Fees are generally used for capital expansion and facility improvements. Typically they are not used for routine operational maintenance or staff salaries. This makes grant-funded capital projects the most effective and compliant application. Establishing court authorization now also secures a reliable local match mechanism and working capital pool, which significantly strengthens our competitive standing, enabling the county to continue applying for future parks and recreation grant opportunities.

COMMISSIONER'S COURT COMMUNICATION

MEETING DATE:	AGENDA ITEM / SUBJECT OF DELIBERATION:
Next Upcoming	Take all appropriate action to authorize that all fees collected under parkland dedication by the Planning Department be officially designated, segregated, and placed directly into the Maverick County Parkland Dedication Fee Fund.

SPONSORED BY:	DEPARTMENT HEAD REQUESTING:
Maverick County Commissioner Pct 3 Olga Ramos	Isaak Ruiz - Grant Administrator

BACKGROUND/PREVIOUS ACTION:

Maverick County collects parkland dedication fees through the subdivision platting and development review processes managed by the Planning Department. To ensure strict administrative compliance, accurate financial tracking, and proper legal application, these collected revenues need to be formally designated and deposited directly into the dedicated Maverick County Parkland Dedication Fee Fund rather than general operating accounts.

Establishing this formal accounting and deposit protocol ensures that developer-contributed fees are readily available to serve as local matching funds and capital reserves for active and future parks and recreation infrastructure projects, such as Texas Parks & Wildlife Department (TPWD) grant initiatives.

COST:	BUDGETED LINE ITEM:
N/A	Maverick County Parkland Dedication Fee Account

RECOMMENDATION FROM DEPARTMENT DIRECTOR:

Recommend approval. Formally routing planning department parkland dedication fees into the dedicated fund ensures financial transparency, regulatory compliance, and secures a reliable local funding pool for parks development.
