Terms: The Foreclosure Sale will be conducted as a public auction and the Property will be sold to the highest bidder for cash, except that the Lender's bid may be by credit against the indebtedness secured by the lien of the Deed of Trust.

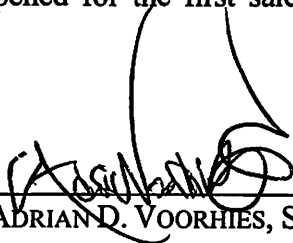

Default has occurred in the payment of the Note and in the performance of the obligations of the Deed of Trust. Because of that default, Lender has requested Substitute Trustee to sell the Property. The Foreclosure Sale will be made expressly subject to any title matters set forth in the Deed of Trust, but prospective bidders are reminded that by law the Foreclosure Sale will necessarily be made subject to all prior matters of record affecting the Property, if any, to the extent that they remain in force and effect and have not been subordinated to the Deed of Trust. For the avoidance of doubt, the Foreclosure Sale will not cover any part of the Property that has been released of public record from the lien and/or security interest of the Deed of Trust by the Lender. Prospective bidders are strongly urged to examine the applicable property records to determine the nature and extent of such matters, if any.

Pursuant to Section 51.009 of the Texas Property Code, the Property will be sold "AS IS," without any expressed or implied warranties, except as to the warranties (if any) provided for under the Deed of Trust.
